PERTINENT S.D. OPEN MEETINGS STATUTES

(other specific provisions may apply depending on the public body involved)

Q: ARE EMAIL DISCUSSIONS "MEETINGS" FOR PURPOSES OF THIS LAW?

A: The definition of an "official meeting" in SDCL 1-25-1 references teleconferences. The definition of a "teleconference" in SDCL 1-25-1.2 includes the exchange of information via the internet or any other electronic medium. The analysis of these two definitions leads to the conclusion that email discussions that include a quorum of a public body and which discuss the official business of that body could be considered "meetings" for purposes of the open meetings laws. Email participation in scheduling or similar activity would not, under this analysis, constitute a public meeting.

Q: WHAT RECORDS MUST BE AVAILABLE TO THE PUBLIC IN CONJUNCTION WITH PUBLIC MEETINGS?

A: SDCL 1-25-1.4 requires state boards, commissions, or departments to make public meeting materials available on <http://boardsandcommissions.sd.gov>. SDCL 1-27-1.16 requires that any other public body must post meeting materials on the public body's website (where one exists), or make those materials available to the public at least twenty-four hours prior to the meeting or when made available to the members of the public body, whichever is later. Finally, SDCL 1-27-1.17 requires that draft minutes of public meetings must be made available to the public at the principal place of business for the public body within 10 business days after the meeting (or made available on the website for the public body within five business days).

These laws are in addition to any specific requirements for public bodies (i.e., publication requirements in state laws pertaining to cities, counties, or school districts). Enforcement of public records laws contained in SDCL ch. 1-27 are handled by separate procedures in SDCL 1-27-35, et.seq. rather than the open meeting procedures described above. Violations of SDCL 1-27-1.16 and 1-27-1.17 are also Class 2 misdemeanors.

Q: WHAT REQUIREMENTS APPLY TO TASK FORCES, COMMITTEES AND WORKING GROUPS?

A: Task forces and committees that exercise "sovereign power" and are created by statute, ordinance, or proclamation are required to comply with the open meetings law. SDCL 1-25-1. Task forces, committees, and working groups that are not created by statute, ordinance, or proclamation, or are advisory only may not be subject to the open meetings law, but are encouraged to comply to the extent possible when public matters are discussed. Ultimately, if such advisory task forces, committees and working groups present any reports or recommendations to public bodies, the public bodies must wait until the next meeting (or later) before taking final action on the recommendations. SDCL 1-27-1.18.

1-25-1. OPEN MEETINGS. The official meetings of the state, its political subdivisions, and any public body of the state or its political subdivisions are open to the public unless a specific law is cited by the state, the political subdivision, or the public body to close the official meeting to the public. For the purposes of this section, a political subdivision or a public body of a political subdivision means any association, authority, board, commission, committee, council, task force, school district, county, city, town, township, or other agency of the state, which is created or appointed by statute, ordinance, or resolution and is vested with the authority to exercise any sovereign power derived from state law. For the purposes of this section, an official meeting is any meeting of a quorum of a public body at which official business of that public body is discussed or decided, or public policy is formulated, whether in person or by means of teleconference.

It is not an official meeting of one political subdivision or public body if its members provide information or attend the official meeting of another political subdivision or public body for which the notice requirements of § 1-25-1.1 have been met.

Any official meeting may be conducted by teleconference as defined in § 1-25-1.2. A teleconference may be used to conduct a hearing or take final disposition regarding an administrative rule pursuant to § 1-26-4. A member is deemed present if the member answers present to the roll call conducted by teleconference for the purpose of determining a quorum. Each vote at an official meeting held by teleconference shall be taken by roll call.

If the state, a political subdivision, or a public body conducts an official meeting by teleconference, the state, the political subdivision, or public body shall provide one or more places at which the public may listen to and participate in the teleconference meeting. For any official meeting held by teleconference, which has less than a quorum of the members of the public body participating in the meeting who are present at the location open to the public, arrangements shall be provided for the public to listen to the meeting via telephone or internet. The requirement to provide one or more places for the public to listen to the teleconference does not apply to an executive or closed meeting.

If a quorum of township supervisors, road district trustees, or trustees for a municipality of the third class meet solely for purposes of implementing previously publicly-adopted policy, carrying out ministerial functions of that township, district, or municipality, or undertaking a factual investigation of conditions related to public safety, the meeting is not subject to the provisions of this chapter. A violation of this section is a Class 2 misdemeanor.

