

The Alzheimer's Association South Dakota Chapter respectfully requests the Board of Education Standards' consideration to add three performance indicators under Standard 8 which are:

1. "Explain the role of a caregiver" as performance indicator 8.5.3
2. "Explain the importance of self-care and stress management for caregivers" as performance indicator 8.8.5
3. "Explain the needs of caregivers within a family or community setting" as performance indicator 8.12.5
