Re: Pierre Regional Airport
Pierre, South Dakota
City of Pierre Fuel Tax Fund

Good day Nancy,

The City of Pierre has entered into an agreement with Virtower for the installation and services provided by their company at the Pierre Regional Airport. We would like to use \$6,000 of the \$181,660.12 in our Fuel Tax Fund to pay for the first year of service. Per our conversation on the 20th of February 2024, it is your believe that this is an allowable expense for use of the funds pending approval by the commission. Could you please submit this request to the Commission for approval and advise of any other actions required on our part.

Thank you,
