

Priority Area: Suicide Prevention

Priority Type: Mental Health Services (MHS)

Priority Population: PP

Goal: Provide support and training to health and behavioral health agencies in addressing suicide.

Objective: Implement the Zero Suicide approach through trainings and/or learning community calls with at least 20 health and behavioral health providers.

Strategy: The Division of Behavioral Health (DBH) will coordinate with a chosen entity to provide trainings and/or facilitate learning community calls with health and behavioral health providers to support providers in implementing the Zero Suicide model.

Annual Performance Indicator: The DBH will choose an entity to conduct Zero Suicide trainings and/or community calls with at least 20 health and behavioral health providers.

Baseline Measurement: None at this time.

First-year target/outcome measurement: By the end of SFY 2018, the DBH will have identified an entity that will conduct Zero Suicide trainings/community learning calls with at least 10 health and behavioral health providers.

Second-year target/outcome measurement: By the end of SFY 2019, the identified entity will have conducted Zero Suicide training/learning community calls with at least 10 health and behavioral health providers.

Data Source: The DBH.

Description of Data: The DBH will monitor the number of trainings and community learning calls conducted.

Data Issues: None at this time.
