ADDRESS 11985 Quaal Rd, Black Hawk, SD 57718

Section 1) Parties Involved

1. Dakota Pump, Inc - 11985 Quaal Rd, Black Hawk, SD 57718.
2. Trevor Nelson - Trevor holds certificates for Water Treatment State and Water Distribution with the State of South Dakota and Wyoming.
3. Red Ridge Adventures Hospitality LLC for the systems for this contract are the 25 listed above.

Section 2) Description of the Systems

The systems are located throughout the Black Hills National Forest in South Dakota and Wyoming. They are campgrounds with fluctuating populations and are considered seasonal systems. The source of each system is ground water.

Section 3) Purpose of the Contract

The campgrounds are currently in need of a system operator that has a South Dakota and Wyoming certification. Each of the 25 systems require sampling, testing and reporting, with state-required visits to each campground weekly.

Section 4) Duties of the Contract Operator and/or Consultant

Dakota Pump, Inc. will charge a flat rate to collect and submit all entry point testing requirements for the season contract calendar year (May through September) and deliver them to the lab. BCT (bacteria) testing for each month is NOT included in the proposed price. Red Ridge Adventures Hospitality LLC will be directly invoiced from the lab for required testing. In the event a Bacteria sample fails, return trip(s) to take the repeat sample(s) are not included and Red Ridge Adventures Hospitality, LLC will be responsible for lab fees for the repeat samples as required by the state and invoiced hourly by Dakota Pump, Inc for the return trips as needed. Dakota Pump, Inc will take Chlorine residual measurements and assist at an hourly rate to adjust distribution to maintain a level of at least .3mg/l in all areas of the systems as required. Dakota Pump will do weekly onsite visits of each well or booster station and chem feed system to assist in maintaining the efficient systems operation of each location at an hourly rate. Hourly rates will be invoiced as outlined in Section 5 of this document.

Dakota Pump, Inc will conduct system start-ups as needed at the beginning of the camping season at an hourly rate and invoiced to Red Ridge Adventures Hospitality, LLC as outlined in Section 5 of this document.

Upgrades, improvements, system repairs or emergency call outs outside the scope of this agreement requested by Red Ridge Adventures Hospitality, LLC or it's representatives will be agreed to in writing or separate proposals outside of this contract based on specific needs at that time. Any work required or requested outside the scope of this contract (taking samples, testing and weekly onsite visits) will be invoiced at the rates outlined in Section 5 of this document. Dakota Pump Inc will maintain an employee with a valid operator's certificate while this contract is in effect. Any additional on-site work, construction, service or repairs can be addressed but are not covered in this contract.

PHONE 605.503.0506

EMAIL LarryEarney@dakotapump.com

WEB DakotaPump.com

ADDRESS 11985 Quaal Rd, Black Hawk, SD 57718

Section 5) Payment Amount

A monthly fee of \$15,000 plus tax will be invoiced for sampling and weekly visits on the 1st of each month. The first payment is due upon authorization of this agreement. Any services provided by Dakota Pump, Inc outside the scope of work including but not limited to additional requested onsite visits, phone consultations or additional sampling will be invoiced at \$150 per man hour, to include any travel time to and from the project location, plus equipment and/or materials and tax. The \$150.00 per man hour is for normal business hours of 8am to 5pm Monday through Friday starting when. Any work required outside normal business hours will be billed at \$225.00 per man hour, to include any travel time to and from the project location. Any additional projects, repairs, service, maintenance or system upgrades that can be planned will be quoted and agreed to prior to work starting. Any work performed outside what is outlined in this contract will be billed on a case-by-case basis at rates listed above plus taxes.

Section 6) Dates

The billing rates of the contract as laid out above will be good from the date this agreement is authorized to September 30th, 2026. During this time either party may cancel for any reason with 30-day notice. At the end of the contract a new contract can be negotiated by both parties or may be extended if authorized by both parties.

*****Dakota Pump, Inc will not accept or be responsible for liquid damages or any financial penalties of any type due to the timing of the authorization of this agreement or for any other factors outside of our control*****

SIGNATURES:

Water System Representative:  Date: 5.4.26

Water System Contract Operator:  Date: 5-4-26

OPERATOR'S CONTRACT: CLASS I OPERATOR

SECTION I

PARTIES:

The parties to this agreement are Sage Water Works, Inc., Allan Sage Certified Operator of 5310 Ebony Place, Piedmont, SD 57769, herein called "Operator" and Town of Hermosa of Hermosa, South Dakota, herein called "Water Association."

Allan Sage is, at minimum, a Class I Water Treatment Operator and a Class I Water Distribution Operator certified by the South Dakota Department of Agricultural and Natural Resources and is an employee of Sage Water Works, Inc. Allan Sage is designated as the employee in charge of services under this contract.

