

**CEAC GRANT APPLICATION PROPOSALS:**

**PROPOSAL # 1:**

**RE: METAL ROOF AND GUTTER INSTALLATION ON THE FT. YATES OFFICE OF DAKOTA PLAINS.**

**PROPOSED COST OF GRANT REQUEST: \$10,808.00**

THE FT. YATES OFFICE IS IN NEED OF A NEW ROOF. THE CURRENT ROOF HAS INCURRED SOME LEAKAGE DUE TO ITS POOR CONDITION. GIVEN THE REMOTE LOCATION OF THIS OFFICE, DPLS HAS ONLY BEEN ABLE TO SECURE ONE BID (PLEASE SEE ATTACHED). THE PROGRAM PREVIOUSLY WORKED WITH THIS CONTRACTOR WHO INSTALLED NEW FLOORING IN THE OFFICE, AND WE WERE VERY SATISFIED WITH THE QUALITY OF THEIR WORK.

**PROPOSAL # 2:**

**RE: REMOVE EXISTING ASPHALT PARKING LOT AND REPLACE WITH CONCRETE, AND REMOVE AND REPLACE APPROXIMATELY 80 FEET OF CONCRETE SIDEWALK. REPLACE EIGHT CURB STOPS.**

**PROPOSED COST OF GRANT REQUEST: \$37,440.00**

THE MISSION OFFICE CURRENTLY HAS AN ASPHALT PARKING LOT THAT IS IN POOR CONDITION. PARTS OF THE LOT HAVE SUNKEN INTO THE GROUND, AND OTHER PARTS HAVE SIGNIFICANT BREAKAGE. THE ENIRETY OF THE LOT IS CRACKED AND IN NEED OF REPLACEMENT. DPLS WOULD LIKE TO HAVE THE ASPHALT REMOVED AND REPLACED WITH A CONCRETE PARKING LOT. THOUGH THIS WOULD BE MORE EXPENSIVE THEN AN ASHPHALT SURFACE, IT WOULD LAST MANY YEARS INTO THE FUTURE. THE PROGRAM WOULD ALSO LIKE TO REPLACE THE SIDEWALK ON TWO SIDES OF THE BUILDING. THE SIDEWALK IS SUNKEN DOWN AND BROKEN UP IN VARIOUS PLACES AND IS DEFINETLY IN NEED OF REPLACEMENT. FINALLY, EIGHT CONCRETE CURB STOPS WOULD BE REPLACED. DPLS WAS ABLE TO SECURE FOUR SEALED BIDS FOR THIS PROJECT (PLEASE SEE ATTACHED). THE LOWEST BID WAS SUBMITTED BY ROSEBUD CONCRETE, INC., OUT OF WINNER, SOUTH DAKOTA. THIS FIRM HAS A STELLAR REPUTATION IN THE AREA, AND DPLS PLANS TO GO WITH ROSEBUD CONCRETE IF THE PROJECTED IS APPROVED.

**TOTAL DPLS REQUEST FOR THIS GRANT CYCLE: \$48,248.00**
