RE: Operator Certification

The following water/wastewater operator has applied to South Dakota to receive an Operator Certificate through reciprocity. South Dakota will grant certificates by reciprocity to operators coming from states where their certification program is of a standard not lower than ours and will extend reciprocal privileges to our operators.

Please answer the following questions concerning your operator certification program so that the South Dakota Board of Operator Certification may make a decision at their next Board meeting (April 18, 2023) as to whether certification should be granted.

Name Brooke J. Nelson

Address 2512 S. Lyndale Ave

Sioux Falls, SD 57501

License(s) Held Class C Surface Water Treatment – License # WS0014367 (Texas)

What is the education requirement (HS graduation, years of post-secondary, etc.) for this license(s)?

High School or GED

What is the work experience requirement for this license(s)?

Two years of experience, one of which must be "hands-on". Applicants may substitute up to one year of experience with college hours or additional TCEQ approved water operator training.

Was a written exam taken to gain this license(s)? Yes

What type of questions is on the exam? Multiple choice

What is the minimum score to pass the exam? 70

Is your certification program mandatory? Yes

Is this license(s) valid at this time? Yes, until 06/19/2023

Will your program grant reciprocity to all South Dakota water and wastewater operators if minimum requirements are met? Note-South Dakota will grant reciprocity on a case-by-case basis. We compare the education/work experience requirements for your certificate with the requirements for our SD certificates. We do NOT review the education/experience of the operator himself. It is also required that your state will grant reciprocity to our operators coming to your state.