1-25-1.1. PUBLIC NOTICE. All public bodies, except the state and each state board, commission, or department as provided in § 1-25-1.3, shall provide public notice, with proposed agenda, that is visible, readable, and accessible for at least an entire, continuous twenty-four hours immediately preceding any meeting, by posting a copy of the notice, visible to the public, at the principal office of the public body holding the meeting. The proposed agenda shall include the date, time, and location of the meeting. The notice shall also be posted on the public body's website upon dissemination of the notice, if such a website exists. For special or rescheduled meetings, the information in the notice shall be delivered in person, by mail, by email, or by telephone, to members of the local news media, who have requested notice. For special or rescheduled meetings, all public bodies shall also comply with the public notice provisions of this section for regular meetings to the extent that circumstances permit. A violation of this section is a Class 2 misdemeanor.

1-25-1.2. TELECONFERENCE DEFINED. For the purpose of this chapter, a teleconference is information exchanged by any audio, video, or electronic medium, including the internet. 1-25-1.3. Public notice of state meetings. The state and each state board, commission, or department shall provide public notice of a meeting by posting a copy of the proposed agenda at the principal office of the board, commission, or department holding the meeting. The proposed agenda shall include the date, time, and location of the meeting, be visible, readable, and accessible to the public. The agenda shall be posted at least seventy-two hours before the meeting is scheduled to start according to the agenda. The seventy-two hours does not include the day the agenda is posted nor Saturday, Sunday, or legal holidays. The notice shall also be posted on a state website, designated by the commissioner of the bureau of finance and management. For

any special or rescheduled meeting, the information in the notice shall be delivered in person, by mail, by email, or by telephone, to members of the local news media who have requested notice. For any special or rescheduled meeting, each state board, commission, or department shall also comply with the public notice provisions of this section for a regular meeting to the extent that circumstances permit. A violation of this section is a class 2 misdemeanor.

1-25-2. EXECUTIVE OR CLOSED MEETINGS. Executive or closed meetings may be held for the sole purpose of:

1) Discussing the qualifications, competence, performance, character or fitness of any public officer or employee or prospective public officer or employee. The term "employee" does not include any independent contractors.

2) Discussing the expulsion, suspension, discipline, assignment of or the educational program of a student or the eligibility of a student to participate in interscholastic activities provided by the South Dakota High School Activities Association;

3) Consulting with legal counsel or reviewing communications from legal counsel about proposed or pending litigation or contractual matters;

4) Preparing for contract negotiations or negotiating with employees or employee representatives;

5) Discussing marketing or pricing strategies by a board or commission of a business owned by the state or any of its political subdivisions, where public discussions would be harmful to the competitive position of the business.

However, any official action concerning such matters shall be made at an open official meeting. An executive or closed meeting shall be held only upon a majority vote of the members of such body present and voting, and discussion during the closed meeting is restricted to the purpose specified in the closure motion. Nothing in 1-25-1 or this section may be construed to prevent an executive or closed meeting if the federal or state Constitution or the federal or state statutes require or permit it. A violation of this section is a Class 2 misdemeanor.

9-34-19. EXECUTIVE SESSIONS (MUNICIPAL AND COUNTIES). Any documentary material or data compiled or received by a municipal corporation, county, or an economic development corporation receiving municipal or county funds, for the purpose of furnishing assistance to a business, to the extent that such material or data consists of trade secrets or commercial or financial information regarding the operation of such business, is not a public record. Any discussion or consideration of such trade secrets or commercial or financial information by a municipal corporation or county may be done in executive session closed to the public.

1-25-6. DUTY OF STATE'S ATTORNEY. If a complaint alleging a violation of chapter 1-25 is made pursuant to § 23A-2-1, the state's attorney shall take one of the following actions:

(1) Prosecute the case pursuant to Title 23A;
(2) Determine that there is no merit to prosecuting the case. Upon doing so, the state's attorney shall send a copy of the complaint and any investigation file to the attorney general. The attorney general shall use the information for statistical purposes and may publish abstracts of such information, including the name of the government body involved for purposes of public education; or
(3) Send the complaint and any investigation file to the South Dakota Open Meetings Commission for further action.

