Vice-chairman Don Roby called the meeting of the South Dakota Transportation Commission (the “Commission”) to order at 9:00 a.m. CST. A roll call was taken and a quorum was present.

Roby opened the floor to the Commission members to disclose potential conflicts of interest and to present requests for waiver pursuant to South Dakota Codified Law (SDCL) chapters 3 – 23.

Karla Engle, Office of Legal Counsel, presented to the Commission a waiver request for Commissioner Austin Simons concerning a potential conflict of interest on bid #7 on Attachment #7 of the Commission packet. A copy of the waiver is included with these minutes as **ATTACHMENT A**. Engle explained that Commissioner Simons would be recusing himself from the discussion and vote on this item.

A MOTION WAS MADE by Karim and seconded by Rosenboom that the matters disclosed in the written waiver request by Commissioner Simons are fair, reasonable, and not contrary to public interest. All present voted aye by roll call vote except Simons, who abstained. The motion carried.

Roby asked for any other potential conflicts of interest. No other members of the Commission disclosed a conflict or requested a waiver.

Roby asked for a motion to approve the March 28, 2024 Commission meeting minutes.

A MOTION WAS MADE by Vehle and seconded by Simons to approve the March 28, 2024 Commission meeting minutes with the edits requested by Karim. All present voted aye by roll call vote. The motion carried.

Roby asked for a motion to approve the April 11, 2024 Commission meeting minutes.

A MOTION WAS MADE by Karim and seconded by Vehle to approve the April 11, 2024 Commission meeting minutes. All present voted aye by roll call vote. The motion carried.

Karla Engle, Office of Legal Counsel, requested the Commission set a hearing date of May 23, 2024 to consider amendments to Administrative Rules of South Dakota (ARSD) 70:01:02:02 – Pennington County Speed Zone Rule; 70:01:02:06 – Brookings County Speed Zone Rule; 70:01:02:15 – Butte County Speed Zone Rule; 70:01:02:21 – Custer County Speed Zone Rule; 70:01:02:49 – Meade County Speed Zone Rule; and 70:01:02:53 – Perkins County Speed Zone Rule.

RESOLUTION #2024 – 4.1 was adopted.

Engle introduced the amended Transportation Loan Information Sheet and summarized the changes that were made at the request of the Commission.

The Commission requested that the matrix be divorced from the document but be made available to loan applicants and the Commission. The discussion revolved around the interest rate noted on the document and if there should be a benchmark rate.

A MOTION WAS MADE by Nelson and seconded by Karim to approve the document with the deletion of the matrix.

A SUBSTITUTION MOTION by Nelson and seconded by Karim to approve the document with the removal of the matrix and to replace the word “sites” with “cities” throughout the document. All present voted aye by roll call vote. The motion carried.

Engle gave an update on the status of the challenge to the Federal Highway Administration (FHWA) Greenhouse Gas Emission Rule. She noted that on April 1, 2024 the judge declared the rule exceeded statutory authority and was arbitrary and capricious. The Plaintiff states conferred with FHWA and all parties made a joint filing stating FHWA will abide by the court's declaration and will not enforce the rule against the Plaintiff states and their municipal planning organizations unless the ruling is overturned. Consequently, the parties agreed the Plaintiff states' request for a permanent injunction could be dismissed without prejudice.

Roby opened the floor to public input.

No members of the public addressed the Commission nor offered input.

Christina Bennett, Division of Operation Support, presented to the Commission for Commission consideration the Fallen Hero Bridge dedication recommendations. Bennett shared the process for the selection by the Department of Veteran Affairs. There are 12 bridges recommended to honor 15 veterans – two bridges would honor siblings.

A MOTION WAS MADE by Rosenboom and seconded by Simons to approve the twelve Fallen Hero Bridge dedications as presented. All present voted aye by roll call vote. The motion carried.
