

SOUTH DAKOTA TRANSPORTATION COMMISSION MEETING MINUTES

Thursday, February 26, 2025 at 9:00 a.m. CDT

Becker-Hansen Building/Commission Room - 700 East Broadway Avenue, Pierre, South Dakota

COMMIONER PRESENT: Austin Simons, Chairman
Chris Frick, Vice-chairman
Ron Rosenboom
Mike Vehle
Rick Vallery
Jaf Karim
Don Roby

DOT STAFF PRESENT: Joel Jundt, Mike Behm, Kellie Beck, Karla Engle, Joanne Hight, John Keyes, Steve Gramm, Doug Kinniburgh, and Kari Kroll

**DOT STAFF PRESENT
VIA CONFERENCE CALL:** Craig Smith and Sam Weisgram

OTHERS PRESENT: Brad Stangoehr – Union County; Rob Timm – City of Box Elder; and Sierra Karim

**OTHERS PRESENT
VIA CONFERENCE CALL:** Jason Reaves – South Dakota Chapter/American Concrete Pavement Association and Megan Peltier – Association of General Contractors (AGC)

Chairman Austin Simons called the meeting of the South Dakota Transportation Commission (the “Commission”) to order at 9:00 a.m. CT. A roll call was taken and a quorum was present

Simons opened the floor to the Commission members to disclose potential conflicts of interest and to present requests for waiver pursuant to South Dakota Codified Law (SDCL) chapters 3 – 23.

No members of the Commission disclosed a conflict or requested a waiver.

Simons asked for a motion to approve the January 29, 2026 Commission meeting minutes.

A MOTION WAS MADE by Vehle and seconded by Roby to approve the January 29, 2026 Commission meeting minutes. All present voted aye by voice vote. The motion carried.

Simons asked for a motion to approve the February 12, 2026 Commission meeting minutes.

A MOTION WAS MADE by Rosenboom and seconded by Frick to approve the February 12, 2026 Commission meeting minutes. All present voted aye by voice vote. The motion carried.

Simons opened the floor to public input.

No members of the public addressed the Commission or offered any input.

Secretary Jundt presented the following items to the Commission in his Secretary's Report:

- **Federal:** On February 5, 2026, the President signed all but one of the appropriations bills needed to fully fund the federal government and programs. The overall funding will be approximately 2% above last year's funding levels. As part of the Transportation, Housing and Urban Development (THUD) appropriations bill, the following Congressionally Directed Spending (CDS) was awarded:
 - Rapid City Airport was approved to receive \$20 million
 - Sioux Falls Airport was approved to receive \$30 million,
 - The Department of Transportation (the "Department") was approved to receive \$25 million for the SD 44 Platte-Winner Bridge
 - Box Elder will receive \$4 million for US14/US16, Cheyenne Blvd and Radar Hill Road preliminary design.

All these projects will be administrated through the Department.

The Senate Environmental & Public Works (EPW) and the House Transportation and Infrastructure (T&I) Committees are still working toward releasing their respective surface transportation bills later this year, with Chairman Graves of T&I stating that he would like to have the bill out by the end of March.

- **State:** Of the three remaining state legislative bills that were filed on behalf of the Department, all three have now passed both bodies and the Department anticipates the Governor will sign these bills. There have been numerous bills that the Department has followed, but of the remaining bills, all have either been amended or died leaving no bills left that will have a direct impact on the Department's funding or processes. There are three bills regarding open meeting laws, but we are already adhering to what is proposed in those bills. The remaining bill we are watching is the general appropriations bill that likely won't be passed until the last day of session on March 12.

With the passage of Senate Bill 71, which corresponds to the Department taking over the National Environmental Policy Act (NEPA) compliance from Federal Highway Administration (FHWA), the Department will begin reviewing all the requirements needed to ultimately take over these responsibilities. Depending upon whether the Department takes over the full

assignment or just partial assignment, i.e. Categorical Exclusions – the process to obtain the approval from FHWA will take approximately 1 -2 years.

Senate Bill 236 is a bill geared towards the Rural Access Infrastructure Fund (RAIF) program that was established by the Legislature several years ago. These general fund monies went to the replacement of medium-sized culverts for townships and counties. This bill will require unspent funds that have not been contractually obligated by the counties to be transferred back to the State treasurer and then be redistributed every three years. These funds will then need to be budgeted through the general appropriations bill. This bill has passed through the Senate and is up in the House Local Government Committee.

