

South Dakota Animal Industry Board
Notice of Public Hearing to Adopt Rules

A public hearing will be held at the Animal Industry Board Office, 411 South Fort Street, Pierre, South Dakota 57501, on Tuesday, December 5, 2023, at 9:00 AM (central), to consider the adoption and amendment of proposed rules numbered

§§ 12:68:15:12

The effect of the added rule 12:68:15:12 would be sales of retail meat products would occur only when the producing retail store has full control of the sanitation, storage, and transportation until purchased by the consumer. The reason for the addition is current meat production under retail exemption does not require records to verify the product was handled, cooked, cooled, or stored appropriately. Restricting meat product sales outside the producing establishment ensures control of the product during storage until purchased by the consumer.

Persons interested in presenting amendments, data, opinions, and arguments for or against the proposed rules may appear in-person at the hearing or mail them to the South Dakota Animal Industry Board Office, 411 South Fort Street, Pierre, South Dakota 57501. Material sent by mail must reach the Board Office by Friday, December 1, 2023, to be considered. All written comments must include the name, home town/city, and state of the person submitting the comments.

After the public hearing, the board will consider all written and oral comments it receives on the proposed rules. The board may modify or amend a proposed rule at that time to include or exclude matters that are described in this notice.
