TO: South Dakota Aeronautics Commission

FROM: Jack Dokken, Office of Aeronautics

DATE: May 18, 2017

SUBJECT: Aeronautics Education and materials

Each year a number of aviation day events, STEM conferences and activities, and job fairs take place in South Dakota. Attached are examples of what might be done to promote aviation, advertise flying scholarships and activities.

South Dakota pilots might use flash drives to show videos, teach concepts and inform about aviation organizations and schools. Then students can be given flash drives with the information promoting aviation.

Quotes for flash drives are also attached.
