Jason Dilges stated that the Board of Regents has not signed the memorandum of understanding for working with the OBC. Procedures for this process need to be defined. Jason Dilges moved that the write off requests be deferred until next month to give time to CGI, the debt collection agency, to analyze the requests and determine whether they are collectible. In addition it was moved that procedures would be developed for presentation and discussion at the next meeting. The motion was seconded by Rich Sattgast. A roll call vote was taken and the motion carried unanimously.
