- d. **Clinical Enrichment Program Request:** Burg presented a request from Sanford Health’s Clinical Enrichment Program (CEP) for an exception to the rule in ARSD 20:48:07.01 on preceptor work experience and student ratio. Sanford Health is experiencing growing demand for preceptors for CEP students, nursing education clinical rotations, and newly hired nurses. They often have nurses with 9-12 months of experience who would make excellent preceptors for CEP students. More experienced nurses could easily precept two CEP students at one time. Motion by Tschetter to allow staff to approve a clinical enrichment program’s request for an exception to ARSD 20:48:07.01:02 if the program submits a policy that describes the institution’s selection, evaluation, and reappointment of preceptors, including preceptor educational preparation, experience, and competence in nursing practice, and requires preceptors to meet the following qualifications:

- 1) Hold an active unencumbered nursing license or privilege to practice in this state;
- 2) Complete education on preceptor roles and responsibilities, clinical enrichment program objectives, and student evaluation methods;

- 3) Be licensed at or above the licensure level for which the student employee is preparing;
- 4) Be employed a minimum of 1,040 hours in the same nursing practice setting to precept one student; or
- 5) Be employed at least 2,080 hours in the same nursing practice setting to precept two students at the same time.

Second by Buchholz. Motion carried.

11. Nursing Practice:

- a. **CNM Out-of-Hospital Report:** Olson presented the 2023 report on out-of-hospital (OOH) births that were attended by 12 of the 18 CNMs who were approved by the BON to attend OOH births, and who agreed to comply with the BON’s OOH Practice Guidelines. Overall, since 2008, 1,132 women requested an OOH birth, 86.8% delivered OOH, 7.3% were referred for a hospital birth, and 5.8% were transported during labor to a hospital. In 2023, a total of 228 women requested an OOH birth from a CNM, 203 delivered OOH, 15 were referred for a hospital birth, and 10 were transported during labor to a hospital.
- b. **Request to Approve Practice Statement: Delegation of Oxygen Administration by Licensed Nurses.** Olson presented a request from Sanford Dialysis to allow delegation of oxygen administration via nasal cannula to dialysis technicians. The ability to delegate this task in other settings was also discussed with the Board. Motion by Buchholz that the South Dakota Board of Nursing determined that a licensed nursing may delegate the administration of oxygen via nasal cannula to a nursing assistant in accordance with the delegation and supervision requirements in ARSD 20:48:04.01:01 and 20:48:04.01:02. Second by Bowar. Motion carried.

- c. **Request to Approve Practice Statement: Wound Care Certification.** Olson presented a request from Monument Health asking the Board to allow a RN who has been performing conservative sharp wound debridement (CSWD) prior to the new rule, ARSD 20:48:04:01.01 (6), becoming effective on December 10, 2023, to be allowed to continue to perform CSWD. Krycil from Monument Health provided comments in support of the request. Motion by Tschetter to adopt the following statement on wound care certification: a registered nurse who performed conservative sharp wound debridement (CSWD), as defined in 20:48:04:01.01 (6), and who was performing CSWD prior to December 10, 2023, may continue to perform CSWD as allowed by agency policy. The registered nurse is encouraged to obtain wound care certification by July 1, 2025. Second by Gabriel. Motion carried.

- b. **2024 Center for Nursing Workforce Symposium:** Olson provided an update on the event to be held May 22, 2024, in Sioux Falls at the Hilton Garden Inn Downtown. The CNW, SDNA, and Nursing Education Deans & Directors will co-host the event; it will feature keynote speaker Dr. Nelda Godfrey. The event convenes nurses, and others interested, to make recommendations for strategic action and to evaluate effectiveness of actions implemented, pursuant to SDCL 36-9-96(1).

13. Policy:

- a. **2024 South Dakota Legislative Session Update:** Young provided an overview of bills introduced in South Dakota’s 2024 legislative session that may impact the Board or nursing practice; including the passage of House Bill 1013, an act to adopt the advanced practice registered nurse (APRN) licensure compact. Seven states must adopt the compact before it can be implemented; currently three other states have adopted the APRN compact.
- b. **2024 Promulgation of Rules: ARSD 20:48:** Burg presented a request from Sanford Health’s Clinical Enrichment Program (CEP) for an exception to the rule in ARSD 20:48:07.01 on preceptor work experience and student ratio. The Board reviewed the current rules related to CEPs which were last updated in 1991. Young and Burg reviewed proposed changes to these rules that are intended to modernize and update them for current practice and

education standards. Motion by Tschetter to grant approval to proceed with promulgating revisions to Chapter 20:48:07.01 relating to clinical enrichment programs. Second by Hinker. Motion carried.
