Maximizing Justice Reinvestment Grant Intermediate Correctional Intervention Program (ICIP)

Project Goals & Target Population

- ▶ Target population = prison-bound adult female offenders from Pennington County.
 - “program will further justice reinvestment by diverting Pennington County females from prison, prevent return to prison”

- ▶ Goals
 - “Reduce corrections costs by reducing unnecessary prison confinement.
 - “Expand and promote collaboration among those working in the criminal justice system to support justice reinvestment.
 - “Use evidence-based practices to reduce recidivism and prevent reincarceration.”

- ▶ Preference is for those admitted to the program to be probation violators needing an intensive intervention as an alternative to prison admission.

- ▶ As space allows, parole violators could also be placed in the program.

Female Inmate Population Considerations

In 2015, South Dakota ranked #6 in the nation in female incarceration rates.
