## **Canton Parcel**

This Canton Parcel was submitted on 4.28.25. We are presently researching information on utilities but the landowner expressed support in selling and we will do additional research.

- 218 acres split between three parcels.
- A small season stream is on the south end but approximately 131.9 acres is north of the creek/flood plain.
- Owner is willing to negotiate sale of all or part along with price.
- Staff drawn measurement below. Land north of 100 year flood plain.
