

**“Received-Through” Policy  
State General Fund Savings Report  
Maximizing Federal Funds  
SFY2020  
Savings July 1, 2019 through August 31, 2019**

- At the time of this reporting, Care Coordination Agreements (CCAs) have been fully executed between IHS and each of the providers/systems listed below.
- Claims subject to the CCAs will be submitted for federal funding at 100% Federal Medical Assistance Percentage (FMAP) reimbursement rate, rather than the traditional FMAP rate for medical and pharmacy services (currently 56.71% federal).
- The difference between what the federal government will now fund at 100% leveraging the “Received Through” policy vs. what the federal government would otherwise have funded, is state general fund savings to the South Dakota Medicaid budget.
- State general fund Fiscal Year-to-Date savings to South Dakota Medicaid are detailed below.
- The savings leveraged will be used to fund recommendations of the SD Health Care Solutions Coalition, increase provider rates and share savings with providers.
- SFY2019 final report can be found [here](#).
