RE: South Dakota Iran Scrutinized Companies List

Members of the Investment Council:

In 2010, the South Dakota Legislature enacted SDCL 4-5-48 through 4-5-60, which provides for the divestiture of state investment funds in certain companies liable to sanctions under the Iran Sanctions Act of 1996. SDCL 4-5-48 through 4-5-60 requires the South Dakota Investment Council (SDIC) to identify and compile a list of scrutinized companies engaged in scrutinized business operations and provides a process, if certain conditions are met, to divest from such companies.¹

The South Dakota Iran Scrutinized Companies List is set forth on page 2.² SDCL 4-5-51 requires the SDIC to “update the scrutinized companies list each quarter based on continuing information.” To satisfy this requirement, the SDIC utilizes the public list provided by the State Board of Administration of Florida (“SBA”) to determine South Dakota’s list.

On February 24, 2026, the SBA’s Iran Scrutinized Companies List was updated with no changes from their December 17, 2025 report.

Recommendation: SDIC staff recommends no changes to the South Dakota Iran Scrutinized Companies List at the April 16, 2026 Council meeting.

The SDIC will continue to monitor changes to the Federal sanctions law or its application to determine the effect on the South Dakota Iran Scrutinized Companies List.

¹ SDCL 4-5-48(8) defines the term, scrutinized business operations, as “all active business operations that are subject or liable to sanctions under Public Law 104-172, as amended, the Iran Sanctions Act of 1996, and that involve the maintenance of a company's existing assets or investments in Iran, or the deployment of new investments to Iran that meet or exceed the twenty million dollar threshold referred to in Public Law 104-172, as amended, the Iran Sanctions Act of 1996. The term does not include the retail sale of gasoline and related products[.]”

² For disclosure purposes, SDCL 4-5-57 allows the SDRS to invest indirectly in companies on the list through pooled funds; however, as of this date, SDRS does not currently have any externally managed pooled funds that would be invested in any company on the list.
