March 12, 2024

Children's Home Society of South Dakota Michelle Lavallee 409 North Western Avenue Sioux Falls, SD 57104-5607

Dear Ms. Lavallee:

The Department of Public Safety (DPS) has received your Audit Report for year ended June 30, 2023. That Audit Report included Findings related to the Crime Victim Assistance Grant administered through our department. Federal regulation requires that we issue a management decision within six months of acceptance of the audit report.

<u>Finding 2023-001</u>: Preparation of Consolidated Financial Statements and Consolidated Schedule of Expenditures of Federal Awards (SEFA).

It is management's decision to rely on and accept the risks of Eide Bally completing your consolidated financial statements and your SEFA. It is your responsibility to review the information and verify the accuracy of the information reported. An error was noticed on your SEFA report. The Family Violence Prevention and Services/Domestic Violence Shelter and Supportive Services funding under CFDA #93.671 is a pass through from the Department of Public Safety not the Department of Social Services.

<u>Finding 2023-003</u>: Reporting – Material Weakness in Internal Control Over Compliance - The Victims' Services final financial report was not completed and submitted until requested by the auditors.

As it pertains to the three subgrants under the umbrella of Children's Home Society (CHS), our records show that this finding is related to award <u>COMBO-FY22-CHS-00022</u>. It is the policy of DPS South Dakota Victims Services (SDVS) that the Final Financial Report for Closeout is submitted no later than 90 days following the close of the grant cycle.

Furthermore, our records also show the final financial report for award <u>COMBO-FY23-CHS-00027</u> was not completed and submitted with in the 90 days. SDVS anticipates this may be a repeat finding next year.

It is noted that your corrective action plan indicates Children's Home Society (CHS) has designated a Finance Administrator for each Federal Financial Assistance Program. The Controller and Finance Administrator(s) will monitor and ensure reporting requirements are completed timely. SDVS confirmed with your organization that such processes have been included in CHS policy.

Sincerely,

Cora Olson

Cora Olson

To: SD Department of Public Safety SD State Board of Internal Control

Re: Audit Report on - Children's Home Society of South Dakota

As of and for the year ended June 30, 2023

By: Eide Bailly, LLP, CPAs

We have issued our report on the audit of the above-named entity in accordance with the requirements of OMB Uniform Guidance.

OMB Uniform Guidance requires the State of South Dakota, as a direct recipient of federal assistance who provides federal awards to a subrecipient, to:

- 1. Ensure that subrecipients expending \$750,000 or more in Federal awards during the subrecipient's fiscal year have met the audit requirements of OMB Uniform Guidance for that fiscal year.
- 2. Ensure that the subrecipient takes timely and appropriate corrective action when the audit report discloses instances of noncompliance with federal laws and regulations.
- 3. Consider whether this subrecipient audit necessitates adjustment of your program records.

The accompanying audit report is submitted to you to help fulfill these requirements.

The report does identify audit findings required to be reported in accordance with OMB Uniform Guidance, §200.516(a). Page 9 of the Federal Awards Reports section of the report makes note of this. Accordingly, you are required to issue a management decision on the audit findings within six months after receipt of this audit report (OMB Uniform Guidance §200.332(d)(3)).

Please contact us if you have any questions.

Persell A. Olson

Sincerely,

Russell A. Olson Auditor General

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of Children's Home Society of South Dakota and Children's Home Foundation (collectively, the Organization), which comprise the consolidated statement of financial position as of June 30, 2023 and 2022, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of Children's Home Society of South Dakota and Children's Home Foundation as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Restatement

As discussed in Note 21 to the consolidated financial statements, it was determined the consolidated statement of financial position did not include certain other assets related to a subscriber savings account (SSA) for the Organization's workman compensation insurance and allocated capital credits from electric cooperatives of which the Organization is a member. This resulted in an understatement of amounts previously reported for other assets, net assets without donor restrictions, and other revenue. Accordingly, amounts reported have been restated in the 2022 consolidated financial statements now presented to correct this. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing
 an opinion on the effectiveness of the Organization's internal control. Accordingly, no such
 opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 15, 2023 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The Supplementary Information is presented for the purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidating financial statements or to the consolidating financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the information is fairly stated in all material respects in relation to the consolidating financial statements as a whole.

Note 1 - Nature of Organization and Significant Accounting Policies

Nature of Organization

The Children's Home Society of South Dakota was incorporated as a nonprofit corporation under the laws of South Dakota on August 20, 1895. The Children's Home Foundation (Foundation) was established by the Children's Home Society. The Foundation's by-laws provide that funds raised, except for funds required for the operation of the Foundation, be distributed to or held for the benefit of the Children's Home Society or other organizations whose primary functions relate to the care of children. If the Foundation were ever to be dissolved, the net assets are to be transferred to Children's Home Society. The Foundation's articles of incorporation provide that the Foundation's board of directors be appointed by the Society.

Residential and Education – The Society provides residential treatment and education in both eastern and western South Dakota. Services are provided to children with a variety of diagnoses and emotional behavioral needs, including attention deficit hyperactivity disorder, reactive attachment disorder, childhood trauma, abuse and neglect, anxiety disorder, and parent-child challenges.

Community Based Services – The Society provides foster care and adoption services and forensic interview and exam centers as well as providing immediate shelter for children and/or women who are in actual or potential situations of domestic violence and provides crisis intervention services to women, children, and families.

Principles of Consolidation

The consolidated financial statements include the accounts of the Children's Home Society of South Dakota and the Children's Home Foundation as Children's Home Society has both control and economic interest in the Foundation. All significant intercompany accounts and transactions have been eliminated in consolidation. Unless otherwise noted, these consolidated entities are hereinafter referred to as "the Organization".

Cash and Cash Equivalents

The Organization considers all cash and highly liquid financial instruments with original maturities of three months or less, and which are neither held for nor restricted by donors for long-term purposes, to be cash and cash equivalents. Cash and highly liquid financial instruments restricted to capital expenditures, permanent endowment, or other long-term purposes of the Organization are excluded from this definition.

Accounts Receivable

Accounts receivable are carried at the amount invoiced, less an allowance for doubtful accounts, if considered necessary. Accounts are determined to be past due based upon the contractual terms of the account. Interest is not charged on past due accounts. Management determines the allowance for uncollectible accounts receivable based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Accounts are charged off when the balance is determined to be uncollectible. There were no allowances recorded at June 30, 2023 and 2022. Accounts receivable as of July 1, 2021 were \$2,202,309.

Notes to Consolidated Financial Statements
June 30, 2023 and 2022

Grants and Contracts Receivable

Grants from United Way and other certain grants and contracts receivable paid on a cost-reimbursement basis are recognized as a receivable once the services are provided or the costs are incurred or the grant conditions have been met.

