RE: January 2018 SD Aeronautics Commission Update

Dear Aeronautics Commissioners:

I wanted to take this opportunity to again thank you for investing in promoting aviation and airports across the state of South Dakota. The SDSU Aviation Mobile Simulator was funded by the Aeronautics Commission in the April 2016 meeting in Deadwood, SD. Since that time, we have purchased the simulator, configured it in the trailer, trained operators, and now are in the promotion phase of the grant that ends December 2018.

Over the last year, we have been busy throughout the state of South Dakota! Here are the events that we have participated in:

JROTC visit from Ellsworth Mitchell Airport Conference Spearfish Civil Air Patrol Spearfish High School Sioux Falls Career and Technical Education Academy (5 times) Hot Harley Nights-Sioux Falls Brookings Middle School Wessington Springs High School Girl Scout B.I.G event-Sioux Falls Women in Science- Yankton	Boy Scouts Aviation Merit Badge (Sioux Falls troop) Women in Science-Sioux Falls Brookings Civil Air Patrol South Dakota FFA week-Brookings Cheyenne/Eagle Butte High School Sioux Falls Home School Tour Group All about Science- Sioux Falls ACE Camp SDSU Honors Camp Brookings High School
---	---

We have reached over 1,800 people with 1,225 documented training events, logging over 300 hours between January 2017 and January 2018. We are scheduled to participate in multiple events this year including events in Harrisburg, Sioux Falls, Eagle Butte, and Pierre.

Thank you again for your commitment to furthering aviation in South Dakota! If you have a questions, please let me know.

Sincerely,

Dr. Cody Christensen  
 Program Coordinator SDSU Aviation
