MEMORANDUM

TO: South Dakota Investment Council
FROM: Matthew L. Clark, CFA, State Investment Officer
Samantha Rains, CPA, Chief Financial Officer
DATE: August 5, 2026
RE: South Dakota Iran Scrutinized Companies List

Background

In 2010, the South Dakota Legislature enacted SDCL 4-5-48 through 4-5-60, which provides for the divestiture of state investment funds in certain companies liable to sanctions under the Iran Sanctions Act of 1996. These statutes require the South Dakota Investment Council (SDIC) to identify and maintain a list of scrutinized companies engaged in scrutinized business operations and provide a process for divestiture when certain conditions are met.¹

Quarterly Update Process

Per SDCL 4-5-51, the SDIC is required to “update the scrutinized companies list each quarter based on continuing information.” To satisfy this requirement, the SDIC utilizes the public list provided by the State Board of Administration of Florida (“SBA”) to determine South Dakota’s list. The South Dakota Iran Scrutinized Companies List is set forth on page 2.²

The SBA’s Iran Scrutinized Companies List was last updated on June 9, with four additions - all of which are majority-owned subsidiaries of the scrutinized parent company, Power Construction Corporation of China Ltd. The four companies are: PowerChina Eco-Environmental Group Co Ltd, PowerChina Resources Ltd, Sinohydro Foundation Engineering Co Ltd, and SOCOL Corp Ltd.

Staff Recommendation

SDIC staff recommends adding PowerChina Eco-Environmental Group Co Ltd, PowerChina Resources Ltd, Sinohydro Foundation Engineering Co Ltd, and SOCOL Co Ltd. to the South Dakota Iran Scrutinized Companies List at the August 26, 2026, Council meeting.

Ongoing Monitoring

The SDIC will continue to monitor changes to the Federal sanctions law or its application to determine the effect on the South Dakota Iran Scrutinized Companies List.

¹ SDCL 4-5-48(8) defines the term, scrutinized business operations, as “all active business operations that are subject or liable to sanctions under Public Law 104-172, as amended, the Iran Sanctions Act of 1996, and that involve the maintenance of a company's existing assets or investments in Iran, or the deployment of new investments to Iran that meet or exceed the twenty million dollar threshold referred to in Public Law 104-172, as amended, the Iran Sanctions Act of 1996. The term does not include the retail sale of gasoline and related products[.]”

² For disclosure purposes, SDCL 4-5-57 allows the SDRS to invest indirectly in companies on the list through pooled funds; however, as of this date, SDRS does not currently have any externally managed pooled funds that would be invested in any company on the list.