Contributions Receivable

The Organization initially records unconditional contributions and bequests and subsequently carries them at fair value using present value techniques incorporating risk-adjusted discount rates designed to reflect the assumptions market participants would use in pricing the asset.

Inventory

Inventory consists primarily of food and is stated at the lower of cost or net realizable value determined by the first-in first-out method.

Investments

Investment purchases are recorded at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values in the consolidated statements of financial position. Net investment return is reported in the consolidated statements of activities and consists of interest and dividend income, realized and unrealized capital gains and losses, less investment management and custodial fees.

Beneficial Interests in Trusts

Charitable Trust Held by Others

The Organization has been named as an irrevocable beneficiary of certain charitable remainder trusts held and administered by independent trustees. These trusts were created independently by donors and are administered by outside agents designated by the donors. Therefore, the Organization has neither possession nor control over the assets of the trusts. At the date the Organization receives notice of a beneficial interest, a contribution with donor restrictions is recorded in the consolidated statements of activities, and a beneficial interest in charitable trusts held by others is recorded in the consolidated statements of financial position at fair value using present value techniques and risk-adjusted discount rates designed to reflect the assumptions market participants would use in pricing the expected distributions to be received under the agreement. Thereafter, beneficial interests in the trusts are reported at fair value in the consolidated statements of financial position, with trust distributions and changes in fair value recognized in the consolidated statements of activities. Upon receipt of trust distributions, contributions with donor restrictions are released to net assets without donor restrictions.

Perpetual Trusts

The Organization has been named as an irrevocable beneficiary of several perpetual trusts held and administered by independent trustees. Perpetual trusts provide for the distribution of the net income of the trusts to the Organization; however, the Organization will never receive the assets of the trusts. At the date the Organization receives notice of a beneficial interest, a contribution with donor restrictions is recorded in the consolidated statements of activities, and a beneficial interest in perpetual trust is recorded in the consolidated statements of financial position at the fair value of the underlying trust assets. Thereafter, beneficial interests in the trusts are reported at the fair value of the trusts' assets in the consolidated statements of financial position, with trust distributions and changes in fair value recognized in the consolidated statements of activities. In one instance, the donor has specifically granted the trustee the right to encroach upon principal on an as-needed basis. As a result, this perpetual trust is treated as net assets with donor restrictions in the consolidated statements of financial position.

Beneficial Interest in Assets Held by Community Foundations

Interest in community foundations represents funds transferred to community foundations by the Foundation where the Foundation has specified the Foundation or the Organization as beneficiary. The Foundation granted variance power to the community foundations which allows the community foundations to modify any condition or restriction on its distributions for any specified charitable purpose or to any specified organization if, in the sole judgment of the community foundations' Board of Directors, such restriction or condition becomes unnecessary, incapable of fulfillment, or inconsistent with the charitable needs of the community. The funds are held and invested by the community foundations for the benefit of the Organization and are reported at fair value in the consolidated statements of financial position, with trust distributions and changes in fair value recognized in the consolidated statements of activities.

Charitable Gift Annuities

Under charitable gift annuity contracts, the Organization receives immediate and unrestricted title to contributed assets and agrees to make fixed recurring payments over the stipulated period. Contributed assets are recorded at fair value on the date of receipt. The related liability for future payments to be made to the specified beneficiaries is recorded at fair value using present value techniques and risk-adjusted discounts rate designed to reflect the assumptions market participants would use in pricing the liability. The excess of contributed assets over the annuity liability is recorded as a contribution without donor restrictions. In subsequent years, the liability for future annuity payments is reduced by payments made to the specified beneficiaries and is adjusted to reflect amortization of the discount and changes in actuarial assumptions at the end of the year. Upon termination of the annuity contract, the remaining liability is removed and recognized as income.

Donated Services and In-Kind Contributions

Volunteers contribute significant amounts of time to the Organization's program services, administration, and fundraising and development activities; however, the consolidated financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by generally accepted accounting principles. Contributed goods are recorded at fair value at the date of donation. The Organization records donated professional services at the respective fair values of the services received (Note 13).

Land, Buildings and Equipment

Land, buildings and equipment additions over \$1,000 are recorded at cost, or if donated, at fair value on the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives of the assets ranging from three to forty years. When assets are sold or otherwise disposed of, the cost and related depreciation is removed from the accounts, and any remaining gain or loss is included in the consolidated statement of activities. Costs of maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed currently.

The carrying value of land, buildings and equipment is reviewed for impairment whenever events or circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. When considered impaired, an impairment loss is recognized to the extent carrying value exceeds the fair value of the asset. There were no indicators of asset impairment during the years ended June 30, 2023 and 2022.

Other Assets

Other assets consist of capital credits that represent member dividend allocations based on expenditures from electric cooperatives in which the Organization is a member of, that have been declared, but not yet distributed and a subscriber savings account (SSA) for the Organization's workman compensation insurance. The amount of capital credits was \$115,216 and \$112,800 as of June 30, 2023 and 2022, respectively. The amount of the subscriber savings account was \$136,416 and \$134,188 as of June 30, 2023 and 2022, respectively.

Revenue and Revenue Recognition

The Organization recognizes revenue from childcare and tuition as the related services are provided. The performance obligation of delivering childcare and tuition services is simultaneously received and consumed; therefore, the revenue is recognized ratably over the course of the year. Payment for childcare and tuition is required monthly. Program service fees and certain governmental and private grants paid in advance are deferred to the applicable period in which the related services are performed.

Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met. Amounts received with conditions and restrictions are recognized as revenue that increases net assets without donor restrictions if those conditions are met and restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized.

A portion of the Organization's revenue is derived from cost-reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the statements of financial position. There were no refundable advances as of June 30, 2023 and 2022. The Organization received cost-reimbursable grants of approximately \$34,000 and \$71,000 that have not been recognized at June 30, 2023 and 2022, respectively, because qualifying expenditures have not yet been incurred.

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions - Net assets available for use in general operations. Without donor restrictions board-designated net assets consist of net assets designated by the Board of Directors for operating reserve (Note 3) and quasi-endowment.

Net Assets With Donor Restrictions – Net assets subject to donor (or certain grantor) restrictions. Some donor imposed (or grantor) restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. The Organization reports contributions restricted by donors as increases in net assets with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends, or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statements of activities as net assets released from restrictions. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as revenue when the assets are placed in service. Amounts are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Functional Allocation of Expenses

The consolidated statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among program and supporting services benefited. The consolidated financial statements report certain categories of expenses that are attributed to more than one program or supporting function. These expenses are allocated on a basis determined reasonable for allocation by management. The expenses that are allocated include property insurance and utilities that are allocated on a square-footage basis. General and professional liability insurance is allocated based on the percentage of full time equivalent employees by program. Salaries, payroll taxes and benefits, and printing and publications expenses are allocated on the basis of estimates of time and effort. Equipment maintenance and food expenses have been allocated to the residential and education programs as they primarily support these programs.

