MEMORANDUM

DATE: July 19, 2023

TO: Mike Behm, Director
Division of Planning and Engineering

FROM: Joanne Hight, Program Manager
Office of Administration

SUBJECT: Transportation Commission Meeting – July 27, 2023
Item for Consideration

Consideration of BIG Grant Distribution

The 2024 Local Bridge Improvement Grant (BIG) procedures document approved on June 29, 2023 allowed the Department of Transportation (SDDOT) to allocate 75% of the BIG share for the cost of design engineering or construction and construction engineering on Preservation and Major Rehabilitation/Replacement projects.

For Preservation Projects and Major Rehabilitation/Replacement projects that were awarded BIG grants prior to the adoption of the FY 2024 procedures, SDDOT is asking the Transportation Commission to make a motion authorizing SDDOT to make grant distributions in accordance with the FY 2024 procedures.
