Re: GPAICB move from IC&RC to NAADAC

Dear Jennifer,

I am writing to inform you of an upcoming change with our credentialing board. During a Special Session held on July 15, 2022, a discussion was held on the feasibility and benefits of withdrawing as a service member board from the International Certification & Reciprocity Consortium (IC&RC) and move to become an organization member with the National Association for Alcoholism and Drug Abuse Counselors (NAADAC). A motion was made and passed to begin this transition during our special session.

I will be putting forth a tentative timeline to our board members at our next quarterly meeting, scheduled on October 14th. I will lay out steps the GPAICB will take to ensure as smooth a transition as possible for all certified professionals, state, and tribal stakeholder we are affiliated with and represent. I'll keep you informed of our plans and progress as we move forward.

It is the goal and commitment of the GPAICB to expand professional development and professional recognition of American Indian professionals in the field of addiction and recovery support services. Tribal communities in the Great Plains region will benefit from an abundance of valued, professionally certified workers serving to increase healthy persons, families, and communities.

Please feel free to contact me with any questions or concerns you may have with this transition. We look forward to SD BAPP's ongoing support and advice as we continue to grow as an American Indian credentialing board in the Great Plains region. We appreciate our mutually respectful relationship.

Sincerely,

Dee Le Beau-Hein, MS
