**MEMORANDUM**

DATE: September 20, 2022

TO: Mike Behm, Director  
Division of Planning and Engineering

FROM: Joanne Hight, Program Manager  
Office of Administration

SUBJECT: Transportation Commission Meeting – September 29, 2022  
Item for Consideration

**Consideration of 2020 & 2021 Local Federal Bridge Match Requirements:**

Assistance for the 2020 & 2021 Local Federal Bridge Match was provided via HB1237 (\$4,011,837.00) in 2020 and additional state highway funding was provided for the 2021 Federal program (\$3,329,000.00) by the Transportation Commission. Based on the federal allocation amounts, this resulted in an estimated 5.34% local match. Costs have increased and as the Local Federal Bridge Program projects does not have a federal grant cap, we request consideration to approve changing the match from a fixed dollar amount to an overall percent of project cost. This would result in a 12.71% (State) and 5.34% (Local) match based on project cost.