SECTION II

DESCRIPTION OF THE SYSTEM:

The Water Association is the owner of the water system consisting of two (2) water wells, two (2) reservoirs, water mains and lines known as the Town of Hermosa Water System with registered EPA ID No. 0154. The system's water source is ground water and has two hundred and seventy-seven (277) user service connections at the time of the signing of this agreement. Drinking water is treated with chlorine and is not treated with phosphates or fluoride.

The system does not include and specifically excludes all water lines, appliances, facilities, hydrants and points of use on the consumer side of the water main for each respective user.

SECTION III

PURPOSE:

The Operator is a certified water system operator and in the business of operating water systems for private associations. The Water Association is the owner of the water system and requires the service of a licensed operator to manage its water system.

All new agreements are subject to amendment until approved by the "South Dakota Board of Operator Certification".

SECTION IV

DUTIES OF THE OPERATOR:

During the term of this contract, the Operator shall perform any and all services required on Exhibit A attached hereto and by this reference incorporated herein.

The termination and restoration of a residence water supply for nonpayment to the Water Association is not a part of the general services rendered in Exhibit A and will be rendered at the request of the Water Association for additional fee(s).

During the term of this contract, the Operator shall be in direct responsible charge of all operations and maintenance of the water system and the Water Association shall not permit any interference with the same.

DUTIES OF THE WATER ASSOCIATION:

The Water Association shall provide all requested water system and housing community information necessary for Certified Operator to manage the water system including, but not limited to, any and all "as built" plans and maps of the water system, manuals and specifications for the pump, reservoir and water system and an inventory of spare parts and equipment for the same. The Water Association shall further provide and pay for all repairs necessary to the water system in order to maintain the same and shall make such repairs and enhancements as are necessary to provide safe drinking water or required by the Department of Agricultural and Natural Resources for maintenance of its certification as a water system. The Water Association will make every effort to notify the Certified Operator of any planned or unplanned work to be performed on the water system.

SECTION V

COMPENSATION:

The Water Association shall pay to the Certified Operator for its services the sum of \$1,600.00 per month plus applicable tax for general services. All water testing and water treatment chemicals must be purchased through Sage Water Works, Inc. unless otherwise negotiated between Certified Operator and Water Association.

The Certified Operator's fee may be adjusted annually based upon the number of additional service connections, wells, and/or increases in operational expenses. Written notice of any such increase will not be less than 30 days.

Payments are due by the 28th of every month. Payments not received by the 28th of the month or when applicable the adjusted due date will have late charges assessed.

SECTION VI

TERM AND EXTENSION:

This contract shall commence on the date hereof and shall continue for a period of one (1) year to the anniversary date hereof. This agreement will automatically renew for an additional year unless the Water Association or the Certified Operator gives written notice to the other not later than sixty (60) days prior to the end of the term of its intention to terminate this agreement. All of the terms and conditions of the agreement applicable hereto shall continue in full force and effect for the additional term.

INSURANCE:

The Certified Operator agrees to maintain Worker's Compensation and Employer Liability insurance coverage throughout the term of this agreement as such Worker's Compensation insurance is

required from time to time by the laws of the State of South Dakota, holding the Water Association harmless from any claims by the employees of Operator.

The Water Association agrees to indemnify and hold harmless the Certified Operator from any and all claims including, but not limited to, loss of property, theft or legal action as the result of error and/or negligence by the Water Association, its officers, directors, engineers, consultants and agents.

The Certified Operator agrees to indemnify and hold harmless the Water Association from any and all claims including, but not limited to, loss of property, theft or legal action as the result of error and/or negligence by the Certified Operator, its officers, directors, engineers, consultants and agents.

SECTION VIII

RELATIONSHIP BETWEEN PARTIES:

The Water Association contracts with the Certified Operator as an independent contractor and solely for the purposes set forth in this agreement. The Certified Operator shall be free to determine the time, energy and skill required for the performance of the contract and shall be free to schedule such time and service in such manner as the contractor sees fit. The Certified Operator contractor shall not be considered as an employee, joint venture or partner in the operation, maintenance and service of the water system.

The Water Association and Certified Operator shall conduct business in a professional manner at all times and respect each other as business entities with individual operating standards.

SECTION IX

RESPONSIBILITY:

Certified Operator shall perform its services through certified/qualified personnel in a good and workmanlike manner and in accordance with the generally accepted safety practices.

