INCIDENT REPORT

INCIDENT: Seized slot machine

INCIDENT NUMBER: 23-12-092

DATE OF INCIDENT: 12/13/23

PLACE OF INCIDENT: [redacted]

REPORTING AGENT: Special Agent Nick Allender

DATE OF REPORT: 12/22/23

SUSPECT: **NAME:** Caleb Amos

Address: [redacted]
Phone: [redacted]

VIOLATION(S):

22-25-13. Keeping slot machines--Free play machines excepted--Misdemeanor--Manufacture not prohibited.

No person may have in his possession, custody, or under his control or permit to be kept in any place under his possession or control, any slot machine or device. A slot machine or device is any machine upon the action of which anything of value is staked and which is operated by placing therein or thereon any coins, checks, slugs, balls, chips, tokens, or other articles, or in any other manner as a result of such operation anything of value is won or lost by the operation of such machine, when the result of such operation is dependent upon chance. This section does not extend to coin-operated nonpayout pin tables and arcade amusements, with free play features. A violation of this section is a Class 1 misdemeanor.

This section does not prohibit the manufacture, or any act appurtenant to the manufacture, of slot machines or devices in this state for distribution and sale.

NARRATIVE:

On December 10th, 2023, I noticed a slot machine posted for sale on Facebook Market Place. The tittle read, "Skill Stop Slot Machine" and was listed for $500.00. It was posted by Facebook Vanity Name "Caleb Amos". The URL of the Facebook profile was [redacted]. The general address listed on the item was Hermosa, SD.

I contacted Caleb using a fake Facebook account. Caleb responded by telling me about the machine and sent me multiple pictures and a video of the machine being played. I ended up making arrangements to come see the machine on December 13th, 2023 at 1800 hours. Caleb sent me the address of [redacted].

I contacted Rapid City Police Department and asked if they had a Caleb Amos in their system. They had a Caleb Amos listed at the [redacted] with a date of birth of [redacted]. I had his name run through NCIC and he was negative of any wants or warrants.

On December 13th, 2023, Agent Snyder and I responded to the address in plain clothes driving an unmarked car. I knocked on the front door and Caleb Amos answered the door and welcomed us inside. He showed us the slot machine which was a Yamasa Mega Max slot machine. We believed at the time that the serial number was a listed number on the machine of 6613054. Using Google Translation App we found out the serial number was actually 802721. The manufacture date was posted on a sticker on the top of the machine with a date of 09/15/2003.

Once we recognized the machine was not an antique and manufactured earlier than 25 years we identified ourselves as Agents of the SD Commission on Gaming.

I explained to Caleb we would not be pursing criminal charges for this incident, but would be submitting it to the commission for identification as contraband and then have it destroyed.

Caleb turned over his South Dakota Driver's License and I positively identified him. Caleb made the comment that he had received another message on Facebook about the machine. It was a subject saying that to be careful of the South Dakota

Commission on Gaming and that they will contact you with Facebook profiles with nothing on them.

I seized the slot machine and tokens that were in the machine.

On December 14, 2023 I took pictures of the slot machine. I also plugged in the machine and verified that it did run and would work by placing tokens in the coin slot. I also located a quarter in the lot of tokens. I placed the quarter, tokens and slot machine into evidence.

The Commission mailed Caleb a certified letter containing a Notice of Hearing for March 19th, 2023, in Deadwood, SD at 9:00 AM at the scheduled South Dakota Commission on Gaming public meeting.

End of report.

The effect of the rules will be to add an additional pay level to the TriLux Bonus Blackjack with Super 3 table game.

The reason for adopting the proposed rules is to authorize a new paytable.

20:18:15:30.17. Variations of the play -- TriLux Bonus Blackjack with Super 3

TriLux Bonus Blackjack with Super 3 is an optional wager for use with the standard game of blackjack. The TriLux Bonus Blackjack wager considers the first two cards and the dealer's up-card. If the TriLux Bonus Blackjack wager is made, there is an optional secondary wager known as Super 3 that gives the patron the chance to win a higher payout. The Super 3 wager also considers the first two player cards along with the dealer's up-card. Both the TriLux Bonus Blackjack wager and the Super 3 wager pay if the player's two cards and the dealer's up-card make a qualifying hand based on the game's paytable. All payouts are against a paytable. Additional requirements are:

(1) TriLux Bonus Blackjack with Super 3 may be played with one, two, four. five, six, or eight standard decks;

(2) TriLux Bonus Blackjack and Super 3 are both optional bonus bets for blackjack with one exception:

(a) The player must make the TriLux Bonus wager to be eligible to make the TriLux Super 3 wager. This subsection only applies if the casino offers the TriLux Super 3 bonus wager;

