Meeting Protocol

- ❑ Be prompt in attending Board of Vocational Rehabilitation (Board) and committee meetings.
- ❑ Only one person speaks at a time. In order to obtain the floor and address the Board, all in attendance – members, staff and public – must be recognized by the Chairperson and given permission to do so.
- ❑ To gain recognition of the chairperson, raise your hand and/or address the Chairperson as appropriate i.e., Mr. Chairperson; Ms. Chairperson.
- ❑ If two or more members seek recognition of the chairperson at the same time, the chairperson will determine the order in which they will be invited to address the Board.
- ❑ If a person has already spoken to the issue, and wishes to speak to it again, others who have not yet spoken to it will first be given the opportunity to speak.
- ❑ Private conversations are not to be conducted during the meeting. The chairperson has the authority to ask others, who have not been given the floor, to refrain from talking while someone else has the floor (this is true for all in attendance – members; staff; public).
- ❑ Remind participants that this is the time to say something, if they have something to say. It will do little good for them to express their dissatisfaction with what was said or agreed upon after the meeting is over.
- ❑ People need to speak on the subject being discussed.
- ❑ Comments and discussions need to address issues.
- ❑ Listen alertly and with an open mind.