Senate Bill 240 is a bill that would provide \$5 Million of general funds to be used for the RAIF program.

House Bill 1297 provided for the study of statewide transit needs and the economic impacts of public transit, and to make an appropriation for that. This bill was pulled by the prime sponsor. The Department has a research program and will perform the study with the Department's research funds, as opposed to general funds.

House Bill 1295 revised provisions for the acquisition of highway easements and rights of way. This bill was targeted at how the Department acquires property, especially easements, and would force a change as to how easements are acquired. The bill was defeated in the House Transportation Committee. The Department testified against the bill as it would have created numerous negative issues, not only for the Department but also for landowners.

- **Smithfield announcement:** The Department had a planning study that has been reviewing needs at the Crooks/Renner I-29 interchange and the announcement to relocate Smithfield will require some additional work as part of this study. Department staff and the City of Sioux Falls are in communication with the developer's consultant, as they are finalizing a Traffic Impact Study that will quantify traffic operations near the site. This information will be used to identify what improvements will be needed, both opening day and 20 years into the future to handle the additional traffic volumes. Any proposed changes on our system will need to be added to the Statewide Transportation Improvement Program (STIP.)

Craig Smith, Division Director of Operations, presented the following informational Construction Change Orders (CCO) to the Commission.

CCOs completed in January contain an increase of \$711,050.16. Over the past 12 months, the total change to the original contract amounts has increased by 1.74%.

The following projects have a CCO with a change of more than \$100,000 or a change of more than 25.0% to the contract.

ABERDEEN REGION

1. Project: EM-PH-PP 0013(49)121, Brookings County, PCN 05EX

Location: SD13 from SD324 to US14

Contractor: R & G Construction Co.

Type of Work: Shoulder widening, cold milling, asphalt concrete resurfacing, replace structure

Original Contract Amount:	\$	7,943,270.90
\$ Change on CCO No. 2:	\$	143,411.60
% Change on CCO No. 2:		1.8%
Net Change to Date:	\$	153,911.60

Explanation of Change on CCO No. 2: This increase is the result of SDDOT compensating the contractor for extra work after encountering unexpected muck during excavation. Additional muck excavation, equipment, dewatering, and sheeting were all required to safely construct the culvert.

2. Project: NH 0014(249)415, Brookings County, PCN 08HV

Location: Structure on US14 -2.5 miles east of Volga over the Big Sioux Overflow

Contractor: BX Civil & Construction, Inc.

Type of Work: Polymer chip seal

Original Contract Amount:	\$	322,604.10
\$ Change on CCO No. 1:	\$	85,695.10
% Change on CCO No. 1:		26.6%
Net Change to Date:	\$	85,695.10

Explanation of Change on CCO No. 1: This increase is the result of SDDOT adjusting contract quantities of concrete removal to match as built quantities. This type of variation is considered normal for a bridge deck polymer chip seal job.

3. Project: P 0025(88)115, Clark & Kingsbury County, PCN 064X

Location: SD25 from north of De Smet to north of the SD28 junction 0.3 miles

Contractor: Asphalt Paving & Materials Company

Type of Work: Asphalt concrete surfacing

Original Contract Amount:	\$	8,994,930.68
\$ Change on CCO No. 3:	\$	836,682.08
% Change on CCO No. 3:		9.3%
Net Change to Date:	\$	858,057.08

Explanation of Change on CCO No. 3: This increase is the result of SDDOT adjusting contract quantities to match as built quantities, additional work including repairing the damaged detour route, and a large increase of asphalt binder for the new asphalt concrete due to the reclaimed asphalt pavement used in the new asphalt concrete having a binder content lower than anticipated.

4. Project: NH-CR 0012(310)298, Brown & Day County, PCN 08XP

Location: US12 from east of Bath to west of Groton

US12 from Groton east to Webster

Contractor: Bituminous Paving, Inc.

Type of Work: Cold milling, asphalt concrete resurfacing of shoulders & WIM upgrades

Original Contract Amount:	\$	5,868,951.95
\$ Change on CCO No. 2:	\$	(304,863.02)
% Change on CCO No. 2:		5.2%
Net Change to Date:	\$	(164,611.72)

Explanation of Change on CCO No. 2: This decrease is the result of SDDOT adjusting contract quantities to match as built quantities and removing items deemed unnecessary to the project.

5. Project: P 0015(94)128, Deuel County, PCN 05Q6

Location: SD15 from SD28 north to Clear Lake

Contractor: Central Specialties, Inc.