(3) To begin each round, players must make the standard blackjack wager. A player may optionally make the TriLux Bonus wager and (if offered) the TriLux Super 3 bonus wager;

(4) The dealer then follows the house procedures for dealing blackjack;

(5) After each player and the dealer has received two cards, the dealer shall settle the TriLux Bonus and (if offered) TriLux Super 3 wagers in one of two ways:

(a) When the cards are dealt face up, the TriLux Bonus and (if offered) TriLux Super 3 wagers must be settled immediately after each player and the dealer receives the first two cards. Winning TriLux Bonus and (if offered) TriLux Super 3 bets must be paid and losing bets must be picked up in order of placement from the dealer's right to left. Then, standard blackjack play shall resume; or

(b) When the cards are dealt face down, the TriLux Bonus and (if offered) TriLux Super 3 wagers must be settled on a hand-to-hand basis, as the dealer goes from left to right asking for hit/stand determinations;

(6) TriLux Blackjack also offers the Lucky George (dealer envy) TriLux Bonus paytable. The Lucky George payout is paid directly to the dealer or dealer toke pool if applicable paytables are being offered. When the player hits a corresponding hand, the dealer shall receive a payout based on the applicable paytables;

STIPULATION AND ASSURANCE

OF VOLUNTARY COMPLIANCE

RECITALS

A complaint was filed against the Defendant on or about December 20, 2023 by Nick Allender , an agent for the South Dakota Commission on Gaming.

The parties wish to resolve the complaint by a Stipulation of Assurance and Voluntary Compliance.

An Informal Consultation was held between the Executive Secretary and the Defendant on February 7, 2024.

I

The complaint filed on or about December 20, 2023 alleged that the Defendant engaged in conduct constituting grounds for disciplinary action on November 19, 2023 for conducting a blackjack game with less than 52 cards in a deck. This is violation of ARSD 20:18:15:02.

II

The Defendant answered the complaint on January 2, 2024. The licensee's answer admitted to the conduct alleged in the complaint filed on or about December 20, 2023.

III

On November 19, 2023, while dealing a blackjack game the licensee lost control of the cards allowing
the cards to fall from the table and be held against her body. This action allowed the 4 of Diamonds
card to fall from the table to the floor. Licensee did not verify that she had all cards or retire the compromised deck but proceeded to conducted the blackjack game with less than 52 cards.

During the table rotation of dealers the 4 of Diamonds was discovered on the floor under the blackjack table.

This is in direct violation of ARSD 20:18:15:02 requiring a blackjack game to be conducted using a deck containing 52. This violation is a direct result of the licensees actions.

IV

The South Dakota Commission on Gaming recognizes that the licensee has held the gaming license for approximately six(6) months and is new to the gaming industry.

The South Dakota Commission on Gaming further recognizes the licensee has accepted full responsibility for the violation and recognizes that her actions not only violated ARSD 20:18:15:02 but also compromised the integrity of the game. License has stated she is committed to learning from this experience and ensuring that she is in compliance with ARSD 20:18 South Dakota Commission on Gaming Rules and Regulations.

V

The Executive Secretary imposes a monetary penalty of $50.00. The Executive Secretary suspends the monetary penalty providing licensee has no gaming violations for the next twelve(12) months.

VI

The Defendant recognizes that this Stipulation of Assurance and Voluntary Compliance will be made a public record.

The Defendant recognizes that this Stipulation of Assurance and Voluntary Compliance is subject to the approval of the South Dakota Commission on Gaming and that execution of this document does not prohibit the Commission from re-opening this matter for further investigation which could lead to an administrative hearing before the Commission and further disciplinary action against the Defendant.

MEMORANDUM

TO: Commissioners and Doug Abraham
FROM: Susan Christian, Executive Secretary
SUBJECT: Stipulation and Assurance of Voluntary Compliance
Jeff Girard SDCG Lic. #13406-23-SP
Compliant # 23-11-094

DATE: March 19, 2024

On February 7, 2024 an informal consultation per ARSD 20:18:10:03 was held to resolve the violations alleged in the Initial Complaints that was filed by SDCG Agent Nick Allender on January 22, 2024.

Licensee responded on January 25, 2024 and did not contest the conduct alleged in the complaint and accepted responsibility for allowing a deck to contain more than 52 cards as required. Mr. Girard stated during the Informal that building the six deck shoe was not his responsibility and he was performing this job duty as a "courtesy". It was determined that the violation occurred due to employee's negligence.

Based on prior SDCG agreed upon Stipulation and Assurance of Voluntary Compliances regarding conducting table games with a deck of more than the 52 cards as required per ARSD 20:18:15:02 Licensee was fined fifty dollars.

Licensee paid the fine on February 7, 2024.

Staff is recommending that the Commission accept the Stipulation and Assurance of Voluntary Compliance.
