SUBJECT: Application for State operating license for Kevin Braun's Braun Airport.

Kevin Braun is requesting commission approval for a State airport license to operate the Braun airport as a restricted for private use only airport. The proposed landing strip is .81 miles West South West of the Aberdeen Regional Airport. Due to this proximity from the Aberdeen airport the operator has agreed to the following safety procedures:

- 1) No flights will be conducted if the weather at the Aberdeen Regional Airport is IFR.
- 2) No nighttime operations will be conducted.
- 3) If weather conditions are favorable all departing and arriving flights are to be made to the west/southwest.
- 4) The use of the Aberdeen Airport CTAF is to be used if possible for all fights.

The Department is recommending commission approval conditional upon a favorable FAA airspace determination.

APPLICATION FOR LICENSING OF AIRPORT / HELIPORT
STATE OF SOUTH DAKOTA

Kevin Braun hereby makes application for an operating license for the
Braun Airport/Heliport, as required by the South Dakota Codified Law

50-5-1. Said license to be for the purpose of operating the said Airport/Heliport as: (check one)

A public facility open to the public in the State of South Dakota.

A restricted use Airport/Heliport for private use only, not open to the public, in the State of South Dakota.

The subject Airport/Heliport is located in Section 29, Township 123, Range 63
Brown County, South Dakota. Latitude 45.4348, Longitude -98.4440.

THEREFORE: Be It hereby requested that representatives of the South Dakota Aeronautics
Commission inspect the subject Airport/Heliport and issue an operating license authorizing the
Owner (Kevin Braun) to operate the Braun Airport/Heliport in
the State of South Dakota.
