MEMORANDUM

TO: Michael Behm, Director
 Division of Planning and Engineering

FROM: Laurie Schultz, Program Manager
 Administration Program

SUBJECT: Consideration of Community Access and Agri-Business Grant applications

1. COMMUNITY ACCESS GRANTS

The attached spreadsheet lists the Community Access Grant applications that are recommended for approval by the Transportation Commission at their November meeting.

2. AGRI-BUSINESS GRANTS

In addition, we received an Agri-Business Grant application that is recommended for consideration:

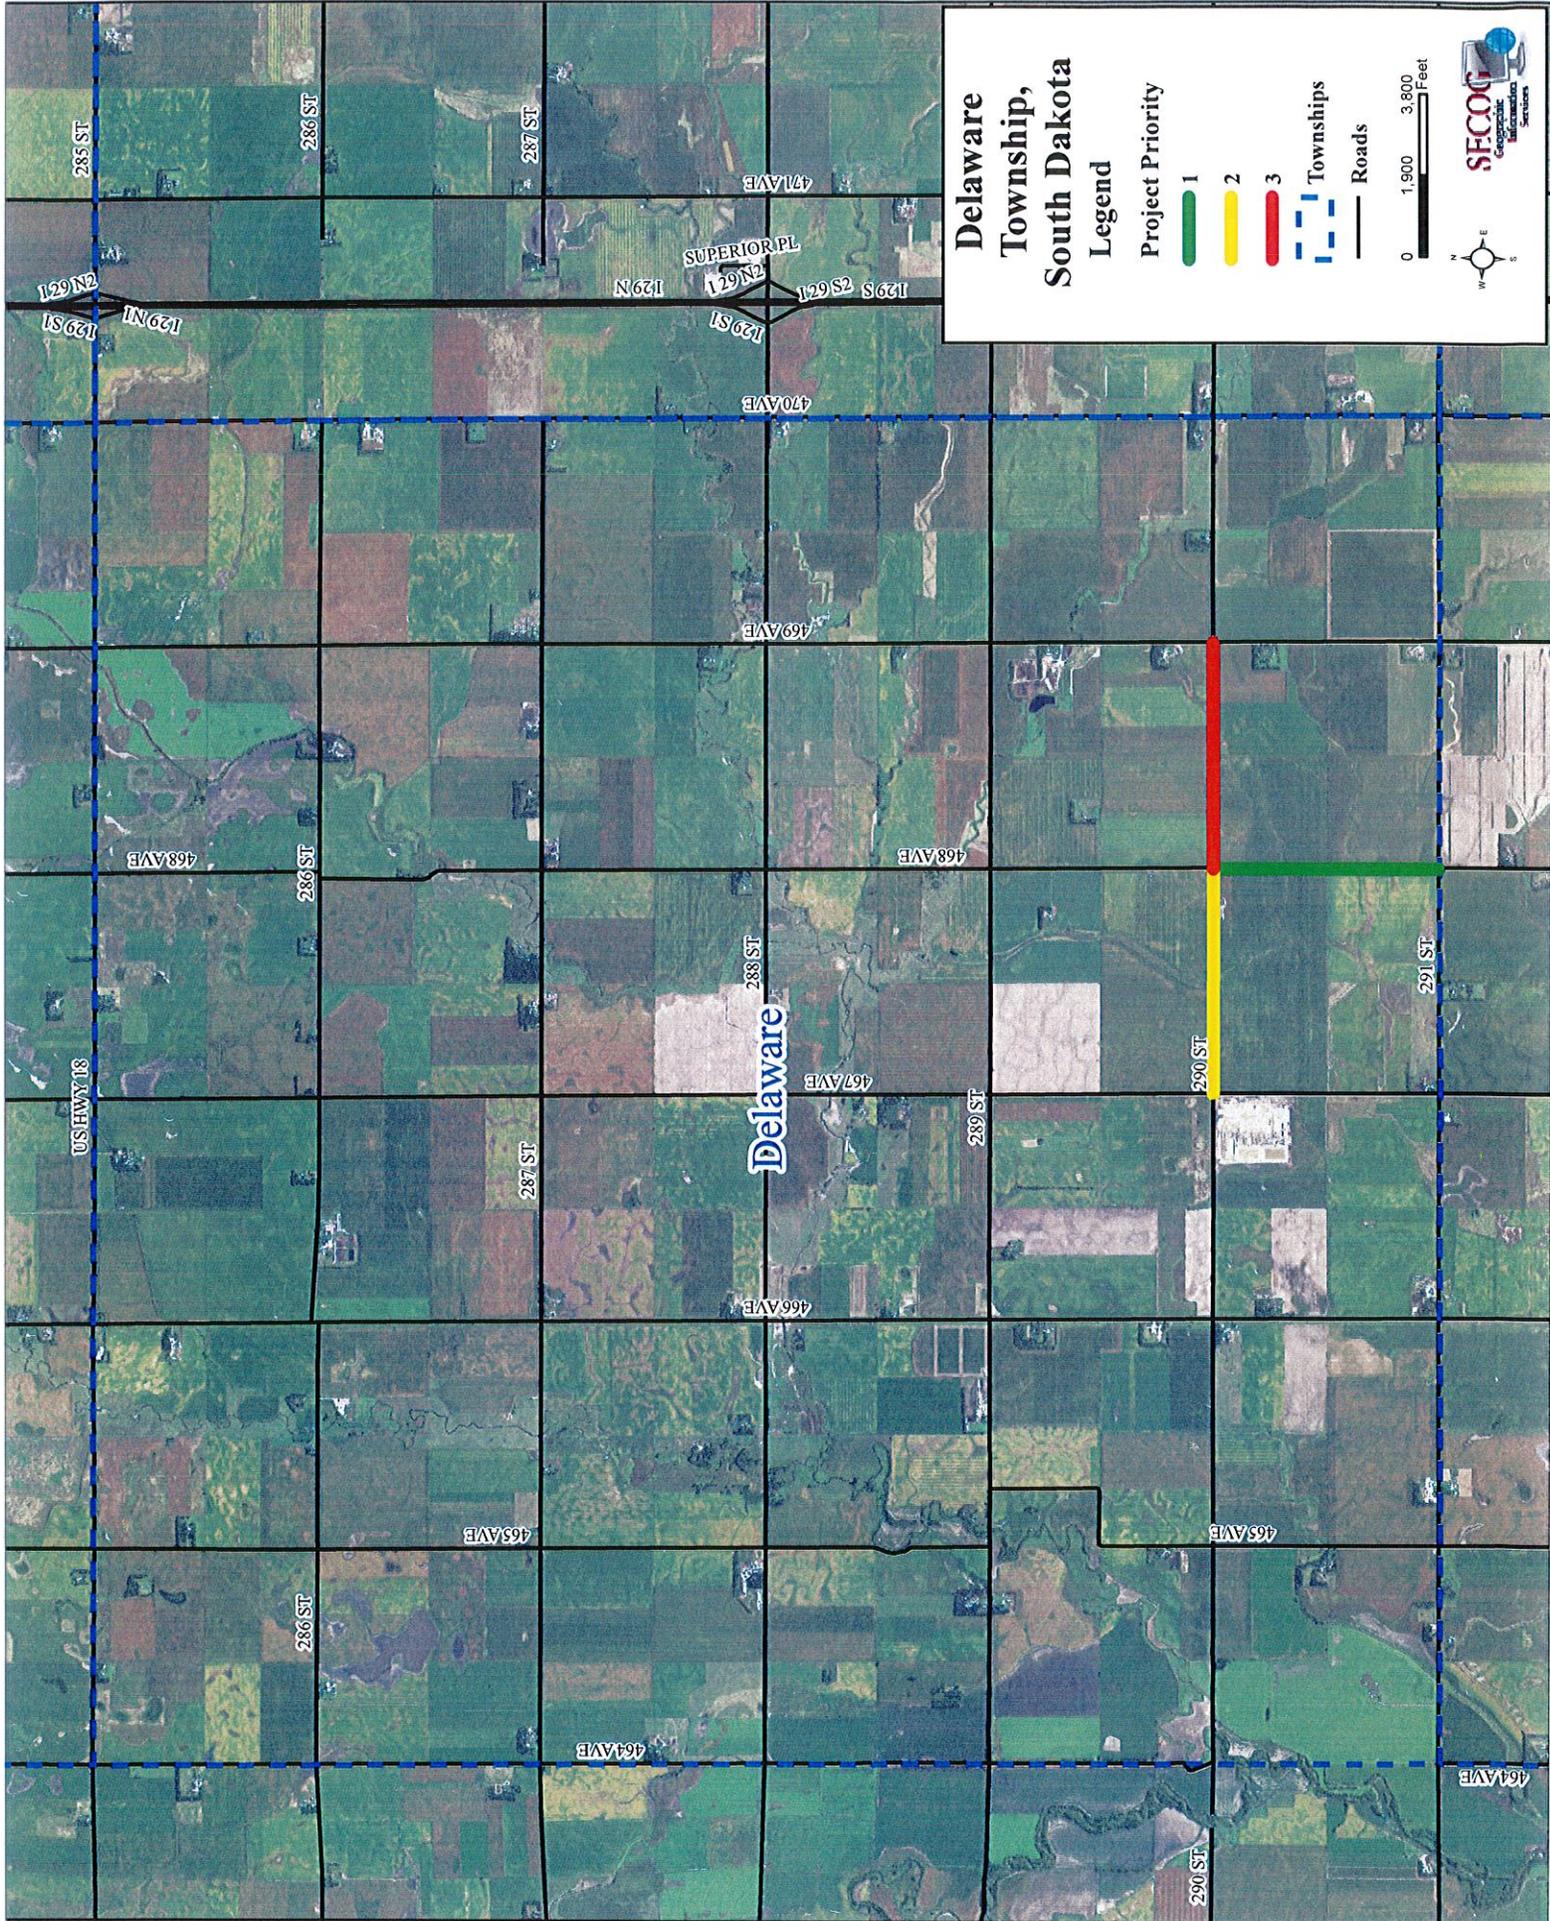

- **Lincoln County**
 The county is requesting \$400,000 for the reconstruction of 468th Avenue and 290th Street to handle increased truck and vehicular traffic for the new Dakota Plains Dairy.
 The capital investment for the facility is \$30 million. The dairy will employ 89 people.

Previous Agri-business grant approved was \$23,460 for Moody County.

3. GRANT FUNDING SUMMARY

Due to the lack of applications in the Industrial Park Grant category, and the small amount of applications for the Agri-Business category, we recommend shifting the remaining available funds to the Community Access Grant category.

| Summary of 2017 Economic Development Grant Program | | |
|---|----------------------|------------------------------|
| | Allocation | Recommended for Award |
| Community Access | \$2.5 million | \$3.469 million |
| Agri-Business | \$1.0 million | \$0.42346 million |
| Industrial Park | \$0.5 million | \$0 |
| TOTAL | \$4.0 million | \$3.89246 million |

Delaware Township, South Dakota
