

ASPPB MOBILITY PROGRAM E.PASSPORT OVERVIEW

E.Passport Info

The E. Passport promotes standardization in the criteria of interjurisdictional telepsychology practice and facilitates the process for licensed psychologists to provide telepsychological services across jurisdictional lines in jurisdictions that accept the E.Passport. The E. Passport also provides more consistent regulation of interjurisdictional telepsychology practice and allows consumers of psychological services to benefit from regulated practice.

Application for the E. Passport can be made through the ASPPB Mobility Program. Eligibility requirements can be found on Page 2. Please make sure to read the ASPPB Mobility Program Policies and Procedures for a comprehensive look at the Mobility Program and certificate requirements.
