14
              CHAIRMAN ERICKSON: Here.
15
              So we have a quorum. I would turn it over to
    the Hearing Officer. If you would like to lead out, that
16
17
    would be great.
18
              ADMINISTRATIVE LAW JUDGE: Great. Thank you
19
    very much, Chairman Erickson.
20
              This is Catherine Williamson. I'm the
21
    administrative law judge. I'm with the Office of Hearing
22
    Examiners in Pierre. Today is September 10 of 2025, and
23
    we're here at the Dolly-Reed Plaza in Pierre, South
24
    Dakota. A quorum of the members of the board are present
25
    via teleconference.
```

```
We're here regarding the rules listed in the
1
2
     agenda published, Administrative Rules 12:21, 12:22, and
     68:01. These are proposed changes and amendments to
 3
 4
    these rules.
              MR. SCHEIBE: And, Ms. Williamson, if I could,
 5
 6
    this is Aaron Scheibe, outside counsel for GOED staff. I
7
     just want to make sure on the record that we reflect this
8
     is a continued hearing that was continued previously from
    August 13 in the same matter.
10
              ADMINISTRATIVE LAW JUDGE: Very good. Yes.
                                                            Ιt
11
     is a continued hearing.
              And at this point in time I will call on the
12
13
    Finance Division staff, Mr. Valentine, to talk about
14
     68:02.
15
              Or which number do you want to talk about? And
16
     do you want to go through it again, as it's continued
17
    from August?
18
              MR. VALENTINE: Yes. Let's start with 68:01:01,
19
    please --
20
              ADMINISTRATIVE LAW JUDGE: Go ahead.
2.1
              MR. VALENTINE: -- which is general provisions.
22
              Jack Valentine, the Director of Finance for the
23
    Governor's Office of Economic Development.
24
              Good morning. The general provisions in
25
     Chapter 68:01:01, there are a number of proposed style
```

```
and form edits that were worked on between the

Authority's legal counsel and LRC's code counsel. We

were able to come to agreement on those. Without getting

into the minutia of those, I will just cover the

substantive changes.
```

2.1

2.4

As presented, these are not any different than what was presented to this Authority last month in this chapter, mainly some striking of outdated statutory references, some updates in definitions, and just some clarification points to be added.

This is largely just a cleanup of this chapter and the permissible use of the loan proceeds under this chapter and the general loan reserve account requirements contained in this chapter.

With that being said, I would ask the Authority to accept the rules presented in 68:01:01:01 through 68:01:01:06 as presented.

ADMINISTRATIVE LAW JUDGE: Are there any questions from the committee?

CHAIRMAN ERICKSON: I have none. This is Jeff Erickson.

ADMINISTRATIVE LAW JUDGE: Hearing none or seeing none, it's up to the commission if they want to take action on each one now or we can wait until the end.

CHAIRMAN ERICKSON: I would suggest we just -- I

```
would suggest we just do them all as one motion. I
believe that's the way that staff has laid it out. Is
that correct?
```

MR. VALENTINE: Yes, Mr. Chair. That's how it's laid out in the agenda.

CHAIRMAN ERICKSON: Yep. So, Catherine, if that works for you, that's the way we'll do it. Let's just go through the three that we need to, and then we'll make one motion.

And I'll come back to you, Matt, if you still are of the mind to make the motion.

ADMINISTRATIVE LAW JUDGE: Okay. Then let's turn -- Mr. Valentine, do you want to do 68:01:02?

Thank you.

MR. VALENTINE: Yes.

Chapter 68:01:02 is regarding the APEX loan program. As presented last month, this is a complete repeal of the APEX loan program. This is being done as it is an outdated program. It's no longer supported by the United States Department of Agriculture.

In its exporting needs, there are other GOED programs which have supplanted and have taken the place of APEX. We're still able to make loans to qualified borrowers who would have projects that would fit under this program with our other programs. And so, again, this is a full repeal of the APEX loan program as a

1 | cleanup of the Administrative Rules in this chapter.

I would ask for the board's consideration for accepting the complete repeal of the APEX loan program as presented.

ADMINISTRATIVE LAW JUDGE: Are there any questions?

Seeing or hearing none, we'll move to the next chapter.

Mr. Valentine.

1.3

2.1

MR. VALENTINE: Yes. Thank you.

The next chapter I have is Chapter 12:21:01, the Beginning Farmer Loan Program. As presented last month, there's a number of items that are cleaned up in this to bring the rules up to date with changes in Federal Code, largely with requirements regarding the maximum bond issue that a beginning farmer's eligible for.

Again, some cleanup in this chapter that was worked out between the Authority's legal counsel and LRC's code counsel on style and format. It did not constitute a substantial change to the material aspects of this chapter.

With that being said, again, I would ask the Authority's consideration for approving the rules presented in Chapter 12:21:01 for the Beginning Farmer Loan Program which also includes the Beginning Farmer