Estimates

The preparation of consolidated financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and those differences could be material.

Income Taxes

The Society and the Foundation are organized as South Dakota nonprofit corporations and have been recognized by the Internal Revenue Service (IRS) as exempt from federal income taxes under Section 501(a) of the Internal Revenue Code as organizations described in Section 501(c)(3). Each entity is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, the entities are subject to income tax on net income that is derived from business activities that are unrelated to their exempt purposes. Each entity has determined it is not subject to unrelated business income tax and has not filed an Exempt Organization Business Income Tax Return (Form 990-T) with the IRS.

Each entity believes that it has appropriate support for any tax positions taken affecting its annual filing requirements, and as such, does not have any uncertain tax positions that are material to the consolidated financial statements. The entities would recognize future accrued interest and penalties related to unrecognized tax benefits and liabilities in income tax expense if such interest and penalties are incurred.

Financial Instruments and Credit Risk

The Organization manages deposit concentration risk by placing cash, money market accounts, and certificates of deposit with financial institutions believed by management to be creditworthy. At times, amounts on deposit may exceed insured limits or include uninsured investments in money market mutual funds. To date, the Organization has not experienced losses in any of these accounts.

The Society maintains cash in bank deposit accounts which exceed federally insured limits. Accounts are guaranteed by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per depositor, per insured bank, for each ownership category. At June 30, 2023 and 2022, the Society had approximately \$8,893,000 and \$13,631,000, respectively, in excess of FDIC-insured limits.

Credit risk associated with accounts receivable and contributions, grants and contracts receivable is considered to be limited due to high historical collection rates and because substantial portions of the outstanding amounts are due from governmental agencies and organizations supportive of the Organization's mission. Investments are made by diversified investment managers whose performance is monitored by management and the Investment Committee of the Board of Directors. Although the fair values of investments are subject to fluctuation on a year-to-year basis, management and the Investment Committee believe that the investment policies and guidelines are prudent for the long-term welfare of the Organization.

Reclassifications

Certain reclassifications of amounts previously reported have been made to the accompanying financial statements to maintain consistency between periods presented. The reclassifications had no impact on previously reported net assets.

Adoption of Accounting Standards Codification Topic 842

Effective July 1, 2022, the Organization adopted the new lease accounting guidance in Accounting Standards Update No. 2016-02, Leases (Topic 842). The Organization elected to apply the guidance as of July 1, 2022, the beginning of the adoption period. The standard requires the recognition of right of use assets and lease liabilities for lease contracts with terms greater than 12 months. Operating lease costs are recognized in the statement of activities as a single lease cost and finance lease costs are recognized in two components, interest expense and amortization expense. The Organization has elected the package of practical expedients permitted in ASC Topic 842. Accordingly, the Organization accounted for its existing leases as either finance or operating lease under the new guidance, without reassessing (a) whether the contract contains a lease under ASC Topic 842, (b) whether classification of the operating lease would be different in accordance with ASC Topic 842, or (c) whether the unamortized initial direct costs before transition adjustments would have met the definition of initial direct costs in ASC Topic 842 at lease commencement.

As a result of the adoption of the new lease accounting guidance, the Organization recognized on July 1, 2022, the beginning of the adoption period, no cumulative effect adjustment to net assets, a finance lease liability of \$153,655, and a finance right of use asset of \$153,655. The adoption of the new standard did not materially impact the Organization's consolidated statement of activities or consolidated statement of cash flows. See Note 19 for further disclosure of the Organization's lease contracts.

Note 2 - Liquidity and Availability

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the consolidated statement of financial position date, comprise the following:

	2022	2021
Cash and cash equivalents Contributions receivable	\$ 8,760,744 2,986,266	\$ 13,841,579 1,206,115
Distributions from beneficial interests in trusts Distributions from beneficial interests in assets held by community foundations	158,104 159,624	154,436 126,757
Spending-rate distributions and appropriations	 6,356,586	 9,864,050
	\$ 18,421,324	\$ 25,192,937

Cash and cash equivalents are available for general operating expenditures. Restricted cash is available to the extent it is expected to be used within the following fiscal year.

The endowment funds consist of donor-restricted endowments and funds designated by the board as endowments. Income from donor-restricted endowments is restricted for specific purposes. Donor-restricted endowment funds are not considered available for general expenditure, with the exception of the approved annual spending rate of 5 percent.

Board-designated endowments are considered available to the extent of the approved annual spending rate of 5 percent. Although the Organization does not intend to spend from these board designated endowment amounts (other than amounts appropriated for general expenditure as part of our Board's annual budget approval and appropriation), these amounts could be made available if necessary. Balances of the board designated endowments were \$25,907,119 and \$18,003,798 as of June 30, 2023 and 2022, respectively. In addition to board designated endowments, the board has designated certain investments which were \$2,018,289 and \$8,391,663 as of June 30, 2023 and 2022, respectively.

As part of a liquidity management plan, cash in excess of daily requirements may be invested in short-term investments, certificates of deposit, or money market funds. The Board annually designates a portion of its budget to certain cash reserves. Cash reserves were \$1,705,693 and \$5,318,614 as of June 30, 2023 and 2022, respectively, and are further described in Note 3.

Note 3 - Board Designated Cash and Investments

The Board of Directors has designated that amounts equal to depreciation expense be set aside to fund property and equipment. The amount reported as designated cash and investments equals this amount, less property and equipment acquisitions paid for with such funds. The Board of Directors has also designated a portion of investments for endowment.

The following summarizes board designated cash and investments at June 30, 2023 and 2022:

	2023 20		
Cash and cash equivalents Self-funded insurance reserve	\$ 129,505	\$ 395,698	
Depreciation reserve	1,576,188	4,922,916	
Investments			
Depreciation	-	250,560	
Operating reserve	2,018,289	8,141,103	
Endowment	25,907,119	18,003,798	
	\$ 29,631,101	\$ 31,714,075	

Note 4 - Certificates of Deposit

The Organization had certificates of deposit, held at cost which approximates fair value, at a financial institution of \$3,000,000 and \$250,560 as of June 30, 2023 and 2022, respectively. The certificates bear interest rates at 3.5% and .1% and have maturity dates of October 2023 and February 2023, respectively, with penalties for early withdrawal. Any penalties for early withdrawal would not have a material effect on the financial statements. The \$3,000,000 certificate of deposit serves as collateral on the construction loan.

