SD ANIMAL INDUSTRY BOARD MINUTES OF ANNUAL BOARD MEETING

TUESDAY AUGUST 10, 2021

10:03 a.m. President Bryan Nagel called the meeting to order. Board members present via teleconference were President Nagel, Eric Iversen, Josh Kitzan, Cobbie Magness, Steven Rommerein, and Dr. John Voegeli. AIB staff members present were Drs. Dustin Oedekoven, Mendel Miller, Susan Reenders, Todd Tedrow; Terry Johnson and Shell O'Daniel.

President Nagel determined that a quorum was present and asked if there were any additions or changes to the agenda. None were presented. Cobbie Magness moved to approve the agenda. Dr. John Voegeli seconded. A voice vote was taken. Motion passed.

President Nagel verified that all board members had received the minutes for the July 13, 2021 board meeting. Steve Rommerein moved to approve the minutes from the meeting on July 13, 2021. Eric Iversen seconded. A voice vote was taken. Motion passed.

Dr. Oedekoven gave an overview of some of the recent work conducted by AIB staff. Field staff is busy with new meat establishments opening, as well as expanded operations in existing establishments. Two inspector positions have recently been posted - one in Pierre and another in Lemmon. The Animal Industry Boards permit database has made the transition to Core One.

10:15 a.m. Steve Rommerein moved to take the proposed administrative rules off the table from the July 13 meeting, and moved to the floor for debate. Josh Kitzan seconded. A voice vote was taken. Motion passed. The public hearing was continued to consider the adoption and amendment of proposed rules 12:68 inclusive. The hearing is audio recorded and on file. There were no opponents or proponents present for the rules hearing. A voice vote was taken to move that the rules be adopted as amended. Motion passed. Eric Iversen moved to close the hearing. Dr. John Voegeli seconded. A voice vote was taken. Motion passed. Hearing adjourned at 10:35 a.m.

Dr. Oedekoven gave an update on African Swine Fever (ASF). The U.S. Department of Agriculture's Foreign Animal Disease Diagnostic Laboratory has confirmed ASF in samples collected from pigs in the Dominican Republic. Pork and pork products from the Dominican Republic are currently prohibited entry as a result of existing classical swine fever restrictions. Customs and Border Protection is increasing inspections of flights from the Dominican Republic to ensure travelers do not bring prohibited products to the United States.

Dr. Oedekoven gave an update on the progress of the U.S. Swine Health Improvement Plan pilot project (US SHIP). This is a two-year pilot project housed at Iowa State University College of Veterinary Medicine. The primary objectives of this project is to develop and implement an African Swine Fever (ASF)-Classical Swine Fever (CSF) Monitored Certification Program. The state pork association has six delegates going to the meeting in Des Moines, IA, August 23-24, 2021., including Dr. Oedekoven. They will discuss and implement program standards for biosecurity, traceability, and surveillance for CSF and ASF.

Dr. Tedrow reported that the single case of RHDV2 in wild or domestic rabbits in South Dakota has been released from quarantine. The herd became infected when rabbits from an affected area in Colorado were added. The Custer County premises has been following strict biosecurity measures, and the facilities have been cleaned and disinfected.

Dr. Tedrow mentioned that South Dakota's Scrapie Consistent State Status is up for review. The review will include evaluation of AIB rules, traceability requirements, and identification compliance. The last Scrapie positive case in South Dakota was in 2010.

Dr. Miller reported on the single CWD quarantined herd in SD. One bull elk remains on the premises out of six elk in herd at the time CWD was detected. The bull will be removed from the premises in Fall 2021. Two CWD positive animals have been identified in this herd. Further discussion was held on future permitting of Cervidae on this premises.

There was discussion on animal welfare concerns at livestock auction markets.

Dr Oedekoven congratulated staff veterinarian Dr Tammy Anderson on successfully passing the American College of Veterinary Preventive Medicine exam (ACVPM) in June 2021.

11:40 a.m. Eric Iversen moved to adjourn the meeting. Cobbie Magness seconded. President Nagel adjourned the meeting.

Bryan Nagel, President
Animal Industry Board

Dustin Oedekoven, DVM, DACVPM
State Veterinarian and Executive Secretary
