November 6, 2024 – Zoom Meeting**

Discussion included possible agenda items: customized employment, VR success stories. Eric talked about Griffin-Hammis Associates as a possibility for speakers on the topic of customized employment. He will reach out to them and check on their availability. He will also check with staff about the possibility of identifying a VR recipient to speak about services and employment. The meeting is several weeks away which might make it difficult. If things don't line up for the November meeting things can be arranged for a future meeting.

The BVR Annual Report and the BVR Bylaws Proposed Amendments will be listed as separate items. A few other things were discussed that fell under different agenda items.

There was no other business, and the meeting ended at 3:34 PM.
