

Beau Gregg

Hello my name is Beau Gregg I just received a letter that was dated January 22 about a hearing to suspend my water permit, unfortunately the letter was placed in my neighbors mailbox who passed away last fall and nobody has checked his mailbox regularly. I filled out the survey online but it must not have went through, I was wondering if we could do a conference call and try to get my permit reinstated. My permit number is 2675-3 my phone number is 605-222-9670. I would like to try to get this taken care of before your next board meeting in July if I can, thank you.
