*The VAFA board meets monthly to approve/deny applications and to issue bonds for the **Beginning Farmer Bond Program (BFBP), Agribusiness Bonding Program (AgBBP), and Livestock Nutrient Management Bond Program (LNMBP)**. These programs enable lenders and individuals to receive federally tax-exempt interest with respect to a loan or contract sale. The **Value Added Agribusiness Relending Program (VAARP)** assists with the establishment of new business, expansion of existing business, and creation of employment opportunities for agricultural related businesses. VAFA also administers the **Value Added Sub Fund (VASF)** which assists in financing feasibility studies, business plans, and other business development functions for the development and promotion of value added agriculture in South Dakota.*