Note 5 - Contributions Receivable

Contributions receivable at June 30, 2023 and 2022 are summarized as follows:

	2023			2022		
Endowment	\$	170,137		\$	1,081,136	
Children's Inn		1,796,762			2,687,150	
Total contributions receivable		1,966,899	_		3,768,286	
Less						
Adjustment to fair value		(245,238)			(730,208)	
			_			
Total contributions receivable	\$	1,721,661	_	\$	3,038,078	
Total contributions receivable	-	1,721,001	=	7	3,030,070	

At June 30, 2023 and 2022, three donors accounted for approximately 48% and 44%, respectively, of total contributions receivable.

The following summarizes scheduled receipts of contributions receivable at June 30, 2023.

Due by June 30	
2024 2025 2026 2027 2028 Thereafter	\$ 932,670 337,302 218,427 100,500 80,500 297,500
	\$ 1,966,899

Note 6 - Investments

The following summarizes investments by major investment type at June 30, 2023 and 2022:

	2023	2022
Without donor restrictions		
Cash equivalents and money market funds	\$ 3,649,069	\$ 3,924,653
Certificates of deposit	-	1,238,968
Corporate debt securities	252,278	259,648
Mutual funds - equity securities	19,345,546	17,720,957
Mutual funds - debt securities	7,374,311	7,113,626
	30,621,204	30,257,852
August 1		
With donor restrictions		
Cash equivalents and money market funds	6,372,476	7,503,507
Certificates of deposit	-	274,990
State and municipal government obligations	69,253	128,112
Corporate debt securities	1,283,062	1,391,706
Mutual funds - equity securities	76,491,505	69,791,126
Mutual funds - debt securities	32,616,045	30,065,225
	116,832,341	109,154,666
	\$ 147,453,545	\$ 139,412,518

Investment income from investments is recorded net of related investment fees of \$334,524 and \$391,221 for the years ended June 30, 2023 and 2022, respectively.

Note 7 - Cash Surrender Value of Life Insurance

The Organization is the beneficiary of life insurance policies on the lives of certain employees, former employees and donors. Premiums paid by the donors are recorded as contributions received. Premiums paid by the Organization are recorded as life insurance expense. The face values of the policies were approximately \$2,165,000 and \$2,217,000 at June 30, 2023 and 2022. The policies had cash values of \$1,150,583 and \$1,115,684 at June 30, 2023 and 2022, respectively. Investments in cash surrender value of life insurance are carried at their contract amount.

Note 8 - Construction loan

The Organization entered into a \$3,000,000 note payable during the current year in order to finance the construction of the Shelter for Family Safety. The note matures September 30, 2023 and bears interest at 5.5%. Payments are due at maturity and the loan is collateralized by a \$3,000,000 certificate of deposit (Note 4).

Note 9 - Beneficial Interest in Trusts

The following summarizes the carrying values of beneficial interest in trusts at June 30, 2023 and 2022:

	2023							
	With	out Donor	W	ith Donor			2022	
	Re	strictions	Re	estrictions				Total
				_		_	·	·

Hayward Memorial Trust		-		139,883		139,883		135,595
Beach Memorial Trust		-		340,688		340,688		324,359
Beneficial interest in charitable tr	usts			·		•		•
Edith Siegrist Trust		-		174,901		174,901		172,631
Didier Charitable Annuity				,		•		•
Trust		-		135,920		135,920		122,276
Verne and Bonnie Anderson				,		,		,
Trust		_		1,657,392		1,657,392		1,606,221
				, = = , = =		, ,	\- <u></u>	, = = =,===
	\$	-	\$	2,879,240	\$	2,879,240	\$	2,916,520

The Organization is also the beneficiary under various wills and revocable split interest agreements, the total realizable amount of which is not presently determinable. Such amounts will be recorded when an irrevocable right to receive benefits under the will or agreement has been received.

Note 10 - Land, Buildings, and Equipment

The following summarizes land, buildings and equipment at June 30, 2023 and 2022:

	2023	2022
Land and improvements Buildings and improvements	\$ 3,167,335 26,910,300	\$ 2,735,184 18,911,558
Equipment and fixtures Vehicles	7,101,653 960,554	4,648,022 650,237
Construction in progress	458,943	8,599,703
Less accumulated depreciation	38,598,785 (14,328,314)	35,544,704 (14,973,225)
	\$ 24,270,471	\$ 20,571,479

Construction in progress relates to costs incurred in relation to construction of new dining facilities and a new shelter for family safety as of June 30, 2023 and 2022, respectively.

Note 11 - Non-Recognized Funds Held by Community Foundations

A number of designated funds which benefit the Organization are maintained at the Sioux Falls Area Community Foundation (SFACF). These funds were established as a result of gifts by donors on the Organization's behalf. The Organization is the sole beneficiary of these funds; however, SFACF has been given variance power by the donors. Therefore, the Organization does not recognize its interest in these funds until any distributions are received.

The following summarizes current values of these designated funds at June 30, 2023 and 2022, and the annual distributions for the years ended June 30, 2023 and 2022:

	2023					2022			
	Current		P	Annual		Current	-	Annual	
		Value	Dis	tribution	Value		Dis	tribution	
Winona Axtel Lyon Fund	\$	99,731	\$	4,061	\$	95,405	\$	3,862

In addition, the South Dakota Community Foundation has funds totaling \$895,409 and \$702,929 at June 30, 2023 and 2022, respectively, for which the Organization is the beneficiary. The Organization does not recognize its interest in these funds until any distributions are received. Distributions received totaled \$31,895 and \$32,456 for the years ended June 30, 2023 and 2022, respectively.

Note 12 - Fair Value of Assets and Liabilities

Certain assets and liabilities are reported at fair value in the consolidated financial statements. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal, or most advantageous, market at the measurement date under current market conditions regardless of whether that price is directly observable or estimated using another valuation technique. Inputs used to determine fair value refer broadly to the assumptions that market participants would use in pricing the asset or liability, including assumptions about risk. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset or liability based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability based on the best information available. A three-tier hierarchy categorizes the inputs as follows:

Level 1 – quoted prices (unadjusted) in active markets for identical assets or liabilities that the Organization can access at the measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability, and market-corroborated inputs.

Level 3 – Unobservable inputs for the asset or liability. In these situations, the Organization develops inputs using the best information available in the circumstances.

