MEMO TO: Local Emergency Planning Committees  
MEMO FROM: Kelsey Newling  
SUBJECT: LEPC Grants

I am contacting you regarding the Local Emergency Planning Committee (LEPC) grants. Active LEPCs in South Dakota are eligible for funding under the provisions of SDCL 1-50-10. An LEPC that does not meet the provisions of SDCL 1-50-10, is not considered “active” and is not eligible for grant funds.

There are five forms you may need to submit in order to apply for a grant.

1. **Certification of Eligibility** - The first step in applying for a grant is to provide information demonstrating your LEPC is active. If your LEPC is not “active,” you are not eligible for a grant;
2. **State of SD Grant Recipient or Subrecipient Attestation** – Required under SDCL 1-56-10;
3. **Activity and Expenditure Summary** – Any LEPC that has received past grant funds must submit this form to demonstrate funds were utilized responsibly;
4. **Request for LEPC Grant Carryover** – Any LEPC with a total outstanding/unspent LEPC Grant balance in excess of \$200.00 must submit this request for a grant extension; and
5. **LEPC Grant Application** – Indicate your plans for utilization of grant funds.

**The complete grant application package must be postmarked, received, or hand-delivered by November 30, 2021.**

**Applications postmarked, received, or hand-delivered after the November 30, 2021, deadline WILL NOT be accepted.** You may wish to consider submitting your application via certified or registered mail for the purpose of documenting and confirming the delivery date.

The information you provide in the application package will be reviewed for completeness. If your LEPC meets the provisions of SDCL 1-50-10, and if you can demonstrate past LEPC grant funds were utilized in a responsible manner, you will be contacted regarding the grant.

Please be aware that some LEPCs may receive more than one copy of this application package. Only one application should be submitted per LEPC.

If you have any questions about the grant process, please contact Kelsey Newling via e-mail at [Kelsey.Newling@state.sd.us](mailto:Kelsey.Newling@state.sd.us) or by calling 605-773-3296.

# APPLICATION GUIDE FOR LEPC GRANTS

## **Program Intent**

The intent of this program is to provide local emergency planning committees (LEPCs) with funding to support Emergency Planning and Community Right to Know activities at the local level. This is designed to be a streamlined grant program with simplified application and summary reporting processes. Every attempt has been made to keep forms short and concise, and to reduce paperwork requirements.

## **Compliance and Eligibility** (Certification of Eligibility for LEPC Grant form)

"Active" LEPCs in South Dakota are eligible for funding under the provisions of SDCL 1-50-10. To qualify for funding, a statement of compliance with the criteria for an "Active" LEPC must be submitted. An LEPC must also certify that they have a mechanism to receive, expend, and track funds.

## **Eligible Uses for Funds**

SDCL 1-50-10 states that the funds will be distributed as grants to be "Expended by the LEPCs to defray the expenses of operating the SARA Title III program and SARA Title I activities." This can incorporate a wide variety of activities including, but not limited to:

- ⇒ General office expenses needed to operate the program - postage, copying, printing, paper, meeting room rental, other meeting expenses, advertising costs, office expenses, etc.;
- ⇒ Salaries for personnel hired to do data entry, risk assessment, hazards analysis, commodity flow studies, or other special Haz Mat related projects;
- ⇒ Expenses associated with updating the emergency response plan;
- ⇒ Expenses related to holding hazardous materials response exercises;
- ⇒ Haz Mat Training of local emergency response personnel and first responders;
- ⇒ Hazardous Materials Incident response equipment; and
- ⇒ Computer hardware and/or software to be used for Title III data management, responding to information requests, hazardous materials emergency response, and/or hazardous materials response planning activities.

## **Application and Signatures** (LEPC Grant Application form)

Current bylaws and membership rosters must be on file with the state or included with the application. If bylaws are revised, they must be resubmitted. Information management procedures and meeting schedules must be identified if they are not contained in the bylaws.

## **Grant Amounts**

Individual grant amounts will be determined by the distribution formula contained in SDCL 1-50-10. The first \$16,500 will be divided evenly among LEPCs that qualify for and have applied for the grant. The remaining amount will be divided among the qualifying LEPCs, based upon the number of facilities that paid Tier II fees for the reporting year from which the grant is funded. Increasing facility compliance in your planning district can result in an increase in your portion of grants for future years.

## **Carryover of Funds**

Under certain circumstances a small amount of unspent grant funds may be carried over to the next fiscal year. However, the LEPC must continue to track and document use of these funds.

## **Tracking** (Activity and Expenditure Summary form)

Failure to submit the required summary documentation will affect future eligibility for grant funds.
