

**South Dakota Soybean Research & Promotion Council**  
**FY21 Research Proposal Review**  
 Virtual Zoom Meeting <https://sdstate.zoom.us/j/158296961>  
 or phone 1-669-900-6833, meeting ID: 158 296 961

**March 31, 2020**

|       |   |   |
|-------|---|---|
| 9:30  | Welcome   | Bill Gibbons  |
| 9:45  | Increasing Soybean Yields Through In-Season Rhizobium Applications      | Senthil Subramanian   |
| 10:00 | Achieving 100 bu/a Soybean Yields                                       | David Clay  |
| 10:15 | Controlling Weeds in Soybeans   | Sharon Clay   |
| 10:30 | Inducing systemic resistance in soybean against pathogens               | Shin-Yi Marzano   |
| 10:45 | Break   |   |
| 11:00 | Plant Defense Inducers Efficacy in SCN Management                       | Emmanuel Byamukama  |
| 11:15 | Value Added Novel Bio-Resins  | Kasiviswanathan Muthukumarappan                                       |
| 11:30 | National Soybean Fertilizations Studies                                 | Jonathan Kleinjan   |
| 11:45 | Maximizing Soybean Yields Through Beneficial Plant Microbe Interactions | Heike Bucking   |
| 12:00 | Fungicide Application Methods for White Mold                            | Peter Kovacs  |
| 12:15 | SDSRPC Luncheon   |   |
| 12:55 | Council Board Meeting   | <a href="https://zoom.us/j/469315183">https://zoom.us/j/469315183</a> |
| 1:00  | Prairie Aquatech Presentation   | Mark Luecke   |
|       | SDSU 5-Year Agreement   |   |
|       | Review Strategic Plan   Investment Channels Discussion                  |   |
|       | SDSU Proposal Discussion  |   |

North Central Soybean Research Program Proposal

Joint Biodiesel Committee Proposal

SD Pork

Public Input

5:00 Adjourn
