House Bill 1014 (*Sturgis land purchase*)

Sturgis Land Purchase HB 1014

The Meade County School District approached the SD National Guard about purchasing 30 acres of land directly adjacent to the armory there. This parcel will make a tremendous training area for our heavy equipment operators, and could also be used as a staging area for Sturgis Rally response.

Proposed Sturgis Land Purchase

Sturgis Land Purchase

An appraisal completed on August 27th for this parcel determined the market value of the property to be \$12,000 per acre.

30 acres x \$12,000 = \$360,000

A purchase agreement setting the price at \$360,00 has been signed (contingent on the appropriation of purchase funds).