```
1
    Bond Program as presented.
2
              MR. SCHEIBE: And, Ms. Williamson, again, this
 3
     is Aaron Scheibe for GOED staff as staff counsel.
 4
              I don't recall if we had indicated at the
    beginning of the meeting, but there are no members of the
 5
 6
    public present here at the Dolly-Reed Plaza in Pierre. I
7
     just wanted to make sure that was on the record.
8
              And, Jack, if you can just confirm, I don't
    believe we had any public comments that were received on
10
     any of these three changes to Administrative Rules for
11
    the board.
12
              MR. VALENTINE: Correct, Mr. Scheibe. No public
13
    comments have been received to date on any of the
14
    postings or by any email or on any of the common area
15
     lines of GOED.
16
              ADMINISTRATIVE LAW JUDGE: Very good.
17
              With that, we have one chapter left; right?
18
    12:22.
19
              MR. VALENTINE: Correct.
20
              ADMINISTRATIVE LAW JUDGE: I'll let you roll
2.1
    with that. And, yeah, if somebody walks in between now
22
    and then, I'll take their comment.
23
              MR. VALENTINE: Correct. In Chapter 12:22 I
    have three parts. I'll start with Article 12:22, the
24
```

agribusiness bonding and lending programs. There are

25

general provisions in 12:22:01. These, again, are largely cleanups to bring definitions up to date, strike outdated statutory references. And then there were style and form edits made to this chapter, which were agreed upon between, again, GOED's and the Authority's legal counsel and LRC's code counsel.

There were no substantial changes made to this chapter from what was previously presented to the Authority last month.

With that being said, Chapter 12:22:01, general provisions, I would ask the board's consideration for approving the rules in that chapter as presented, and I would move on to Chapter 12:22:02 if there are no questions.

Hearing no questions, Chapter 12:22:02 is the Value Added Agribusiness Relending Program. This is another program that has been sunset by the USDA. There are a couple of loans that remain outstanding in service with regard to this program.

GOED and the Authority and the Board of Economic Development still have the ability to make loans that were supported under this program using other programs that are available to us. However, because it's being -- or no longer supported by the USDA, we are asking as a cleanup to completely repeal the rules in the Value Added

Agribusiness Relending Program contained in
Chapter 12:22:02 and would open that up for any
questions.

1.3

2.1

2.4

Hearing none, moving on to 12:22:03, this is a duplicate of rules that are in Chapter 68:01 that fall under the Board of Economic Development.

In 2020 when the Value Added Finance Authority was moved from the Department of Ag to GOED, these got left behind with that former Authority. They are duplicated in Chapter 68. The Board of Economic Development has taken this over. To avoid any confusion, we are asking for a complete repeal of this Value-Added Agriculture Subfund rules contained in Chapter 12:22:03.

With that, I would open it up for any questions and ask for the Board's consideration for approving the rules as presented in Article 12:22 under the agribusiness bonding and lending programs.

ADMINISTRATIVE LAW JUDGE: Are there any questions from the committee? Or comments.

CHAIRMAN ERICKSON: I guess a question procedurally. Do we -- do we do a motion in this hearing, or do we go -- do we do this in ordinary course of our meeting?

ADMINISTRATIVE LAW JUDGE: You do it in hearing. It's perfectly appropriate to do it now.

```
CHAIRMAN ERICKSON: Okay. So you need a motion
1
2
    to accept the proposed changes to Administrative Rules of
 3
    South Dakota Chapters 12:21, 12:22, and 68:01 as
 4
    presented. Is that correct, Catherine?
5
              ADMINISTRATIVE LAW JUDGE: That is correct.
 6
    Yes.
7
              CHAIRMAN ERICKSON: Okay. I would make --
8
              MR. SCHEIBE: Excuse me, Mr. Chairman --
              CHAIRMAN ERICKSON: This is Jeff Erickson.
9
10
    would make that motion.
11
             MR. JUDSON: Judson. Second.
12
              MR. SCHEIBE: Excuse me, Mr. Chairman, if I may.
13
    This is Aaron Scheibe. I believe you also may want to
14
    consider adding Chapter 68:01 to that same motion.
15
              ADMINISTRATIVE LAW JUDGE:
                                         That was in there.
             MR. SCHEIBE: Was it in there?
16
17
             ADMINISTRATIVE LAW JUDGE: That was in there.
18
             MR. SCHEIBE: Okay. Sorry.
19
              CHAIRMAN ERICKSON: I thought I said 68:01.
20
              MR. SCHEIBE: Sorry about that, Mr. Chairman.
                                                             Ι
21
    have a cold today so I can't hear.
22
              CHAIRMAN ERICKSON: Just to reiterate, it's
23
    12:21, 12:22, and 68:01. Is that --
24
              ADMINISTRATIVE LAW JUDGE: Correct. Okay.
                                                          Very
25
     good.
```

```
1
              CHAIRMAN ERICKSON: That's what I thought we
2
     were talking about.
 3
              ADMINISTRATIVE LAW JUDGE: And it was seconded
 4
    by Judson.
5
              Any discussion on that motion?
 6
              Seeing or hearing none, all those in favor say
7
     aye.
8
                         (All indicate aye.)
              ADMINISTRATIVE LAW JUDGE: Are there any
10
     opposed?
11
                       (No audible response.)
12
              ADMINISTRATIVE LAW JUDGE: Without opposed, that
13
    motion carries. The changes will be made.
14
              Very good. At this point in time then, are
15
     there further actions in regards that this committee has
16
     to go through?
              MR. VALENTINE: Yes. There are other agenda
17
18
     items that the Authority's going to have to go into
     executive session to discuss.
19
20
              ADMINISTRATIVE LAW JUDGE: Okay. Then I will
2.1
     turn it back over to Chairman Erickson. Thank you very
22
     much, Chairman Erickson, for allowing me to be part of
23
    your hearing today.
2.4
              CHAIRMAN ERICKSON: Well, it sounds like we're
25
     going to be talking at about 10:15 also so thank you so

much for your help.

2
               ADMINISTRATIVE LAW JUDGE: You're welcome.
     We'll be off the record.
