

**Priority Area:** Evidence-Based Practices

**Priority Type:** Substance Abuse Treatment (SAT), Mental Health Services (MHS)

**Priority Population:** SMI, SED, PWWDC, ESMI, PWID, TB, Other

**Goal:** Support and expand evidence-based practices (EBPs) in the State of South Dakota and ensure fidelity monitoring is in place. In addition, maintain a registry of the EBPs supported through the Division of Behavioral Health (DBH).

**Objective:** Develop a registry and expand EBPs by supporting training, consultation, and technical assistance needs.

**Strategy:** The DBH will create an inventory of current EBPs and identify fidelity practices. The DBH will identify gaps in the EBPs and work to increase in areas identified as having gaps.

**Annual Performance Indicator:** Increase in agencies providing EBPs with fidelity monitoring in place. The inventory list has been completed.

**Baseline Measurement:** None at this time.

**First-year target/outcome measurement:** In SFY 2018, increase agencies providing an EBP model by 3 agencies.

**Second-year target/outcome measurement:** In SFY 2019, increase agencies providing an EBP model by 3 agencies.

**Data Source:** The DBH

**Description of Data:** The DBH will track the number of trainings completed; number of EBPs and number of agencies providing EBP.

**Data Issues:** None at this time.