1-25-6.1. DUTY OF STATE'S ATTORNEY (COUNTY COMMISSION ISSUES). If a complaint alleges a violation of this chapter by a board of county commissioners, the state's attorney shall take one of the following actions:

(1) Prosecute the case pursuant to Title 23A;
(2) Determine that there is no merit to prosecuting the case. The attorney general shall use the information for statistical purposes and may publish abstracts of the information as provided by § 1-25-6;

(3) Send the complaint and any investigation file to the South Dakota Open Meetings Commission for further action; or
(4) Refer the complaint to another state's attorney or to the attorney general for action pursuant to § 1-25-6.

1-25-7. REFERRAL TO OMC. Upon receiving a referral from a state's attorney or the attorney general, the South Dakota Open Meetings Commission shall examine the complaint and investigatory file submitted by the state's attorney or the attorney general and shall also consider signed written submissions by the persons or entities that are directly

involved. Based on the investigatory file submitted by the state's attorney or the attorney general and any written responses, the commission shall issue a written determination on whether the conduct violates this chapter, including a statement of the reasons therefor and findings of fact on each issue and conclusions of law necessary for the proposed decision. The final decision shall be made by a majority of the commission members, with each member's vote set forth in the written decision. The final decision shall be filed with the attorney general and shall be provided to the public entity and or public officer involved, the state's attorney, and any person that has made a written request for such determinations. If the commission finds a violation of this chapter, the commission shall issue a public reprimand to the offending official or governmental entity. However, no violation found by the commission may be subsequently prosecuted by the state's attorney or the attorney general. All findings and public censures of the commission shall be public records pursuant to § 1-27-1. Sections 1-25-6 to 1-25-9, inclusive, are not subject to the provisions of chapter 1-26.

1-25-8. OMC MEMBERS. The South Dakota Open Meeting Commission shall be comprised of five state's attorneys appointed by the attorney general. Each commissioner shall serve at the pleasure of the attorney general. A chair of the commission shall be chosen annually from the membership of the commission by a majority of its members.

1-25-9. OMC CONFLICTS. No member of the commission may participate as part of the commission or vote on any action regarding a violation of this chapter if that member reported or was involved in the initial investigation, is an attorney for anyone who reported or was involved in the initial investigation, or represents or serves as a member of the governmental entity about whom the referral is made. The provisions of this section do not preclude a commission member from otherwise serving on the commission for other matters referred to the commission.

1-27-1.16. MEETING PACKETS AND MATERIALS. If a meeting is required to be open to the public pursuant to § 1-25-1 and if any printed material relating to an agenda item of the meeting is prepared or distributed by or at the direction of the governing body or any of its employees and the printed material is distributed before the meeting to all members of the governing body, the material shall either be posted on the governing body's website or made available at the official business office of the governing body at least twenty-four hours prior to the meeting or at the time the material is distributed to the governing body, whichever is later. If the material is not posted to the governing body's website, at least one copy of the printed material shall be available in the meeting room for inspection by any person while the governing body is considering the printed material. However, the provisions of this section do not apply to any printed material or record that is specifically exempt from disclosure under the provisions of this chapter or to any printed material or record regarding the agenda item of an executive or closed meeting held in accordance with § 1-25-2. A violation of this section is a Class 2 misdemeanor. However, the provisions of this section do not apply to printed material, records, or exhibits involving contested case proceedings held in accordance with the provisions of chapter 1-26.

1-27-1.17. DRAFT MINUTES. The unapproved, draft minutes of any public meeting held pursuant to § 1-25-1 that are required to be kept by law shall be available for inspection by any person within ten business days after the meeting. However, this section does not apply if an audio or video recording of the meeting is available to the public on a violation of the governing body's website within five business days after the meeting. A violation of this section is a Class 2 misdemeanor. However, the provisions of this section do not apply to draft minutes of contested case proceedings held in accordance with the provisions of chapter 1-26.

1-27-1.18. WORKING GROUP REPORTS. Any final recommendations, findings, or reports that result from a meeting of a committee, subcommittee, task force, or other working group which does not meet the definition of a political subdivision or public body pursuant to § 1-25-1, but was appointed by the governing body, shall be reported in open meeting to the governing body which appointed the committee, subcommittee, task force, or other working group. The governing body shall delay taking any official action on the recommendations, findings, or reports until the next meeting of the governing body.

Q: WHAT IS SOUTH DAKOTA'S OPEN MEETINGS LAW?

