Laurie Schultz updated the Commission on the Bridge Improvement Grant Fund (BIG) applications received thus far. There have been 99 applications. Staff is reviewing all the applications to ensure they have a five year plan and the requested bridges improvements are in the plan. The applications came from seven cities and 30 counties. There are three categories of Bridge Improvement Grants: Preliminary Engineering; Preservation and Replacement. There is \$9 million available for the grants. The grant requests totaled \$16.8 million, with the DOT share at \$13.44 million. Staff will present their recommendations on the awards to the Commission by their April meeting.
