

Written Public Comment On CTE Standard as of 9.9.22

First Name	Last Name	Which best describes your role?	Which CTE Cluster(s) would you like to make comment on? (check all that apply)	Please use the space below to provide comments related to the newly revised SD CTE Standards. Please be specific about which standard you are referencing.
Britney	Lewis	CTE Educator	Business Management and Administration	<p>If you review the MOS certifications, you will see that Microsoft has moved database to their expert level pathway. I would recommend taking the database standard out of Business Computer Applications and add it to Advanced Business Applications.</p> <p>https://certiport.pearsonvue.com/Certifications/Microsoft/MOS/Certify/Office-2019</p>