Type of Work: Asphalt concrete surfacing

Original Contract Amount:	\$	6,244,318.74
\$ Change on CCO No. 2:	\$	(255,234.28)
% Change on CCO No. 2:		4.1%
Net Change to Date:	\$	(252,351.40)

Explanation of Change on CCO No. 2: This decrease is the result of SDDOT adjusting contract quantities to match as built quantities and removing items deemed unnecessary to the project.

MITCHELL REGION

6. Project: NH-PT 0046(83)287, Charles Mix County, PCN 08CW

Location: SD46 from west of 393rd Avenue to west of the city limits of Wagner

Contractor: Midwest Contracting, LLC

Type of Work: Grading, asphalt concrete surfacing, RCBC

Original Contract Amount:	\$	5,109,919.07
\$ Change on CCO No. 5:	\$	241,929.97
% Change on CCO No. 5:		4.7%
Net Change to Date:	\$	294,900.37

Explanation of Change on CCO No. 5: This increase is the result of SDDOT adjusting contract quantities to match as built quantities with the largest increases being additional undercutting, unclassified excavation, and contractor furnished borrow needed after encountering poor existing material on location.

PIERRE REGION

7. Project: P 0047(113)42, Lyman County, PCN 05UN

Location: SD47 from 2.5 miles north of the Gregory/ Lyman county line to SD49

Contractor: Spencer Quarries, Inc.

Type of Work: Cold milling, asphalt concrete surfacing, pipe work

Original Contract Amount:	\$	8,730,874.10
\$ Change on CCO No. 15:	\$	(132,688.45)
% Change on CCO No. 15:		1.5%
Net Change to Date:	\$	214,985.40

Explanation of Change on CCO No. 15: This decrease is the result of SDDOT adjusting contract quantities to match as built quantities.

RAPID CITY REGION

8. Project: NH-CR 0385(65)37, Custer & Fall River County, PCN 09EX

Location: US385 from Hot Springs to Wind Cave National Park

Contractor: Western Construction, Inc.

Type of Work: Cold milling, asphalt concrete resurfacing of shoulders

Original Contract Amount:	\$	2,039,781.70
\$ Change on CCO No. 4:	\$	(114,409.50)
% Change on CCO No. 4:		5.6%
Net Change to Date:	\$	(90,655.11)

Explanation of Change on CCO No. 4: This decrease is the result of SDDOT adjusting contract quantities to match as built quantities and removing items deemed unnecessary to the project.

Sam Weisgram, Office of Project Development, presented to the Commission the following bid letting results:

February 18, 2026

Urban Grading, Asphalt Concrete Surfacing, Curb & Gutter, Sidewalk, Lighting

1	06R7 P-CR 0028(47)367	Deuel County

---	---	--------------------------------

A MOTION WAS MADE by Roby and seconded by Vehle to approve all February 18, 2026 bids presented by the Department. All present voted aye by voice vote. The motion carried.

John Keyes, Program Manager for the Office of Right of Way, presented the following items for Commission consideration.

1. Request Transportation Commission approval to transfer by resolution to the city of Rapid City the State’s interest in the following property acquired for highway right of way:

Lot H4 in the unplatted portion of the W1/2 SE1/4 of Section 4, Township 1 North, Range 8 East of the B.H.M., Pennington County, South Dakota. (Lot H4 contains 1.09 acres)

Lot H5 in the unplatted portion of the E1/2 SE1/4 of Section 4, Township 1 North, Range 8 East of the B.H.M., Pennington County, South Dakota. (Lot H5 contains 0.72 acre)

Lot H1 in Lot 2 of Lot B in the SE1/4 SE1/4 of Section 4, Township 1 North, Range 8 East of the B.H.M., Pennington County, South Dakota. (Lot H1 contains 0.61 acre)

The above right of way is part of Concourse Drive adjacent to US16B in east Rapid City. This resolution completes the requirements of Agreement #612770 between the City of Rapid City and the Department. Rapid City Region and Area Offices advise the above property is no longer needed for highway purposes and recommend the transfer.

A MOTION WAS MADE by Vallery and seconded by Karim to approve the transfer to the City of Hot Springs. All present voted aye by voice vote. The motion carried.

RESOLUTION #2026-2.1 was adopted.

