HMEP Grant Year 2016

- Thirty-two projects were completed (two hazmat courses in Codington County, a hazmat course in Fall River County, a Hazmat IQ Decon training, ARFF Spring Live Burn training, ARFF Fall Live Burn training, Blue Card online training, Blue Card in-person training, attendance at the IAFC conference, and attendance at the Safe Transportation Training Specialists training for Aberdeen Fire & Rescue, three hazmat courses in Edmunds County, hazmat plan updates/rewrites for Spink, Douglas, Aurora, and Hand Counties, commodity flow studies for Hanson, Lake, and Fall River Counties, attendance at the FDIC and IAFC conferences for a total of three personnel, a Hazmat IQ course, attendance at the TEEEX Hazmat Transportation Specialist training, and attendance at the Safe Transportation Training Specialists training for Sioux Falls Fire Rescue, attendance at the Cold Zone and FDIC conferences for a total of five personnel, ARFF training, and attendance at the Safe Transportation Training Specialists training for Watertown Fire Rescue, attendance at a hazmat training at the Security and Emergency Response Training Center in Pueblo, Colorado for two personnel from the Rapid City Fire Department), and attendance at the Western Regions SERC Conference for one SERC member. A total of 290 students were trained through the hazmat classes and 11 personnel attended hazmat continuing education conferences.

HMEP Grant Year 2017

- Twenty-five projects have been completed (attendance at the Hot Zone conference in Houston for three personnel from Watertown Fire Rescue attendance at the IAFC Hazmat Conference in Baltimore for three personnel from Watertown Fire Rescue, attendance at the Cold Zone conference in Minneapolis for three personnel from Watertown Fire Rescue, one Airport Rescue Firefighting live burn training for Watertown Fire Rescue, attendance at the Continuing Challenge Hazmat Conference in Sacramento for three personnel from Watertown Fire Rescue, attendance at the TEEEX Transportation Specialist training for four members of Sioux Falls Fire Rescue, Tactical Chemistry training for Task Force 1, three hazmat awareness/operations courses in Codington County, one hazmat training/exercise in Jones County, two Hazmat IQ courses for Aberdeen Fire Rescue, attendance at the IAFC Hazmat Conference in Baltimore for one person from Aberdeen Fire Rescue, two Airport Rescue Firefighting live burn trainings for Aberdeen Fire Rescue, hazmat plan updates/rewrites for Clark, Deuel, Kingsbury, McPherson, Miner, and Moody Counties, and four planning meetings for the Task Force 1 hazmat team leads). A total of 202 personnel were trained through the hazmat classes and 13 personnel attended hazmat continuing education conferences.

HMEP Grant Year 2018

- The grant award for FY 2018 was issued by the U.S. Department of Transportation/Pipeline and Hazardous Material Safety Administration (DOT/PHMSA), effective September 30th, 2018. The total federal award amount was \$177,194.
- The federal award amount includes a supplemental funding request to stock a hazmat training trailer with non-consumable inventory for the Task Force 1 hazmat team to use for training on hazardous materials transportation incidents, such as rail car or tanker responses. Sioux Falls Fire Rescue will donate the 22' enclosed trailer, which will count as match for the project. The State of South Dakota was eligible to apply for this supplemental funding because we have obligated most of our FY 2016 award and have continuously submitted reports on time to DOT/PHMSA. This was a competitive application process.
- Four projects have been completed (two hazmat awareness/operations classes in Codington County, TEEEX Transportation Specialist training for Sioux Falls Fire Rescue, and Tactical Chemistry training for Task Force 1). A total of 62 personnel were trained through the hazmat classes.