A: South Dakota's open meetings law embodies the principle that the public is entitled to the greatest possible information about public affairs and is intended to encourage public participation in government. SDCL 1-25-1 requires that official meetings of public bodies must be public and notice is to be given of such meetings 24 hours in advance of the meetings. The statute defines an "official meeting" as one where a quorum of the public body is present and at which official business of the body is discussed or decided, or where public policy is formulated.

Openness in government is encouraged.

Q: WHO DOES THE OPEN MEETINGS LAW APPLY TO?

A: The open meetings law applies to all public bodies "of the state or its political subdivisions" that exercise "sovereign power derived from state law." SDCL 1-25-1. This includes cities, counties, school boards and other public bodies created by ordinance or resolution, such as appointed boards, task forces, and committees, so long as they have authority to actually exercise sovereign power. Although no court decisions have been issued on the subject, this probably does not include bodies that are not created by statute, ordinance, or resolution, or that serve only in an advisory capacity. The state Constitution allows the Legislature and the Unified Judicial System to create rules regarding their own separate functions.

Q: ARE TELECONFERENCES CONSIDERED PUBLIC MEETINGS?

A: Yes. The open meetings law allows meetings, including executive or closed meetings, to be conducted by teleconference – defined as an exchange of information by audio, video, or electronic means (including the internet) – if a place is provided for the public to participate. In addition, for teleconferences where less than a quorum is present at the location open to the public, arrangements must also be made for the public to listen by telephone or internet (except for portions of meetings properly closed for executive sessions). The media and public must be notified of teleconference meetings under the same notice requirements as any other meeting. All votes shall be taken by roll call.

Q: HOW ARE THE PUBLIC AND MEDIA NOTIFIED WHEN PUBLIC BUSINESS IS BEING DISCUSSED?

A: SDCL 1-25-1.1 requires that all public bodies except the state and each state board, commission, or department as provided in § 1-25-1.3, prominently post a notice and copy of the proposed agenda at the public body's principal office. At a minimum, the proposed agenda must include the

date, time, and location of the meeting and must be visible, readable, and accessible to the public for 24 continuous hours immediately preceding the meeting. Also, if the public body has its own website, the notice must be posted on the public body's website upon dissemination of the notice. For special or rescheduled meetings, public bodies must comply with the regular meeting notice requirements as much as circumstances permit. The notice must be delivered in person, by mail, by email, or by telephone to all local news media who have asked to be notified. It is good practice for local media to renew requests for notification of special or rescheduled meetings at least annually. SDCL 1-25-1.3 varies slightly from SDCL 1-25-1.1 and requires the State, and each state board, commission, or department to give notice by posting a proposed agenda at least 72 continuous hours before a meeting is scheduled to start (this does not include the day the agenda is posted, or any weekend or legal holiday). Each state board, commission, or department is also required to give notice of a public meeting by posting its proposed agenda on <http://boardsandcommissions.sd.gov>.

Q: WHO ARE LOCAL NEWS MEDIA?

A: There is no definition of "local news media" in SDCL ch. 1-25. "News media" is defined in SDCL 13-1-57 generally as those personnel of a newspaper, periodical, news service, radio station, or television station regardless of the medium through which their content is delivered. The Attorney General is of the opinion that "local news media" is all news media – broadcast and print – that regularly carry news to the community.

Q: CAN PUBLIC MEETINGS BE RECORDED?

A: Yes, SDCL 1-25-11 requires public bodies to allow recording (audio or video) of their meetings as long as the recording is reasonable, obvious, and not disruptive.

Q: WHEN CAN A MEETING BE CLOSED TO THE PUBLIC AND MEDIA?

A: SDCL 1-25-2 allows a public body to close a meeting for the following purposes: 1) to discuss personnel issues pertaining to officers or employees; 2) consideration of the performance or discipline of a student, or the student's participation in interscholastic activities; 3) consulting with or reviewing communications from legal counsel about proposed or pending litigation or contractual matters; 4) employee contract negotiations; or 5) to discuss marketing or pricing strategies of a publicly-owned competitive business. The statute also recognizes that executive session may be appropriate to comport with other laws that require confidentiality or permit executive or closed meetings. Federal law pertaining to students and medical records will also cause school districts and other entities to

conduct executive sessions or conduct meetings so as to refrain from releasing confidential information. Meetings may also be closed by cities and counties for certain economic development matters. SDCL 9-34-19.

