- None

Agenda Items: Department of Education Updates

- Linda Turner provided an update on the Differentiated Monitoring System (DMS2.0). The on-site OSEP review is postponed. The Advisory Panel is an important part of this review.

- Laura Scheibe has been appointed the new Deputy Secretary of DOE.

Agenda Item: Priority Area Development

- Wendy Trujillo presented a review of the panel work/presentations from past years.

The Panel broke for a for a six- minute break from 10:26 to 10:32.

- Brenda Smith TAESE facilitated the Council on developing two priorities for the upcoming year.

The Panel broke for lunch from 11:40 am to 12:20 pm.

- After much discussion, the following two priorities were created:
 - Supporting retention of teachers and improving student outcomes by providing accessible professional developmental resources.
 - Assessing and directing parents to available resources.
- The Panel came to the consensus on setting one priority and selected the first one to focus on. An action item timeline was developed for the Panel to use to track progress accomplishing their priority.
