

**SOUTH DAKOTA TECHNICAL COLLEGE SYSTEM
GRADUATE OUTCOMES REPORT**

INTRODUCTION

INTRODUCTION TO SOUTH DAKOTA TECHNICAL COLLEGE SYSTEM

In 2017, the South Dakota Board of Technical Education (BOTE) was created with the chartering statute, SDCL 13-39A, which establishes the key functions and authorities of the board. The Board of Technical Education leads and supports the technical college system, comprised of Lake Area Technical College (LATC) in Watertown, Mitchell Technical College (MTC) in Mitchell, Southeast Technical College (STC) in Sioux Falls, and Western Dakota Technical College (WDTC) in Rapid City.

Local governing boards oversee the administration of a technical college's day-to-day operations. More specifically, this includes, but is not limited to: fiscal oversight, including college-level budget approval and local fee-setting; academic program management; local policy setting and implementation; personnel management; and construction execution.

PURPOSE OF REPORT

The Graduate Outcome Report evaluates technical college graduate outcomes following the completion of one or more credentials. Credentials include credit-bearing certificates, diplomas, and associate of applied science degrees.

Graduate outcomes are a key performance indicator of the South Dakota Technical College System, enabling campus and system leaders to evaluate the efficiency and effectiveness of academic programs. Additionally, graduate outcomes enable students to evaluate the return on investment of postsecondary education by career cluster (industry) and by program.

POSTSECONDARY EMPLOYMENT OUTCOMES (PSEO)

Starting in AY 2021-2022 (FY22), the South Dakota Technical College System is participating in the United States Census Bureau's Postsecondary Employment Outcomes (PSEO) initiative. PSEO enables institutional and system leaders to evaluate longitudinal outcomes. Additional information can be found at: <https://lehd.ces.census.gov/applications/pseo/>.

METHODOLOGY

Each technical college gathers placement data through graduate surveys, faculty-collected outreach, and phone surveys starting six months after graduation. South Dakota Department of Labor and Regulation data may also be used for supplementation and/or validation.

While technical colleges strive for reliability and validity, as with any type of data collection, limitations exist. Self-reported survey data, and unemployment insurance records, are subject to variance.

Student data are reported to the South Dakota Board of Technical Education in aggregate form, maintaining the confidentiality of all individuals, and in accordance with the appropriate data governance protocols. Accordingly, cohort sizes of five (5) or fewer students are redacted.

FOOTNOTE REFERENCES:

*No data available.
^^ "Total Program Awards" reflects the total number of program awards conferred per program whereas "Unduplicated Graduate" represents unique graduates per program. Students who earn more than one credential are reflected in the program that most aligns with their placement.
** Total Employable = "Number Responding" - "Continuing Education" - "Not in Labor Market"
***Average Hourly Salary is calculated on wages reported by graduates employed in the field only. Wage figures are self-reported and subject to variance. Figures may not include bonuses, overtime, and/or self-employed earnings.
***Average Hourly Salary by System, institution, or Career Cluster:
First: [@[Avg Hourly Salary^^(In-Field Only)]] * [@[# with Reported Wage Information]]. Then: "=[Sum of Avg. Hourly Salary ' / # with Reported Wage Information'.
^"Not in Labor Market" is self-reported status and includes such cases as chronic illness, raising families, severe injury, and/or other extenuating circumstances.

FORMULAS:

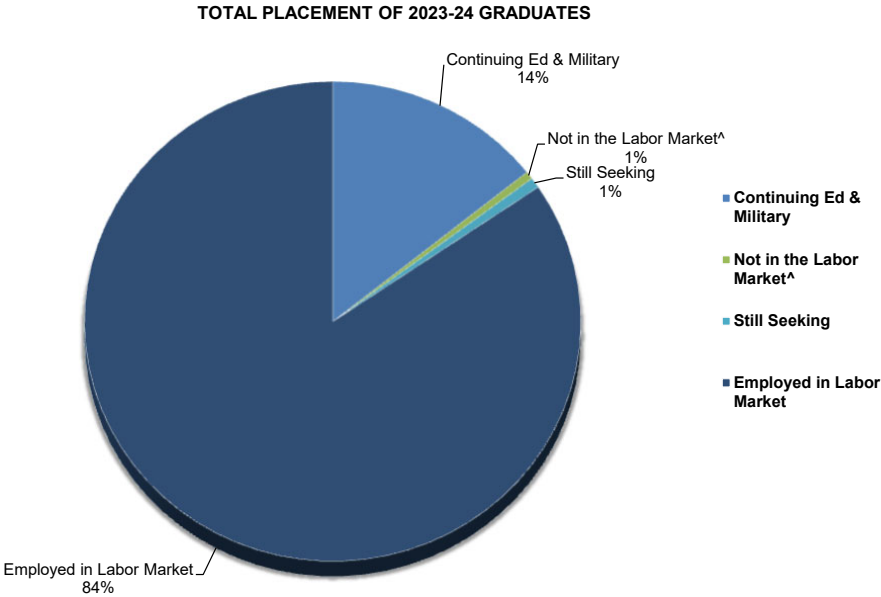

% Employed = 'Total Employed' / 'Total Employable****'
% Employed in Field = 'Employed in Field' / 'Total Employed'
% Employed in SD = 'Employed in SD' / 'Total Employed'
% Employed in Field in SD = 'Employed in Field in SD' / 'Employed in Field'
% Total Placed = (Employed + Continuing Education & Military) / (Graduates Responding - Not in Labor Market); NOTE: Placement is calculated out those responding to survey, not all graduates)
