To Whom It May Concern,

At its regular meeting on January 3, 2022, the City Council of North Sioux City voted to formally withdraw its request for an additional \$885,000 in funding from the drinking water State Revolving Fund. Bids for the proposed project came in nearly 40% over our engineer's estimate. As a result, the City intends to reevaluate its options including conducting a study which will look at cooperating with Dakota Dunes in some form. Once that study is complete (late March), we will have a better idea of how we are going to proceed.

Sincerely,

Patti Teel
Mayor
