Vice-chairman Bob Huggins called the meeting of the South Dakota Aeronautics Commission (the "Commission") to order at 2:00 p.m. CT. Roll call was taken. A quorum was determined.

Huggins welcomed Dustin Coleman to the Commission. Coleman replaced Odenbach on the Commission.

Huggins opened the floor to the Commission to disclose potential conflicts of interest and to present requests for waiver pursuant to South Dakota Codified Law (SDCL) Chapter 3-23.

No commissioners disclosed a conflict of interest nor requested a waiver.

The annual election of officers was held. Huggins opened the floor for nominations. Commissioner Taylor nominated Jerry Rieber for Vice-chairman. Commissioner Kassidy Nelson nominated John Taylor for Chairman and seconded Jerry Rieber for Vice-chairman. Commissioner Rolf Johnson nominated Bob Huggins for Chairman. There were no further nominations.

Dustin DeBoer, Office of Legal Counsel, directed a roll call vote to be taken in which the voting Commissioners state the name of the person they are voting for chairman. Bob Huggins and John Taylor did not vote. By a vote of 3:1, John Taylor was appointed Chairman.

Taylor will become chairman at the beginning of the next meeting.

Huggins requested a roll call vote on the nomination for vice-chairman. All present voted aye by roll call vote except Rieber who abstained. Rieber was appointed Vice-chairman.

Rieber will become chairman at the beginning of the next meeting.

Huggins asked for a motion to approve the October 17, 2024 Commission meeting minutes.

A MOTION WAS MADE by Rieber and seconded by Nelson to approve the October 17, 2024 Commission meeting minutes. All present voted age by roll call vote. The motion carried.

Huggins opened the floor to public comment.

Commissioner Dustin Coleman asked for details on SB40. Secretary Joel Jundt said he'd address it in his Secretary's Report.

Commission Taylor asked for a discussion item on South Dakota Codified Law (SDCL) 50-7-3, but he stated he would instead place the issue on the next agenda.

No members of the public addressed the Commission or offered input.

Secretary Jundt presented the Secretary's Report. He shared the following items:

- The Department of Transportation (the "Department") will research SDCL 50-7-3 and place it on the February agenda for the Commission to discuss.
- Also at the February meeting, arrangements will be made with the Attorney General's Office to present to the Commission information on the open meeting laws.
- SB40 is an agency/Department bill. It was determined after discussions with LRC that the changes to the statutes made in 2019 were excessive and the proposed bill will reestablish the Commission's rulemaking authority regarding licensing of airports.
- The Department present to the House and Senate Transportation Committees each year as required by SB1. The presentation includes updating them on current airport funding as well as other fundamentals of the Department.

Nancy Hiller, Office of Air, Rail, and Transit, presented to the Commission their consideration of the fuel tax fund request from Lincoln County. Lincoln County is requesting the use of \$2,846.25 of their fuel tax funds to pay for the replacement of runway light bulbs. The current balance in their fuel tax account is \$7,601.55.

A MOTION WAS MADE by Taylor and seconded by Nelson to approve the request for \$2,846.25 of their fuel tax funds to Lincoln County. All present voted age by roll call vote. The motion carried.

Jon Becker, Office of Air, Rail, and Transit, presented to the Commission their information a list of the project 2025 Airport Improvement Program (AIP) and Bi-partisan Infrastructure Law (BIL) Projects. The list can be found as ATTACHMENT A in these minutes. He requested that if they have any questions or concerns with any of the projects on the list, to please contact him so projects funding for these project can move forward in the process.

With no further business to come before the Commission, Huggins adjourned the meeting at 2:34 p.m. CT.
