Chairman VanDerhule called the regular meeting of the South Dakota Aeronautics Commission (the "Commission") to order at 1:00 PM. A roll call was taken and a quorum was determined.

**Skip VanDerhule, Chairman
Discussion & consideration of conflict of interest**

Chairman VanDerhule opened the floor to Commission members to disclose potential conflict of interest and to present requests for waivers pursuant to South Dakota Codified Law (SDCL) chapter 3-23.

Dave Luers requested clarification as to whether he would need to submit a new request for waiver of conflict or if the written request for waiver of conflict he submitted at the September 27, 2016, Commission Meeting, covered any agenda item relating to Pierre Regional Airport. The Commission determined that since his request covered any agenda item relating to Pierre Regional Airport and nothing has changed since his original disclosure, Luers would not have to submit a new request for waiver of conflict. No action was needed.

Skip VanDerhule, Chairman
Approve minutes from October 25, 2016 meeting

Motion by Funk, second by Luers, to approve the October 25, 2016, meeting minutes. A roll call vote was taken (all aye). Motion carried.

Consideration of information for airport sponsors applying for state aeronautics funds

Chairman Vanderhule presented the Commission with a fact sheet summarizing information to airport sponsors applying for state aeronautics funds.

Motion Vanderhule, second by Luers to amend proposed fact sheet. Roll call votes was taken (all aye). Motion carried.

Motion by Luers, second by Noteboom to approve the amended fact sheet. Roll call vote was taken (all aye). Motion carried.

At this time, the Commission chose to hear agenda item:

Jon Becker, Office of Aeronautics
Informational Item - Airport improvement program

Becker presented the Commission with informational handouts and a PowerPoint presentation outlining the procedures and processes, regarding airport improvement programs.

The Commission requested SDDOT staff present the Commission with ideas to improve information sharing. SDDOT staff will present these ideas at the next meeting.

No action was taken.

Joel Jundt, SDDOT Secretary
Secretary's Report
Annual report to the Governor

Leon Schochenmeier, City of Pierre
Rod Senn, KLJ, Inc.
Reconsideration of Pierre Regional Airport 036-2016 grant

*Luers recused himself from this item.

Schochenmeier and Senn presented several documents supporting the Commission's reconsideration to approve the state's match for the Pierre Regional Airport ARFF project. They are requesting:

Pierre 3-46-0044-036-2016

Design and construct aircraft rescue and fire-fighting building expansion.

Federal Share	\$ 2,180,000.00
State Share	\$121,111.11
Local Share	\$121,111.11
Total	\$ 2,422,222.22

The Department recommends approval of state assistance in the amount of \$121,111.11.

Motion by Vanderhule, second by Hauge, to approve the recommended state funding for the **Pierre 3-46-0044-036-2016**. Roll call vote was taken (all aye). 1 abstain (Luers). Motion carried.

Tom Koch, Office of Aeronautics
Consideration of bid for publication of the airport directory

The 2017-2018 Airport Directory bid came in at \$10,200.00. This is \$300.00 less than the previous publication.

The Department recommends approval for publication.

Motion by Funk, second by Noteboom, to approve the 2017-2018 airport directory bid of \$10,200.00 and publication.

Motion to by Funk, second by Noteboom to amend the motion to approve the publication of the airport directory to approve the 2017-2019 airport directory bid of \$10,200.00 and publication. This will extend the directory's publication from every two years to every three years. Roll call vote was taken (all aye). Motion carried.

Consideration of bid for publication of the aeronautical chart

The 2017-2018 aeronautical chart bid came in at \$17,793.00. This is an increase of \$9,408.00 over the previous publication.

The Commission discussed the validity of the use of this chart for today's pilots. It was concluded that the chart is no longer a useful aeronautical tool.

Motion by Hauge, second by Luers to discontinue the publication of the 2017-2018 Aeronautical Chart. Roll call vote was taken (all aye). Motion carried.

Consideration of the North Sioux City airport license renewal

Mr. Stephen Jones is asking the Commission for conditional approval to license his airport in 2017, as a South Dakota public approved airport. Recently, he has begun to rebuild 7K7 (Graham Field). This airport was last licensed in 2012.

The conditions for approval are as follows;

- Runway length shown on the FAA Airport Master Record Form 5010-1 for runway 15/33 is 5300 feet. The justifiable length of runway that the office of aeronautics would support is 2237 feet. This justification is based on South Dakota's minimum approach slope requirement of 20/1 and a transitional slope of 7/1 from the primary surface.
- The runway width shown on the 5010-1 is 36.0' CONC-TURF-G. The actual concrete width is 36' with a total useable width of 75.0'.
- Perform pavement maintenance on the entire runway surface consisting of routing and sealing all cracks.
- Repair of any uneven surfaces on apron and taxiway to prevent damage to aircraft.
- Place centerline pavement marking and enlarge runway designation markings.
- For daylight use only.

The Department recommends approval of the North Sioux City airport license provided the above conditions are met in a timely manner.

Motion by Hauge, second by Luers to approve the North Sioux City airport license provided SDDOT staff verify the above requirements have been met. Roll call vote was taken (all aye). Motion carried.