Mike Behm, Division Director of Planning & Engineering, presented the following Statewide Transportation Improvement Program (STIP) revisions for the Commission's consideration:

FOR COMMISSION APPROVAL

(to add or delete a project in the 4-year construction STIP)

REV 26-014 This revision will add a FY2026 Regional Transportation Planning/Design project within the City of Box Elder in Pennington County in the Rapid City Region.

FY 2026 Plus \$5,000,000

REV 26-015 This Grading, AC Surfacing, Curb & Gutter, Storm Sewer, PE project on 1st St E (Railway St) - Fm Main St E 0.1 to 1st Ave E; 1st Ave E - Fm 1st St E S 0.1 to 2nd St E; and 2nd St E - Fm Main St E 0.2 to 2nd Ave E in Lemmon, was previously in the 2025-2028 STIP when bids were rejected due to higher than expected bids over engineer's estimate. The City and its engineering consultant is currently reworking the design and are now requesting this project be added to the 2026-2029 STIP in FY2026.

FY 2026 Plus \$5,700,000

A MOTION WAS MADE by Roby and seconded by Karim to approve STIP REV 26-014 and REV 26-015. All present voted aye by voice vote. The motion carried.

INFORMATIONAL REVISIONS FOR THE COMMISSION

(work type change, cost update, move fiscal years within the 4-year construction STIP)

REV 26-013 This revision advanced a PCC Shared Use Path, CE project on in the City of Colton, along 4th St fm Dakota Ave to Charles Ave from FY2027 to FY2026 in the Mitchell Region. (Sequence #582, Page 140 in the 2026-2029 STIP Book).

FY 2026 Plus \$925,000
FY 2027 Minus \$925,000

REV 26-SC-009 This revision increased the cost of a Regionwide Centerline Rumble Stripes project in the Aberdeen Region. (Sequence #695, Page 154 in the 2026-2029 STIP Book).

FY 2026 Plus \$924,000
Original = \$728,000; Updated = \$1,652,000

REV 26-SC-010 This revision increased the cost of a Regionwide Guardrail Elimination, Inslope Flattening, Pipe Work project in the Rapid City Region. (Sequence #445, Page 119 in the 2026-2029 STIP Book).

FY 2026 Plus \$2,832,000
Original = \$2,126,000; Updated = \$4,958,000

Doug Kinniburgh, Office of Administration, presented for Commission consideration the Bridge Improvement Grant (BIG) applications for 2026. Kinniburgh provided the Commission with **HANDOUT A**, attached to these minutes, containing a list of the 2026 Preservation BIG applications and 2026 Rehabilitation/Replacement BIG applications. Kinniburgh recommended award of all the applications for bridge rehabilitation grants except numbers 3, 8, and 13 as well as the top 10 scoring applications for bridge preservation grants as shown on **HANDOUT A**. He also requested that the projects receiving these grants be added to the STIP.

A MOTION WAS MADE by Frick and seconded by Vallery to approve all 2026 applications for bridge rehabilitation/replacement grants except application numbers 3, 8, and 13, and approve the top ten scoring 2026 applications for bridge preservation as recommended by the Department and shown in **HANDOUT A**. All present voted aye by voice vote. The motion carried.

A MOTION WAS MADE by Vallery and seconded by Vehle to add the projects receiving these BIG awards to the 2026-29 STIP by revision, as requested. All present voted aye by voice vote. The motion carried.

Director Behm presented for Commission consideration the Transportation Alternative Project (TAP) applications for 2026. Behm provided the Commission with **HANDOUT B**, attached to these minutes, containing a list of 2026 TAP applications and including the Department's recommendations for TAP awards. The Department recommended awarding all projects except the project proposed by the City

of Platte (Project #11) and to modify the request from the City of Harrisburg (#5) as shown in **HANDOUT B**.

A MOTION WAS MADE by Karim and seconded by Rosenboom to approve the TAP awards as recommended by the Department and highlighted in blue in **HANDOUT B** as well as the modified recommendation for the City of Harrisburg (#5) highlighted in orange. All present voted aye by voice vote. The motion carried.

The Commission took a short break from 10:02 – 10:08 a.m.

Secretary Jundt presented the 2026 legislative committee presentation.

Chairman Simons asked for a motion to add the projects that received a 2026 TAP award to the 2026-29 STIP by revision.

A MOTION WAS MADE by Vehle and seconded by Rosenboom to add these TAP projects to the 2026-29 STIP by revision as requested. All present voted aye by voice vote. The motion carried.

With no further business to come before the Commission, Simons declared the meeting adjourned at 10:55 a.m. CT.
