RE: Use of Airport Fuel Tax Funds

Ms. Jennifer Boehm  
Department of Transportation  
Office of Air, Rail & Transit  
700 East Broadway Avenue  
Pierre, South Dakota 57501-2586

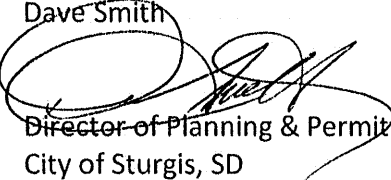

Dear Ms. Boehm:

The City of Sturgis would like to purchase a fuel transfer tank to be installed in the back of the Sturgis Airport plow truck. This tank will be used to transport diesel fuel to the airport to be used in our snow removal equipment. The plow truck was purchased using Fuel Tax Funds and is used entirely for Airport operations. Total cost of the tank and transfer pump is \$577.99

Currently Airport staff must transport fuel for our snow removal equipment using 5-gallon cans. This tank will allow our snow removal efforts to flow more smoothly.

Thank you for your consideration.