Assets and liabilities measured at fair value on a recurring basis at June 30, 2023 and 2022 are as follows:

	2023	2022
Assets		
Certificates of deposit	\$ -	\$ 1,513,958
State and municipal government obligations	69,253	128,112
Corporate debt securities	1,535,340	1,651,354
Mutual funds - equity securities	95,837,051	87,512,083
Mutual funds - debt securities	39,990,356	37,178,851
Contributions receivable	1,721,661	3,038,078
Beneficial interest in trusts	2,879,240	2,916,520
Beneficial interest in assets held by		
community foundations	3,658,207	3,453,814
	\$ 145,691,108	\$ 137,392,770
Liabilities		
Annuity obligations	\$ 12,436	\$ 12,217

The related fair values of these assets and liabilities are determined as follows at June 30, 2023:

	Quoted	Other		
	Prices in	Observable	Unobservable	
	Active Markets	Inputs	Inputs	
	(Level 1)	(Level 2)	(Level 3)	Total
Assets				
State and municipal government				
obligations	\$ -	\$ 69,253	\$ -	\$ 69,253

Mutual funds - equity securities	87,512,083		-		-	87,512,083
Mutual funds - debt securities	37,178,851		-		-	37,178,851
Total investments valued						
at fair value	124,690,934		3,293,424		-	127,984,358
Beneficial interest in trusts Beneficial interest in assets held by	-		-		2,916,520	2,916,520
community foundations					3,453,814	3,453,814
Total beneficial interests	-		-		6,370,334	6,370,334
Contributions receivable					3,038,078	3,038,078
	\$ 124,690,934	\$	3,293,424	\$	9,408,412	\$ 137,392,770
Liabilities						
Annuity obligations	\$ -	\$		\$	12,217	\$ 12,217

The fair value of mutual funds and stocks are determined by reference to quoted market prices. The fair value of certificates of deposit, government obligations, and corporate debt securities are determined by reference to similar assets that are directly or indirectly observable in the marketplace. The fair value of the beneficial interest in trusts and annuity obligations are estimated at the present value of the expected future cash flows. The fair value of the beneficial interests in assets held by the community foundation is based on the fair value of fund investments as reported by the community foundation. Contributions and bequests receivable are initially recorded and subsequently carried at fair value using present value techniques incorporating risk adjusted discount rates and are classified within Level 3.

Following is a reconciliation of activity for assets measured at fair value based upon significant unobservable (non-market) information for 2023 and 2022:

		 Beneficial	Inte	rest in

Note 13 - Donated Professional Services and Materials

The Organization received donated professional services and materials as follows during the years ended June 30, 2023 and 2022:

	Program Services	nagement I General	undraising Development	 Total
June 30, 2023 Advertising and printing Events Professional services Goods and supplies Construction in progress	\$ 258,816 8,887 2,350 431,840	\$ - - 22,569 - -	\$ 1,110,827 136,349 - 18,971 -	\$ 1,369,643 145,236 24,919 450,811 151,207
	\$ 701,893	\$ 22,569	\$ 1,266,147	\$ 2,141,816
June 30, 2022 Advertising and printing Events Professional services Goods and supplies Construction in progress	\$ 8,135 10,213 366,675	\$ - - 7,600 - -	\$ 772,603 219,803 326 2,355	\$ 772,603 227,938 18,139 369,030 371,500
	\$ 385,023	\$ 7,600	\$ 995,087	\$ 1,759,210

The Organization receives free advertising through radio, digital, and television advertisements that serve to support its programs. These donated advertisements are recognized as in-kind contributions at fair value, with a corresponding expense allocated to the programs benefitted, as they are delivered to the public. The valuation of these advertisements is provided by the service provider, who estimates the fair value based on the date, time, and market in which each is displayed.

The contributed events donations include gift cards and other donated items to be raffled or used as prizes at events held by the Organization. The contributed goods and supplies include food and non-food items such as household goods, toys, clothing, and other items that would have otherwise been purchased to run its programs. The Organization estimated the fair value of these items based on values that would be received for selling the goods in their principal market considering their condition and utility for use at the time the items are contributed by the donor.

The Organization receives donated professional services that would typically be purchased if not provided as an in-kind contribution. In addition, there were \$151,207 and \$371,500 of donated artwork and construction services capitalized related to the new shelter for family safety. These services, which require specialized skills, are recognized as in-kind contributions at fair value when the service is provided. The estimated fair value of these professional services is provided by the service provider, who estimates the fair value based on the date, time, and market in which the service is rendered.

Note 14 - Net Assets with Donor Restrictions

	\$ 13,744,110	\$ 3,334,086

Note 15 - Scholarship Contributions

The Organization has received both contributions with donor restrictions and contributions without donor restrictions which have been and will be used as scholarships for tuition for children who would not otherwise be able to attend the education programs. These amounts are classified as contributions in the consolidated statements of activities and are recognized as income in the year the contribution was received. Tuition income, which does not include these contributions received, would have been approximately \$198,000 and \$150,000 higher for 2023 and 2022, respectively.

Note 16 - Revenue from Governmental Units

The Organization receives a substantial amount of its revenue from federal, state and local governments. A significant reduction in the level of this revenue, if this were to occur, may have a corresponding significant effect on the Organization's programs and activities.

Note 17 - Employee Benefit Plans

The Organization has established a defined contribution 401(k) retirement plan covering all eligible employees who have attained the age of 21 and have one year of service. The plan allows employees the option to make elective deferral contributions and the Organization the ability to make discretionary matching contributions based upon the participants' deferrals and/or discretionary profit-sharing contributions which are allocated to all eligible participants based upon their eligible compensation. Retirement plan contributions for the years ended June 30, 2023 and 2022 were 8% or \$1,031,718 and \$801,460, respectively.

The Organization had deferred compensation agreements with four key employees and two retired employees which provide for benefits upon retirement, or for their beneficiaries if the employee dies before retirement. The Organization is accruing the estimated net present value of the required payments at the earliest dates in which the benefits vest. Four of the plans were considered vested on the date the employees attain the age 65 or January 2020, whichever is first. The other two plans are considered to be fully vested after a period of 10 years or March 2027. No benefits will be paid to the employees should employment be terminated by either party prior to the vesting date. At June 30, 2023, only one plan remains on one of the retired employees. At June 30, 2023 and 2022, \$0 and \$23,663, respectively, has been accrued and recorded as a liability in the accompanying consolidated financial statements. The Organization owns life insurance policies on one of these individuals. The Organization will receive the death benefits under the terms of the agreement.

Note 18 - Endowment Funds

The Organization's endowment funds consist of various donor restricted endowment funds. Net assets associated with endowment funds are classified and reported based on the existence of donor-imposed restrictions.