SECTION X

TERMINATION:

- A. Termination Without Cause. Either party hereto may terminate this agreement without cause upon sixty (60) days written notice of termination delivered to the affected party by first class mail.
- B. Death or Disability. This agreement may be terminated by the Operator or Water Association upon thirty (30) days written notice in the event the services required of the Certified Operator cannot be performed by it due to the death, disability, relocation or military service of its Certified Operator and inability to provide a substitute or replacement of the same in order to complete the term of this agreement.
- C. Termination for Breach. In the event of a material breach by one party, the non-breaching party may provide written notice of the breach and terminate this agreement at any time after a reasonable opportunity to cure such breach. Such opportunity not to

exceed thirty (30) days. If the breaching party, prior to expiration of such period, has cured the breach, this agreement shall remain in effect for the balance of its current term.

SECTION XI

ENTIRE AGREEMENT:

This agreement shall be construed in accordance with the laws of the State of South Dakota and shall constitute the entire agreement between the parties. Any and all prior written or oral agreements are replaced hereby. All section headings in this agreement have been inserted for convenience only and are not to be construed as part of the agreement itself. Wherever a requirement for performance by either party is imposed without specification as to time, it shall be construed that such performance shall be commenced and completed within a reasonable period of time after notice of the need for performance has been given and received.

Executed by the parties on this 13 day of August, 2026.

TOWN OF HERMOSA Water Association

Certified Operator Responsibilities

Title: Water Treatment & Distribution Operator
Contracted by: Board of Directors
Main Function: Provides maintenance, technical consultation and system support for drinking water system.
Credentials: Class II Water Treatment Operator; Class I Water Distribution Operator

Responsibilities:

1. Maintains efficient system operation by observing proper function of system, including but not limited to: reservoir water levels, pump & master meter(s) operation, fluorination/chlorination/phosphate output, system/pit leaks, pit heaters, pump drives, auto dialers and other equipment requiring or providing monitoring.
2. Records system checks and when appropriate documents corrective actions.
3. Performs on-site inspections at least once per week totaling up to 3 hours per month.
4. Systems with remote monitoring and/or auto-dialers will be monitored by the operator as deemed necessary.
5. Provides 24-hour on-call service 7 days per week for system failure. When available, provides a trained replacement in his absence and notifies Board of Directors/water system owner/designee of departure and return dates.
6. Completes water quality testing as required by the South Dakota Drinking Water Standards, records results and makes necessary modifications to system. (Sampling fees are applicable for any additional sampling resulting from failed samples)
7. Obtains chlorine residual measurements and strives to maintain a chlorine level of at least 0.3 mg/l in all areas of the distribution system. (If applicable) Responsible for quarterly chlorine reporting to South Dakota DANR.

EXHIBIT A continued

8. Obtains fluoride level measurements and strives to maintain a fluoride level in accordance with South Dakota fluoridation rules and regulations. (If applicable)
9. Attends, as requested by agencies, all on-site inspections by the South Dakota Drinking Water Program, Environmental Protection Agency (EPA) and Department of Agriculture and Natural Resources (DANR).
10. Provides a good, safe working environment.
11. Performs minor, ongoing and preventative system maintenance. *
12. Identifies and performs needed minor system repairs within scope of capability. *
13. Performs sediment flushing of water distribution lines and exercises hydrants and main valves on a regular basis. Water Association must provide operator ease of access or this responsibility will default back to Water Association.
14. Provides a monthly status report of drinking water system operations and communicates at membership meetings as requested by Board of Directors/water system owner/designee.
15. Maintains operational, maintenance and administrative records of all drinking water system activities. Water system records will be purged according to standards set forth by the DANR.
16. Answer homeowner's concerns regarding system operation/water quality testing and relays any complaints to Board of Directors/water system owner/designee.
17. Provides consumers with a copy of the Annual Drinking Water Report (public drinking water systems only). Report production & mailing fees are applicable.
18. Provides consumers with a public notice for repeated failed samples or as directed by South Dakota Drinking Water Program (public drinking water systems only). Report production & mailing fees are applicable.
19. Purchases routine supplies/services to include, but not limited to: chemical treatments, chlorine testing materials and water quality analysis reports and submits charges with monthly bill.
20. Analyzes operational data to determine changes and improvements for more efficient operation.
21. Advises Board of Directors of any pending repairs, water quality or system performance issues.
22. Retains valid operator certificate(s).
23. Provides proof of Contractor's Liability Insurance upon request.

*Minor system maintenance/repairs are those, which do not require time beyond the normal on-site inspection as described in Responsibility #3 or equipment rental or repair parts costing over \$1,000. Major repairs are not part of this attachment and may be contracted separately on an as-needed basis.