Note that SDCL 1-25-2 and SDCL 9-34-19 do not require meetings be closed in any of these circumstances.

Any official action based on discussions in executive session must, however, be made at an open meeting.

Q: WHAT IS THE PROPER PROCEDURE FOR EXECUTIVE SESSIONS?

A: Motions for executive sessions must refer to the specific state or federal law allowing for the executive session i.e. "pursuant to SDCL 1-25-2(3)." Also, best practice to avoid public confusion would be that public bodies explain the reason for going into executive session. For example, the motion might state "motion to go into executive session pursuant to SDCL 1-25-2(1) for the purposes of discussing a personnel matter," or "motion to go into executive session pursuant to SDCL 1-25-2(3) for the purposes of consulting with legal counsel."

Discussion in the executive session must be strictly limited to the announced subject. No official votes may be taken on any matter during an executive session. The public body must return to open session before any official action can be taken.

Board members could be held personally liable for the results of an official vote taken illegally during an executive session. For example, a contract approved only during an executive session could be found void and the board members could be required to repay any public funds spent under the contract.

Q: WHAT HAPPENS IF THE MEDIA OR PUBLIC IS IMPROPERLY EXCLUDED FROM A MEETING OR OTHER VIOLATIONS OF THE OPEN MEETING LAW OCCUR?

A: Excluding the media or public from a meeting that has not been properly closed subjects the public body or the members involved to (a) prosecution as a Class 2 misdemeanor punishable by a maximum sentence of 30 days in jail, a \$500 fine or both or (b) a reprimand by the Open Meeting Commission ("OMC"). The same penalties apply if the agenda for the meeting is not properly posted or other open meeting violations occur.

Also, action taken during any meeting that is not open or has not been properly noticed could, if challenged, be declared null and void. It could even result in personal liability for members of the governing body involved, depending upon the action taken.

Q: HOW ARE ISSUES REFERRED TO THE OPEN MEETINGS COMMISSION ("OMC")?

A: Persons alleging violations of the open meetings laws must make their complaints with law enforcement officials in the county where the offense occurred. After a signed notarized complaint is made under oath, and any necessary investigation is conducted, the State's Attorney may (a) prosecute the case as a misdemeanor, (b) find that the matter has no merits and file a report with the Attorney General for statistical purposes or (c) forward the complaint to the OMC for a determination. The OMC is comprised of five State's Attorneys appointed by the Attorney General. The OMC examines whether a violation has occurred and makes written public findings explaining its reasons. If you have questions on the procedures or status of a pending case, you may contact the Attorney General's Office at 605-773-3215 to talk to an assistant for the OMC. Procedures for the OMC are posted on the website for the Office of Attorney General. <http://atg.sd.gov/>.

Q: WHAT DOES THE TERM "SOVEREIGN POWER" MEAN?

A: The open meetings law does not define this term, but it generally means the power to levy taxes, impose penalties, make special assessments, create ordinances, abate nuisances, regulate the conduct of others, or perform other traditional government functions. The term may include the exercise of many other governmental functions. If an entity is unclear whether it is exercising "sovereign power" it should consult with legal counsel.

Q: MAY AGENDA ITEMS BE CONSIDERED IF THEY ARE ADDED LESS THAN 24 HOURS BEFORE A MEETING?

A: Proposed agendas for public meetings must be posted at least 24 hours in advance of the meeting. The purpose of providing advance notice of the topics to be discussed at a meeting is to provide information to interested members of the public concerning the governing body's anticipated business. Typically the public body adopts the final agenda upon convening the meeting. At this time, the governing body may add or delete agenda items and may also change the order of business. In 2012, the South Dakota Supreme Court affirmed a South Dakota Circuit Court decision which held that a preliminary agenda may be amended when the board takes action to formally adopt the meeting agenda. See *Molden v. Grant-Deuel School Dist.* 25-3, Order Directing Issuance of Judgment of Affirmance, So. Dak. Sup. Ct. # 26325, October 9, 2012. New items cannot be added after the agenda has been adopted by the governing body. Public bodies are strongly encouraged to provide 24 hours notice of all agenda items so as to be fair to the public and to avoid dispute.

For special or rescheduled meetings, public bodies are to comply to the extent circumstances permit. In other words, posting less than 24 hours in advance may be permissible in emergencies.