Interpretation of Relevant Law

The Organization's management has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift at the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as net assets with donor restrictions (a) the original value of gifts donated to the perpetual endowment, (b) the original value of subsequent gifts to the perpetual endowment, and (c) accumulations to the perpetual endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund (historic dollar value). In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the endowment fund; (2) the purposes of the Organization and the donor-restricted endowment fund; (3) general economic conditions; (4) the possible effect of inflation and deflation; (5) the expected total return from income and the appreciation of investment; (6) other resources of the Organization; and (7) the investment policies of the Organization.

June 30, 2023 and 2022

The following summarizes endowment net assets at June 30, 2023:

	Without Donor Restrictions		With Donor Restrictions		Total

From time to time, the fair value of endowment funds associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Organization to retain as a fund of perpetual duration, (i.e., underwater endowments). The Organization has interpreted UPMIFA to permit spending from underwater endowments in accordance with prudent measures required under law. At June 30, 2023, there were no deficiencies of this nature reported in net assets with donor restrictions. At June 30, 2022, funds with original gift values of \$6,626,220, fair values of \$5,939,668, and deficiencies of \$686,552 were reported in net assets with donor restrictions. These amounts were fully recovered during 2023 due to favorable market fluctuations.

Investment Spending Policies

The Organization has adopted investment and spending policies for its endowment fund that attempt to provide the Organization a predictable funding stream for its programs while protecting the purchasing power of the endowment funds. The Organization, through its investment policy, has established a target (inflation-adjusted) annualized rate of return over the long-term of at least 5%; the total return during any single measurement period may deviate from the long-term return objective. To satisfy its long-term rate-of-return objective, the Organization expects to maintain appropriate diversification among equity and fixed income allocations. The purpose is to moderate the overall investment risk of the endowment fund.

The Board of Directors of the Organization may appropriate for expenditure or accumulate so much of the endowment fund as the Organization determines is prudent for the uses, benefits, purpose, and duration for which the endowment fund is established. The amount appropriated, the spending policy, is a Board approved percentage applied to the average fair value of the endowment fund assets during the prior sixteen quarters. In cases where the fair value of the endowment fund assets fall below the original value of the gifts donated to the permanent endowment, appropriation of gifts will not be made if such appropriation would reduce any gift below its historic-dollar value threshold. However, appropriations may be made from board designated quasiendowment funds in an amount equivalent to an appropriation that would otherwise be allowable, but for the below historic-dollar-value condition. The Board approved spending percentage was 5% for the years ended June 30, 2023 and 2022.

The following summarizes the change in endowment net assets for the years ended June 30, 2023 and 2022:

Note 19 - Commitments and Contingencies

Property acquired with federal grants is considered owned by the Organization while used in the program for which it was purchased or in other future authorized programs; however, the United States has reversionary interests in certain property. The property's disposition as well as the ownership of any proceeds there from is subject to federal regulations. The total book value of property and equipment in which the United States has reversionary interest is \$1,518,022 and \$1,679,379 at June 30, 2023 and 2022, respectively.

Community Development Block Grants totaling \$915,500, which have been received and used for construction of buildings, are in the form of zero percent notes payable, with mortgages on the property. The notes are due upon noncompliance with the intended purpose of the funds, as defined in the agreement, or upon sale of the property. Since the possibility of having to repay the notes is considered remote, no liability has been recorded for the notes. The net book value of the property pledged on these mortgages is \$1,036,267 and \$1,080,523 at June 30, 2023 and 2022, respectively, and is included in the reversionary interest amount above.

The Organization applied for and received loan forgiveness from the SBA on its PPP loan in 2021. In accordance with the PPP loan requirements, the Organization is required to maintain PPP loan files and certain underlying supporting documents for periods ranging from three to six years. The Organization is also required to permit access to such files upon request by the SBA. Accordingly, there is potential the PPP loan could be subject to further review by the SBA and that previously recognized forgiveness could be reversed based on the outcome of this review.

The Organization has entered into a contract for construction of the new shelter for family safety. The remaining commitment on the contract as of June 30, 2023 is approximately \$142,000.

The Organization has a signed agreement for a new dining hall facility. The remaining commitment on the agreement was \$73,152 at June 30, 2023.

Note 20 - Leases

The Organization leases equipment under a long-term, non-cancelable finance lease agreement. The lease expires in July 2026.

The weighted-average discount rate is based on the discount rate implicit in the lease. The Organization has elected the option to use the risk-free rate determined using a period comparable to the lease terms as the discount rate for leases where the implicit rate is not readily determinable. The Organization applied the risk-free rate option to the office equipment class of assets.

The Organization has elected the short-term lease exemption for all leases with a term of 12 months or less for both existing and ongoing operating leases to not recognize the asset and liability for these leases. Lease payments for short-term leases are recognized on straight-line basis. The Organization has elected the practical expedient to not separate lease and non-lease components for equipment leases.

Total lease costs for the year ended June 30, 2023 were as follows:

	 2023
Finance lease cost:	
Interest expense	\$ 1,105
Amortization of right of use asset	37,163

The following table summarizes the supplemental cash flow information for the year ended June 30, 2023:

	 2023
Cash paid for amounts included in the measurement of lease liabilities	
Operating cash flows from finance lease	\$ 1,105
Financing cash flows from finance lease	37,163

The following summarizes the weighted-average remaining lease term and weighted-average discount rate:

	2023
Weighted-average remaining lease term (in years)	3.08
Weighted-average discount rate	0.81%

The future minimum lease payments under noncancelable finance leases with terms greater than one year are listed below as of June 30, 2023.

2024 2025 2026 2027	\$ 38,267 38,267 38,267 3,188
Total lease payments Less interest	 117,989 (1,496)
Present value of lease liabilities	\$ 116,493

Note 21 - Restatement

During 2023, it was determined the consolidated statement of financial position did not include certain other assets related to a subscriber savings account (SSA) for the Organization's workman compensation insurance and allocated capital credits from electric cooperatives for which the Organization is a member. This resulted in an understatement of amounts previously reported as other assets, net assets without donor restrictions, and other revenue. Accordingly, amounts reported have been restated in the 2022 consolidated financial statements now presented to correct this.

The effect on the Organization's consolidated financial statements as of June 30, 2022 is as follows:

	As Previously Reported	Restatement	As Restated		
Statement of Financial Position					
Other Assets	\$ -	\$ 246,988	\$ 246,988

Change in other assets	-		(1,767)	(1,767)

Note 22 - Subsequent Events

Subsequent to year end, the Organization entered into a purchase agreement for the purchase certain real estate located in Rapid City, South Dakota. The purchase price of the property is \$8,588,250. In addition, the Organization entered into a separate purchase agreement for the purchase of bare land near the previously mentioned real estate for the purchase price of \$2,808,124. The purchases will be financed with a short-term note payable.

In September 2023, the Organization paid off the construction loan using cash funds.

Management has considered subsequent events through November 15, 2023, the date that the consolidated financial statements were available to be issued.

Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

The Board of Directors
Children's Home Society of South Dakota
Sioux Falls, South Dakota

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the consolidated financial statements of Children's Home Society of South Dakota and Children's Home Foundation (collectively, the Organization), which comprise the consolidated statement of financial position as of June 30, 2023, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated November 15, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. However, as described in the accompanying Schedule of Findings and Questioned Costs we identified certain deficiencies in internal control that we consider to be a material weakness and significant deficiency.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the deficiency described in the accompanying Schedule of Findings and Questioned Costs as item 2023-001 to be a material weakness.

A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the deficiency described in the Schedule of Findings and Questioned Costs as item 2023-002 to be a significant deficiency.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

The Organization's Responses to Findings

Government Auditing Standards requires the auditor to perform limited procedures on the Organization's responses to the findings identified in our audit and described in the accompanying schedule of findings and questioned costs. The Organization's responses were not subjected to the other auditing procedures applied in the audit of the consolidated financial statements and, accordingly, we express no opinion on the responses.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Sioux Falls, South Dakota

Esde Saelly LLP

November 15, 2023

Independent Auditor's Report on Compliance for Each Major Federal Program; Report on Internal Control Over Compliance; and Report on the Consolidated Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

The Board of Directors Children's Home Society of South Dakota Sioux Falls, South Dakota

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Children's Home Society of South Dakota and Children's Home Foundation's (collectively, the Organization) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on the Organization's major federal programs for the year ended June 30, 2023. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the Organization's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of its major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and
 design and perform audit procedures responsive to those risks. Such procedures include
 examining, on a test basis, evidence regarding the Organization's compliance with the
 compliance requirements referred to above and performing such other procedures as we
 considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the
 audit in order to design audit procedures that are appropriate in the circumstances and to test
 and report on internal control over compliance in accordance with the Uniform Guidance, but
 not for the purpose of expressing an opinion on the effectiveness of the Organization's internal
 control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we did identify certain deficiencies in internal control over compliance that we consider to be a material weakness.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance. We consider the deficiency in internal control over compliance described in the accompanying schedule of findings and questioned costs as item 2023-003 to be a material weakness.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

Government Auditing Standards requires the auditor to perform limited procedures on the Organization's responses to the internal control over compliance findings identified in our audit described in the accompanying schedule of findings and questioned costs. The Organization's responses were not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the responses.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Consolidated Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the consolidated financial statements of the Organization as of and for the year ended June 30, 2023, and have issued our report thereon dated November 15, 2023, which contained an unmodified opinion on those consolidated financial statements. Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying consolidated schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the consolidated schedule of expenditures of federal awards is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Note 1 - Basis of Presentation

The accompanying consolidated schedule of expenditures of federal awards (the schedule) includes the federal award activity of the Children's Home Society of South Dakota and Children's Home Foundation (collectively, the Organization) under programs of the federal government for the year ended June 30, 2023. The information is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the consolidated financial position, changes in net assets or cash flows of the Organization.

Note 2 - Summary of Significant Accounting Policies

Expenditures reported in the schedule are reported on the accrual basis of accounting. When applicable, such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. No federal financial assistance has been provided to a subrecipient.

Note 3 - Indirect Cost Rate

The Organization has elected to use the 10% de minimis cost rate.

Section I – Summary of Auditor's Results

CONSOLIDATED FINANCIAL STATEMENTS

Type of auditor's report issued Unmodified

Internal control over financial reporting:

Material weaknesses identified Yes

Significant deficiencies identified not considered

to be material weaknesses Yes

Noncompliance material to financial statements noted? No

FEDERAL AWARDS

Internal control over major program:

Material weaknesses identified Yes

Significant deficiencies identified not considered

to be material weaknesses Yes

Type of auditor's report issued on compliance

for major programs: Unmodified

Any audit findings disclosed that are required to be

reported in accordance with Uniform Guidance

2 CFR 200.516(a):

Medicaid Cluster

Medical Assistance Program 93.778
Crime Victim Assistance 16.575

Dollar threshold used to distinguish between type A

and type B programs: \$750,000

Auditee qualified as low-risk auditee?

Section II - Consolidated Financial Statement Findings

2023-001 Preparation of Consolidated Financial Statements and Consolidated Schedule of Expenditures of Federal Awards Material Weakness

Criteria: Proper controls over financial reporting include an adequate system for recording and processing entries to the consolidated financial statements, as well as the ability to prepare consolidated financial statements, the consolidated schedule of expenditures of federal awards (SEFA) and accompanying notes to the consolidated financial statements that are materially correct.

Condition: As auditors, we were requested to draft the consolidated financial statements and accompanying notes to the consolidated financial statements. In addition, the Organization identified a correction of an error related to the prior reporting period resulting in a material audit adjustment within the consolidated financial statements. We also revised the SEFA to exclude non-federal funded expenditures.

Cause: The Organization relies on the auditor to provide the necessary understanding and disclosure guidance in the preparation of the consolidated financial statements.

Effect: The effect of this condition is that the year-end financial reporting is prepared by a party outside of the Organization. The outside party does not have the same comprehensive understanding of the Organization as its internal financial staff.

Recommendation: We recommend management continue reviewing the consolidated financial report and SEFA prepared by the auditors. Management and the board of directors should continually be aware of the financial accounting and reporting requirements of the Organization as well as changes in these requirements. It is the responsibility of the Organization's management and those charged with governance to make the decision whether to accept the degree of risk associated with this condition because of cost or other considerations.

Views of Responsible Officials: Management is in agreement.

2023-002 Segregation of Duties Significant Deficiency

Criteria: An appropriate system of internal accounting control contemplates an adequate segregation of duties so that not one individual handles a transaction from its inception to its completion.

Condition: The Organization did not have an internal control system to allow for proper segregation of duties across all areas of accounting functions during the year. We noted the following during our testing:

- Two journal entries selected for testing had no documentation to support a review of the journal entries was performed.
- There is no formal documentation of review performed for the write off of pledges receivable.
- There was no formal documentation of a number of monthly/annual reconciliations including accounts receivable, property and equipment, accounts payable, various accruals, net assets and functional expense allocation.

Cause: There has been turnover in key financial reporting positions during the year. The controller position was filled in September 2022.

Effect: Inadequate segregation of duties could adversely affect the Organization's ability to detect and correct misstatements that would be material in relation to the financial statements in a timely period in the normal course of performing their assigned functions.

Recommendation: While we recognize there was turnover in key positions during the year, it is important that management and the board of directors are aware of this condition. Under this condition, close supervision and review of accounting information is the best means of preventing and detecting errors or irregularities.

Views of Responsible Officials: Management is in agreement.

Section III - Federal Award Findings and Questioned Costs

2023-003 Department of Justice and State of South Dakota Department of Public Safety FFAL #16.575, 2022-COMBO-00022 Crime Victim Assistance

Reporting

Material Weakness in Internal Control over Compliance

Criteria: 2 CFR 200.303(a) establishes that the auditee must establish and maintain effective internal controls over the federal awards that provide assurance that the entity is managing the federal awards in compliance with federal statutes, regulations, and the conditions of the federal award. 2 CFR 200.327 and 2 CFR 200.328 require the auditee to collect financial information and monitor its activities under federal awards to assure compliance with applicable federal requirements and performance expectations are being achieved and report these items in accordance with the program requirements.

Condition: The Victims' Service final financial report was not completed and submitted until requested by the auditors.

Cause: There was a lapse in the Organization's internal control process ensuring reporting requirements were fulfilled timely.

Effect: Lack of compliance with designed internal controls over reporting could result in the Organization reporting incorrect or incomplete information.

Questioned Costs: None reported.

Context/Sampling: A nonstatistical sample of 6 reports out of 10 reports.

Repeat Finding from Prior Year(s): No

Recommendation: We recommend management review internal control procedures over reporting to ensure reporting requirements are completed and submitted timely.

Management's Response to Auditor's Findings: Summary Schedule of Prior Audit Findings and Corrective Action Plan June 30, 2023

Prepared by Management of

Children's Home Society of South Dakota

Our Mission:

To prevent, treat and heal trauma.

Summary Schedule of Prior Audit Findings Year Ended June 30, 2022

Consolidated Financial Statement Findings

Finding 2022-001 Preparation of Consolidated Financial Statements and

Consolidated Schedule of Federal Awards and Material Audit

Adjustments - Material Weakness

Initial Fiscal Year Finding: 2018

Summary: Eide Bailly was requested to draft the consolidated financial

statements and accompanying notes to the consolidated financial statements. Eide Bailly also proposed a material audit adjustment that had not been identified by the Society's existing internal controls that could have resulted in a material misstatement within the consolidated financial statements and SEFA.

Status: Ongoing. Due to cost effectiveness, we requested our auditors,

Eide Bailly LLP, prepare our financial statements and the accompanying notes to the financial statements as part of the annual audit. The audited financial statements and accompanying

notes are reviewed by management prior to issuance.

Consolidated Financial Statement Findings

Finding 2022-002 Segregation of Duties - Significant Deficiency

Initial Fiscal Year Finding: 2022

Summary: The Society's internal control system did not allow for proper

segregation of duties across all accounting function areas during

the year.

Status: Ongoing. The Finance team will continue to implement

modifications to strengthen our internal control environment

encompassing segregation of duties.

Summary Schedule of Prior Audit Findings Year Ended June 30, 2022

Federal Award Findings and Questioned Costs

Finding 2022-003 Allowable Costs, Allowable Activities, and Matching – Significant

Deficiency in Internal Control Over Compliance

Federal/State

Agency Name: Department of Justice and State of South Dakota Department of

Public Safety

Program Name: Crime Victim Assistance

FFAL # 16.575, 2022-COMBO-00022, 2022-COMBO-00011

Initial Fiscal Year Finding: 2019

Summary: Audit testing over expenditures noted the following items:

- Three instances were noted where hours used to allocate payroll to the grant differed from the actual hours worked and paid resulting in deficiencies in allowable costs, allowable activities, and matching.
- One instance was noted where the hours used to allocate payroll to the grant differed from the actual hours worked and paid resulting in deficiencies in allowable costs and allowable activities.
- One instance was noted where a non-payroll expenditure where costs charged to the grant that were paid within the service period but related to services outside of the service period resulting in deficiencies in allowable costs, allowable activities, and matching.

Status: Corrective action was taken.

Summary Schedule of Prior Audit Findings Year Ended June 30, 2022

FFAL # 16.575, 2022-COMBO-00022, 2022-COMBO-00011

Initial Fiscal Year Finding: 2021

Finding Summary: One instance was noted in which an independent review of a

grant draw request was not completed prior to the draw request

being submitted for reimbursement.

Status: Corrective action was taken.

Corrective Action Plan Year Ending June 30, 2023

Consolidated Financial Statement Findings

Finding 2023-001 Preparation of Consolidated Financial Statements and

Consolidated Schedule of Federal Awards and Material Audit

Adjustments - Material Weakness

Summary: Eide Bailly was requested to draft the consolidated financial

statements and accompanying notes to the consolidated financial statements. Eide Bailly also revised the SEFA to exclude non-federal funded expenditures. In addition, the Society identified a correction of an error related to the prior reporting period

resulting in a material audit adjustment within the consolidated

financial statements.

Responsible Persons: Shannon Clark, Chief Financial Officer

Lynn Peterson, Controller

Corrective Action Plan: External auditor preparation of draft financial statement is a cost-

effective measure that we envision evolving in the future. For 2024, we anticipate our external auditors will again be requested to assist in the preparation of our draft consolidated financial statements and the accompanying notes to the consolidated financial statements as part of the annual audit. The goal is for our financial team to move forward to fully complete preparation

of the draft consolidated financial statements and the

accompanying notes.

Management will review the Schedule of Expenditures of Federal

Awards and related Uniform Guidance to ensure federal

expenditures are accurately reflected.

We will continue to implement modifications to strengthen our internal controls and reduce the opportunity for material misstatements to occur and not be identified prior to financial

statement preparation.

Anticipated Completion Date: Ongoing

Corrective Action Plan Year Ending June 30, 2023

Consolidated Financial Statement Findings

Finding 2023-002 Segregation of Duties - Significant Deficiency

Finding Summary: The Society did not have an internal control system to allow for

proper segregation of duties across all areas of accounting functions during the year. Eide Bailly identified the following

during testing:

 Two journal entries selected for testing had no documentation to support a review of the journal entries was performed.

- There is no formal documentation of review performed for

the write off of pledges receivable.

 There was no formal documentation of a number of monthly/annual reconciliations including accounts receivable, property and equipment, accounts payable, various accruals, net assets, and functional expense

allocation.

Responsible Persons: Shannon Clark, Chief Financial Officer

Lynn Peterson, Controller

Corrective Action Plan: We are committed to achieving an effective internal control

environment encompassing segregation of duties. Processes for

the formal review documentation of all journal entries, reconciliations, and pledge receivable write-offs will be

implemented.

Anticipated Completion Date: June 30, 2024
