RE: Request to Use Airport Fuel Tax Funds

Dear SD Aeronautics Commission:

The City of Philip kindly requests the use of \$583.00 in our fuel tax funds to purchase and install two new exterior lights around the airport lounge at the Philip Municipal Airport. The lights are for the safety of our airport and users. They also replace the previous light and pole that was removed during construction of the new hangar building.

For your information, a copy of the quote for the new lights is enclosed. This request has also been authorized by the City of Philip Airport Committee.

Should you require anything further to process this request, please contact me at 605-859-2175 or email cityadmin@philipsd.us.

Respectfully,
