

State Plan for Independent Living - Community Survey 2026

Help Shape the Future of Independent Living in South Dakota

The South Dakota Statewide Independent Living Council (SILC) is developing the next three-year State Plan for Independent Living (SPIL) - and we need your input!

This plan guides independent living services funded by the US Department of Health and Human Services, through the Administration for Community Living. Services are provided by South Dakota's two Centers for Independent Living (CILs), Independent Living Choices (ILC) and Western Resources for Independent Living (WRIL); reaching all 66 counties and the nine Tribal Nations.

Why Your Voice Matters

If you or someone you care for has a disability, please take our short survey. Your feedback will help us:

- *Identify barriers people with disabilities face**
- *Improve community inclusion and accessibility**
- *Guide services to support people's independent living goals**

Need help with the survey? Call us at 605.494.3613 - we're here to assist!

Thank you!
