MEMORANDUM

TO: Corrections Commission

FROM: Denny Kaemingk
Cabinet Secretary
Department of Corrections

DATE: October 15, 2014

SUBJECT: Adult Food Service and Commissary

The Department of Corrections has received questions regarding CBM's provision of food services and commissary from you. This memorandum is to address those issues.

Food Service:

CBM provides inmate meals based upon the Recommended Dietary Allowances and the Dietary Reference Intake recommended by the National Academy of Science. Registered Dietitians review the menus to ensure they meet all dietary requirements. The DOC Contract with CBM reads:

"The Contractor shall provide adequate Registered Dietician staffing to meet state and federal requirements. The dietician shall visit each facility not less than quarterly for quality control and adherence to standards."

Summary of the Contract Process:

- Contract is put out for Request for Proposal every 5 years (completed on June 30, 2014, New 5 year period stated July 1, 2014.)
- Involves Child and Adult Nutrition Services staff to provide required language to meet CANS requirements for nutrition and reimbursement
- Involves Dept of Health's dietitian to review the RFP draft language and proposed menus and caloric content in the RFP responses
- RFP requires vendor to have a dietitian certify the menus meet Recommended Daily Nutritional requirements
- RFP requires dietitian from vendor to make quarterly site visits to review menus/processes
- RFP is issued for all executive branch facilities – multiple agencies reviewing RFP and proposal responses
- Review and scoring is done by each department and representatives of the institutions
- RFP responses must meet technical requirements before consideration of pricing
- Kitchens are inspected annually by the State for cleanliness

Inmate laborers at Jameson Prison Annex (JPA), Mike Durfee State Prison (MDSP) South Dakota State Penitentiary (SDSP), and South Dakota Women's Prison (SDWP) shall be supervised at a minimum rate of one (1) Contractor staff per ten (10) inmate laborers. A minimum of one (1) Contractor staff per work area as defined by the facility.

The FY2015 Total Adult Facility Food Service Budget is \$4,651,909.

The FY2015 Per Meal Rate is as follows:

MDSP-	\$1.12
SDSP-	\$1.07
SDWP-	\$1.27
RCMU-	\$1.39
JPA-	\$1.07

The Menus for the SDSP, JPA, and SDWP are on a 4 week cycle that is enclosed (Encl 1).

Commissary:

Commissary is a convenience provided by DOC through CBM. The DOC works closely with CBM to provide a wide selection at a reasonable cost. Inmates may use this privilege. Enclosed is the Commissary Purchase List (Encl 2). The DOC Contract with CBM reads:

"The commission rate for this agreement shall be **5.25%** on the gross sales including property items. Gross sales exclude non-markup items and sales tax paid to the Department of Revenue. Contractor shall provide quarterly financial statements for each main facility to substantiate the commissions and gross sales for the quarter."

Summary of the Contract Process:

- Contract put out for Request for Proposal every 5 years (RFP will be put out in the near future)
- It is not tied to the Food Services RFP – separate issuance
- Provides a modest commission to the department based upon gross sales – paid quarterly
- Offenders are allowed to spend \$35/week at the commissary if they have money available in their account
- Property items can also be purchased if policy requirements are met
- Families can purchase gift baskets (5-7 different selections) for inmate family member as allowed
- Pricing includes sales tax remitted to the state on all items purchased

For FY2014 the Total Commission Revenue was \$137,295.

Please review over the enclosed information and if you have any further questions please feel free to contact me and we can discuss your questions further.

Respectfully,

Denny Kaemingk
Cabinet Secretary
Department of Corrections