OPERATOR'S CONTRACT: CLASS I OPERATOR

SECTION I

PARTIES:

The parties to this agreement are Sage Water Works, Inc., Allan Sage Certified Operator, of 5310 Ebony Place, Piedmont, SD 57769, herein called "Operator" and Reebe Ranch Estates of Spearfish, South Dakota, herein called "Water Association."

Allan Sage is, at minimum, a Class I Water Treatment Operator and a Class I Water Distribution Operator certified by the South Dakota Department of Environment and Natural Resources and is an employee of Sage Water Works, Inc. Allan Sage is designated as the employee in charge of services under this contract.

SECTION II

DESCRIPTION OF THE SYSTEM:

The Water Association is the owner of the water system consisting of one (1) water well, two (2) reservoirs, water mains and lines known as the Reebee Ranch Estates Water System with registered EPA ID No. 0440. The system's water source is ground water and has eighteen (18) user service connections at the time of the signing of this agreement. Drinking water is treated with chlorine and is not treated with phosphates or fluoride.

The system does not include and specifically excludes all water lines, appliances, facilities, hydrants and points of use on the consumer side of the water main for each respective user.

SECTION III

PURPOSE:

The Operator is a certified water system operator and in the business of operating water systems for private associations. The Water Association is the owner of the water system and requires the service of a licensed operator to manage its water system.

All new agreements are subject to amendment until approved by the "South Dakota Board of Operator Certification".

SECTION IV

DUTIES OF THE OPERATOR:

During the term of this contract, the Operator shall perform any and all services required on Exhibit A attached hereto and by this reference incorporated herein.

The termination and restoration of a residence water supply for nonpayment to the Water Association is not a part of the general services rendered in Exhibit A and will be rendered at the request of the Water Association for additional fee(s).

During the term of this contract, the Operator shall be in direct responsible charge of all operations and maintenance of the water system and the Water Association shall not permit any interference with the same.

DUTIES OF THE WATER ASSOCIATION:

The Water Association shall provide all requested water system and housing community information necessary for Certified Operator to manage the water system including, but not limited to, any and all "as built" plans and maps of the water system, manuals and specifications for the pump, reservoir and water system and an inventory of spare parts and equipment for the same. The Water Association shall further provide and pay for all repairs necessary to the water system in order to maintain the same and shall make such repairs and enhancements as are necessary to provide safe drinking water or required by the Department of Environment and Natural Resources for maintenance of its certification as a water system. The Water Association will make every effort to notify the Certified Operator of any planned or unplanned work to be performed on the water system.

SECTION V

COMPENSATION:

The Water Association shall pay to the Certified Operator for its services the sum of \$600.00 per month plus applicable tax for general services. All water testing and water treatment chemicals must be purchased through Sage Water Works, Inc.

The Certified Operator's fee shall be adjusted at the end of each twelve (12) month period of this contract based upon the number of additional service connections.

Payments are due by the 28th of every month. Payments not received by the 28th of the month or when applicable the adjusted due date will have late charges assessed.

SECTION VI

TERM AND EXTENSION:

This contract shall commence on the date hereof and shall continue for a period of one (1) year to the anniversary date hereof. This agreement will automatically renew for an additional year unless the Water Association or the Certified Operator gives written notice to the other not later than sixty (60) days prior to the end of the term of its intention to terminate this agreement. All of the terms and conditions of the agreement applicable hereto shall continue in full force and effect for the additional term.

INSURANCE:

The Certified Operator agrees to maintain Worker's Compensation and Employer Liability insurance coverage throughout the term of this agreement as such Worker's Compensation insurance is required from time to time by the laws of the State of South Dakota, holding the Water Association harmless from any claims by the employees of Operator.

RA

The Water Association agrees to indemnify and hold harmless the Certified Operator from any and all claims including, but not limited to, loss of property, theft or legal action as the result of error and/or negligence by the Water Association, its officers, directors, engineers, consultants and agents.

The Certified Operator agrees to indemnify and hold harmless the Water Association from any and all claims including, but not limited to, loss of property, theft or legal action as the result of error and/or negligence by the Certified Operator, its officers, directors, engineers, consultants and agents.

SECTION VIII

RELATIONSHIP BETWEEN PARTIES:

The Water Association contracts with the Certified Operator as an independent contractor and solely for the purposes set forth in this agreement. The Certified Operator shall be free to determine the time, energy and skill required for the performance of the contract and shall be free to schedule such time and service in such manner as the contractor sees fit. The Certified Operator contractor shall not be considered as an employee, joint venture or partner in the operation, maintenance and service of the water system.

The Water Association and Certified Operator shall conduct business in a professional manner at all times and respect each other as business entities with individual operating standards.

SECTION IX

RESPONSIBILITY:
