The Series 2015A Bonds shall be issued in a principal amount not exceeding \$11,500,000.

The issuance of the Series 2015A Bonds shall be registered by the State Auditor and delivered and executed under and secured by the Bond Resolution. The First National Bank in Sioux Falls, Sioux Falls, South Dakota, is hereby designated as the Bond Registrar with respect

to the Series 2015A Bonds, and all transfers thereof shall comply with Section 2.5 of the Bond Resolution and this Thirty-Sixth Supplemental Resolution.

The Series 2015A Bonds shall be issued as fully registered bonds, shall be of the denomination of \$5,000 each, and any integral multiple thereof (but no single Bond shall represent principal maturing on more than one date), numbered from one upwards, and shall be in such amount, mature on such dates and bear interest per annum payable on each Interest Payment Date in such years, and be subject to optional and mandatory redemption as contemplated by the form of Bond included in this Resolution, subject to revision or supplementation, and completion of any blanks, as determined by the Chairman and Executive Secretary following consultation with the financial advisor to the Authority, and agreed to in the Bond Purchase Agreement (defined below) and/or otherwise specified in a bond order or notification of sale (the "*Notification of Sale*") approved by the Chairman and Executive Secretary and to be filed by the Executive Secretary with the Authority. In addition, the Authorized Officers are authorized to include in the Notification of Sale any covenants or other provisions related to any municipal bond insurance contemplated by the successful bidder. The Notification of Sale shall be deemed automatically incorporated into and shall become part of this Thirty-Sixth Supplemental Bond Resolution.

The Series 2015A Bonds shall be subject to optional and extraordinary redemption, as provided therein.

At least forty-five days prior to the redemption date, the Authority shall designate in writing to the Bond Registrar the principal amount and maturities of Series 2015A Bonds to be redeemed. If less than all of the Series 2015A Bonds of a maturity shall be called for redemption, the particular Series 2015A Bonds to be redeemed shall be selected by the Bond Registrar by lot in the principal amount designated to the Bond Registrar by the Authority; *provided, however*, that the portion of any Series 2015A Bonds to be redeemed shall be in integral multiples of \$5,000, and that, in selecting such Bonds for redemption, the Bond Registrar shall treat each Series 2015A Bond as representing that number of Series 2015A Bonds which is obtained by dividing the principal amount of such Bond by \$5,000 (such amount being hereinafter referred to as an applicable unit of principal amount). If it is determined that one or more, but not all, of the applicable units of principal amount represented by any such Series 2015A Bond is to be called for redemption, then, upon notice of intention to redeem such applicable unit or units, the Owner of such Bond, upon surrender of such Bond to the Bond Registrar for payment to such Owner of the redemption price of the applicable unit or units of principal amount called for redemption, shall be entitled to receive a new Series 2015A Bond or Series 2015A Bonds of the same tenor in the aggregate amount equal to the applicable unit or units of principal amount not called for redemption. Such new Series 2015A Bonds representing the applicable unit or units of principal amount, as the case may be, not called for redemption shall be issued to the Owner thereof, without charge therefor. If the Owner of any such Series 2015A Bond of a denomination greater than the applicable unit or units of principal amount called for redemption shall fail to present such Bond to the Bond Registrar for payment and exchange as aforesaid, such Series 2015A Bond shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the applicable unit or units of principal amount called for redemption (and to that extent only).

The principal amounts of Series 2015A Bonds to be mandatorily redeemed in each year, if any, may be reduced through the earlier optional redemption thereof, with any partial optional redemptions of such Series 2015A Bonds credited against future sinking fund requirements in such order of the sinking fund payment dates with respect to the Series 2015A Bonds as the Authority may determine.

Each Series 2015A Bond shall be dated as of the Interest Payment Date to which interest has been paid or provided for next preceding its date of issue, unless issued on an Interest Payment Date to which interest has been paid or provided for, in which event it shall be dated as of such Interest Payment Date, *provided, however*, that it shall be initially dated as of such date as determined by the Chairman and Executive Secretary as evidenced by the Bond Purchase Agreement or Notification of Sale.

Each Series 2015A Bond shall bear interest from its date until the principal amount of such Bond is paid, such interest (computed upon the basis of a 360-day year of twelve 30-day months) being payable on each Interest Payment Date. The principal of the Series 2015A Bonds shall be payable in lawful money of the United States of America upon presentation and surrender at the principal corporate trust office of the Bond Registrar, or the successor serving as Bond Registrar. Interest on each Series 2015A Bond shall be paid by check or draft of the Bond Registrar, in lawful money of the United States of America, to the person in whose name such Series 2015A Bond is registered as of the close of business on the fifteenth day of the calendar month next preceding the interest payment date (whether or not a business day). If \$500,000 principal amount or more of the Series 2015A Bonds are registered in the name of a single owner or nominee thereof, the Bond Registrar will, upon written request from such registered owner or its nominee, given by the close of business on the fifteenth day of the calendar month next preceding an interest payment date (whether or not a business day), thereafter until otherwise notified in writing, cause all subsequent payments of interest on the Series 2015A Bonds, registered in the name of such owner or its nominee, to be made to the registered owner or its nominee at such address in the continental United States as shall be specified by such registered owner or its nominee in such written request; such payments of interest shall be by wire transfer in immediately available funds on each such date that interest is due, *provided* that the party to receive such payments of interest has facilities for the receipt of such payments in the manner directed.

The Bond Registrar shall not be required to transfer or exchange the Series 2015A Bonds (i) during the period after the fifteenth day of the month next preceding any interest payment date and ending on such interest payment date, (ii) after notice calling the Series 2015A Bonds for redemption has been mailed or (iii) during a period of fifteen days next preceding mailing of a notice of redemption of the Series 2015A Bonds.

Section 5. Registration. Each Series 2015A Bond will initially be issued in the form of a separate single fully registered Series 2015A Bond, as applicable, for each of the maturities of such Series 2015A Bonds as provided in Section 4 hereof, and the ownership of each such Series 2015A Bond shall be registered in the Bond Register in the name of Cede & Co., or any successor thereto ("*Cede*"), as nominee of The Depository Trust Company, New York, New York, and its successors and assigns ("*DTC*"). All of the outstanding Series 2015A Bonds shall

be registered in the Bond Register in the name of Cede, as nominee of DTC, except as hereinafter provided. The Executive Secretary is authorized to execute and deliver on behalf of the Authority such letters to or agreements with DTC and the Bond Registrar as shall be necessary to effectuate such book-entry system (any such letter or agreement being referred to herein as the "*Representation Letter*").

With respect to Series 2015A Bonds registered in the Bond Register in the name of Cede, as nominee of DTC, the Authority and the Bond Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which DTC holds Series 2015A Bonds from time to time as securities depository (each such broker-dealer, bank or other financial institution being referred to herein as a "*DTC Participant*") or to any person on behalf of whom such a DTC Participant holds an interest in the Series 2015A Bonds. Without limiting the immediately preceding sentence, the Authority and the Bond Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede or any DTC Participant with respect to any ownership interest in the Series 2015A Bonds, (ii) the delivery to any DTC Participant or any other person, other than a registered owner of a Series 2015A Bond as shown in the Bond Register, of any notice with respect to the Series 2015A Bonds, or (iii) the payment to any DTC Participant or any other person, other than a registered owner of a Series 2015A Bond as shown in the Bond Register, of any amount with respect to principal of, premium, if any, or interest on the Series 2015A Bonds. The Authority and the Bond Registrar may treat and consider the person in whose name each Series 2015A Bond is registered in the Bond Register as the holder and absolute owner of such Series 2015A Bond for the purpose of payment of principal, premium, if any, and interest with respect to such Series 2015A Bond, for the purpose of giving notices of any matters with respect to such Series 2015A Bond, for the purpose of registering transfers with respect to such Series 2015A Bond, and for all other purposes whatsoever. The Bond Registrar shall pay all principal of, premium, if any, and interest on the Series 2015A Bonds only to or upon the order of the respective registered owners of the Series 2015A Bonds, as shown in the Bond Register, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the Authority's obligations with respect to payment of principal of, premium, if any, and interest on the Series 2015A Bonds to the extent of the sum or sums so paid. No person other than a registered owner of a Series 2015A Bond as shown in the Bond Register, shall receive a Series 2015A Bond certificate evidencing the obligation of the Authority to make payments of principal, premium and interest with respect to any Series 2015A Bond. Upon delivery by DTC to the Bond Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede, and subject to the provisions hereof with respect to the payment of interest by the mailing of checks or drafts to the registered owners of Series 2015A Bonds at the close of business on the 15th day of the month next preceding the applicable interest payment date, the name "Cede" in this Twenty-Ninth Supplemental Resolution shall refer to such new nominee of DTC.

In the event that (i) the Authority determines that DTC is incapable of discharging its responsibilities described herein and in the Representation Letter, (ii) the agreement among the Authority, the Bond Registrar and DTC evidenced by the Representation Letter shall be terminated for any reason or (iii) the Authority determines that it is in the best interests of the beneficial owners of the Series 2015A Bonds that they be able to obtain certificated Series

2015A Bonds, the Authority shall notify DTC and DTC Participants of the availability through DTC of such Series 2015A Bond certificates and the Series 2015A Bonds shall no longer be restricted to being registered in the Bond Register in the name of Cede, as nominee of DTC. At that time, the Authority may determine that such Series 2015A Bonds shall be registered in the name of and deposited with such other depository operating a universal book-entry system, as may be acceptable to the Authority, or such depository's agent or designee, and if the Authority does not select such alternate universal book-entry system, then such Series 2015A Bonds may be registered in whatever name or names registered owners of such Series 2015A Bonds transferring or exchanging such Series 2015A Bonds shall designate, in accordance with the provisions hereof.

Notwithstanding any other provision of this Thirty-Sixth Supplemental Resolution to the contrary, so long as any Series 2015A Bond is registered in the name of Cede, as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Series 2015A Bond and all notices with respect to such Series 2015A Bond shall be made and given, respectively, in the manner provided in the Representation Letter.