Jennifer Boehm, Office of Aeronautics Consideration of fuel tax requests

Three general aviation airports request the use of their fuel tax funds to pay for airport expenses. At this time, all airports have sufficient funds to cover their requests.

- Miller Municipal Airport
 - Purchase reflective markers
 - Request \$750.69 of their fuel tax funds to cover the cost

- Onida Municipal Airport
 - Reimburse a portion of the local share of costs for the 2016 AIP project
 - Request \$10,075.50 of their fuel tax funds to cover the cost
- Parkston Municipal Airport
 - Reimburse a portion of the costs to repair the fuel system
 - Request \$2,352.25 of their fuel tax funds to cover the cost

The Department recommends approval of these fuel tax requests.

Motion by Hauge, second by Luers to approve the fuel tax requests. Roll call vote was taken (all aye). Motion carried.

Jon Becker, Office of Aeronautics

The Department is requesting funding from the State Aeronautics Fund for the AIP project below.

SDDOT various airports pavement maintenance 3-46-4600-022-2016

Design and construct pavement maintenance and pavement markings for various South Dakota airports.

Federal Share	\$ 657,000.00
State Share	\$ 36,500.00
Local Share	\$ 36,500.00
Total	\$ 730,000.00

The Department recommends approval of state assistance in the amount of \$36,500.00.

Motion by Noteboom, second by Luers to approve state assistance in the amount of \$36,500.00 for **SDDOT various airports pavement maintenance 3-46-4600-022-2016**. Roll call vote was taken (all aye). Motion carried.

At this time, Chairman Vanderhule requested nominations for the new 2017-2018 Commission Chairman and Vice Chairman.

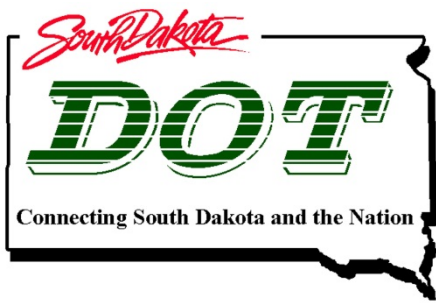

Nominated by Funk, second by Luers to appoint Odenbach as the 2017-2018 Commission Chairman. Nomination carried.

Nomination by Funk, second by Luers to appoint Hauge as the 2017-2018 Commission Vice Chairman. Nomination carried.

Adjourn

Motion by Luers, second by Hauge, to adjourn. Motion carried. Meeting adjourned at 4:00 PM.

2017 Groton Airport License Approval

The city of Groton is asking the commission to license their airport as a public approved airport. The city has recently done several improvements to get their airport up to state standards and specifications. The airport is now within compliance.

The Department recommends Commission approval to make the Groton Municipal Airport a public approved airport with the restriction of daylight use only.

APPLICATION FOR LICENSING OF AIRPORT / HELIPORT
STATE OF SOUTH DAKOTA

City of Groton hereby makes application for an operating license for the
Groton Municipal Airport/Heliport, as required by the South Dakota Codified Law
50-5-1. Said license to be for the purpose of operating the said Airport/Heliport as: (check one)

A public facility open to the public in the State of South Dakota.

A restricted use Airport/Heliport for private use only, not open to the public, in the State of South
Dakota.

The subject Airport/Heliport is located in Section 19, Township 124N, Range 60W
Brown County, South Dakota. Latitude 45-32-04.20 N, Longitude 98-05-42.90 W.

THEREFORE: Be It hereby requested that representatives of the South Dakota Aeronautics
Commission inspect the subject Airport/Heliport and issue an operating license authorizing the
City of Groton to operate the Groton Municipal Airport/Heliport in
the State of South Dakota.

Respectfully submitted on 12/22/2016

SUBJECT: Spearfish Fuel tax funding request

The Spearfish airport is requesting the use of \$10,882 of their fuel tax funds for the update of equipment for the AWOS-3. Their current balance is \$20,471. The request letter and cost information is attached.

The Department recommends approval of fuel tax funds in the amount of \$10,882.

December 19, 2016

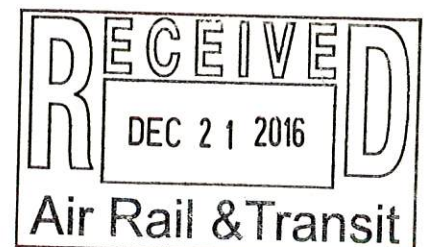

SD Aeronautics Commissioners:

In July of 2016 the AWOS system at Black Hills Airport failed and became erratic and intermittent. Due to the fact that we were right in the middle of the transfer of the airport from Lawrence county to the City of Spearfish, funding for this replacement was challenging to say the least. I visited with several of the Aeronautics Commissioners at that time and it seemed appropriate to request reimbursement for this upgrade using our fuel tax fund. Lawrence County has paid the included invoices totaling \$10,882 for these repairs and is hereby requesting reimbursement of those funds from the Black Hills airport "Fuel Tax " fund. Should you have any questions, feel free to call me anytime.

Sincerely,

Ray A. Jilek, Airport Manager
